We clip an article from the Vassar Times in relation to the death of Clarence Mortimer Mulholland, which will be of interest to our readers, as he was the husband of Miss Ada Duffie, a former resident of Yale, and well known here. Her numerous friends here will learn with regret of the demise of her husband after so short a term of married life. Our sympathies are extended.

The Misses Bertha and Marcia Beecher gave a large tea-party Tuesday in honor of their cousin Miss Munn. Twenty-two young ladies were present and, as we heard a lad remark, who saw them, "they're all in their wedding dresses." He of course meant that they all looked pretty enough to have had their wedding dresses on. A delightful evening was passed. Miss Munn left for her home in New York on Wednesday after spending a pleasant month in Yale.

Charles Montney received a letter last week from his grandson Menzo, who left Yale some time ago and enlisted in the 19th U. S. Infantry and went to Tampa, Fla. Menzo stated in his letter that on account of being too light weight he and 49 others were discharged. Never giving up in despair he went to Richmond, Va., and re-enlisted in the 3d Virginia and was at Newport News waiting to take a transport for Porto Rico. Menzo although a young lad, is very determined.

The 6-year-old daughter of William Martin who resides near Brockway was run over by a water tank last Saturday afternoon and died shortly after. The threshers had just finished work at John Lambkin's and were moving the machines, the water tank being attached to the rear of the separator. A number of little girls were jumping onto the tongue of the wagon which carried the water tank and were unnoticed. Mr. Martin's little daughter accidentally fell off and was run over. The neighbors and friends sympathize with the parents in their sad bereavement.

Terrific Storm.

A terrific thunder storm passed over this village at about 3 o'clock Tuesday morning. For three-quarters of an hour there were continuous flashes of lightning and the thunder seemed to jar the whole village, awakening the inhabitants and terrifying a great many. Considerable damage is reported in the surrounding country. The spire of the new Catholic church at Emmet, one of the finest edifices in this county, was struck by lightning and damaged. The spire is 150 feet high and the damage cannot be ascertained until staging is built up one side. The slating is off from the top down forty feet and the brick work loosened up considerably. The church was built only two years ago. Two miles and a half west lightning struck a large barn owned by Wm. Donnelly and burned it. Richard Shutt, of Mussey township, lost 1,500 bushels of grain.

All Going to the Circus.

Everybody is talking about Ringling Bros.' famous big circus, which is to exhibit in Port Huron, Tuesday August 23. Several big excursions will go from this vicinity and the popularity of the show will insure an enormous crowd. People from this locality should make an especial effort to arrive in time to see the new free street carnival which precedes the exhibition every morning at 10 o'clock. The leading newspapers everywhere declare the street parade to be the most magnificent display ever seen in any city in the world. In this gorgeous display are shown over 100 beautiful dens and cages of wild animals, 400 horses, 25 elephants, and nearly a thousand people, and the costumes throughout are of the finest silks, satins, velvet and cloth of gold. The performance that follows is the most magnificent athletic display ever presented by any circus in America.

Complete Healing.

We received a letter from our friend Chas. G. Foster who is now at Concord, Mich., in which he says:—

Concord, Mich., Aug. 10, 1898. J. A. Menzies. Dear Sir: Please change the Expositor again to Concord as I am here now. I had a complete healing in a week at Zion Home in Chicago, and feel as well as I ever did except that I am not strong. I can let anyone strike me in the chest now as hard as they like without it hurting me, where before I went there I could scarcely touch my lungs with my finger tips.

Respectfully yours, Chas. G. Foster.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four Doctors gave me up, saying that I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at Grant Holden's Drug Store. Regular size 50c and \$1.00. Guaranteed or price refunded.
