The Art Loan, Musee and School Entertainment last week, was a great success and made a desired hit. The teachers worked hard in the enterprise and won the approbation of all as their united efforts produced an entertainment which was well worthy of appreciation. The Art Loan and Musee, consisting of paintings, statuary, curiosities, art collections of numerous kinds was grand indeed and developed the fact that Yale citizens have many rare and ancient specimens in their possession. These were all arranged in most artistic order by Fred Palmer, and were admired by a large crowd both Friday and Saturday. Friday evening the program given out in last week's issue, was delightfully rendered before a large audience. The songs and recitations were excellent, the drills were especially fine. Yale's small people are actually perfect in this line, under the competent instructions of their teachers, and we have no words but of praise for these same enthusiastic, always to the front, teachers.

Mr. and Mrs. Robert Paul take this means of publicly expressing their sincere thanks for the many acts of kindness and sympathy shown them during the recent sickness and death of their darling Willie. These kindly acts flowing out of benevolent hearts are fully appreciated by the parents and will be stored up in grateful memory of friends and neighbors in Yale.

Just as the people were coming home from the school entertainment last Friday evening, the fire bell rang out its sharp alarm. It was soon found that the fire was in the box mill, but before the engine reached the mill, word came that the flames were subdued. The cause was the explosion of the lamp in the office where Letta Erick was at work making out the pay rolls. Miss Erick was somewhat burned about her face but not much other damage was done.

Children's day was nicely observed in the Disciple church last Sunday evening. The church was decorated with plants and flowers, and a very pleasing program was rendered. The building was taxed to its utmost to find room for the large audience. Children's exercises will not be held in Erick Chapel until a week from Sunday, owing to delay in securing music, etc. Exercises will be held in M. P. church next Sunday evening. At the M. E. church preparations are being entered into for a picnic instead of the usual Children's Day program.

In the Concord Independent of last week we notice that W. N. Armstrong has been elected secretary of the Concord Turf Club recently organized at that place. Doc has the ability to act in that capacity and we believe the society has made a good selection. We also find in the same issue a complimentary notice of Jas. C. Regan which we take pleasure in publishing. Jim always makes friends, all of whom wish him every success in life. Below are the good words the Independent has to say of him:—James C. Regan, who has been clerking for W. N. Armstrong for the past several months, went to Melvin, Mich., Thursday to go into the drug business for himself. Mr. Regan has made many friends in this town during his brief stay by his gentlemanly and good business behavior, who will regret his departure but wish him success in his new field of labor."

One cannot know what a man really is by the end of a fortnight.

Truths Tersely Told.

Foley's Kidney Cure is a safe, sure remedy for all kinds of Kidney and Bladder Diseases. Grant Holden.

The narrow-minded man sometimes makes the broadest assertions.

A Word to Physicians.

Do you know that many broad minded physicians are using Foley's Money and Tar Cough Syrup in their practice. They have found no remedy that gave as satisfactory results for all throat and lung complaints as this great cough medicine. Grant Holden.

There would be more harmony in families if brothers did not know each other so well.

A White Mark.

Foley's Kidney Cure is a perfectly reliable preparation for all Kidney and Bladder diseases. The proprietors of this Great Medicine guarantee the money refunded. Do they not deserve a white mark? Grant Holden.

Mr. John Beys, editor of the Press, Anthon, Iowa, says: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family for fifteen years, have recommended it to hundreds of others, and have never known it to fail in a single instance. For sale by Will Lennon."

Mr. P. Ketcham of Pike City, Cal., says: "During my brother's late sickness from sciatic rheumatism, Chamberlain's Pain Balm was the only remedy that gave him any relief." Many others have testified to the prompt relief from pain which this liniment affords. For sale by Will Lennon.

I was seriously afflicted with a cough for several years, and last fall had a more severe cough than ever before. I have used many remedies without receiving much relief, and being recommended to try a bottle of Chamberlain's Cough Remedy, by a friend, who, knowing me to be a poor widow, gave it to me, I tried it, and with the most gratifying results. The first bottle relieved me very much and the second bottle has absolutely cured me. I have not had as good health for twenty years. I give this certificate without solicitation, simply in appreciation of the gratitude felt for the cure effected. Respectfully, Mrs. Mary A. Beard, Claremore, Ark. For sale by Will Lennon.

BALLENTINE'S

DOUBLE STORE.

Business is Brisk!

Why does this store uniformly ask less prices for choice goods? Because we get more business that way—make more store friends—more people save—and we make just as much as if a less number paid higher prices. We could easily advertise to sell a child's suit for fifty cents, and we could buy one to sell you for that price—but you wouldn't buy it. There's the catch to so many cheap sounding suits. Any store can buy a shoddy suit and advertise to sell it for almost nothing without a profit. That's called advertising by some stores. Those suits are not advertised for the purpose of selling those suits; they're advertised to get you in to look at them and sell you another suit at a profit. We want to sell all the goods we've got, and we want to make a little profit on every sale. We don't want to sell anything at a loss and make it up on something else, for we'd get too greedy and never know when we had "made it up." We are doing a legitimate business and would be pleased to have you call and see us.
