- Fruits.** Prunes, Raisins, Apricots, Apples, Currants. The best coming in dried fruits.
- Nuts.** Lots of all kinds. Nothing better or more wholesome for Christmas.
- Candies.** We will have as toothsome a line for your inspection as you could wish.

The Kidney Complexion.

The pale, sallow, sunken-cheeked, distressed-looking people you so often meet are afflicted with "Kidney Complexion."

Their kidneys are turning to a parsnip color. So is their complexion.

They may also have indigestion, or suffer from sleeplessness, rheumatism, neuralgia, brain trouble, nervous exhaustion and sometimes the heart acts badly.

The cause is weak, unhealthy kidneys. Usually the sufferer from kidney disease does not find out what the trouble is until it is almost too late, because the first symptoms are so like mild sickness that they do not think they need a medicine or a doctor until they find themselves sick in bed.

Dr. Kilmer's Swamp-Root will build up and strengthen their weak and diseased kidneys, purify their diseased, kidney-poisoned blood, clear their complexion and soon they will enjoy better health.

You can get the regular sizes at the drug store, at fifty cents and one dollar, or you may first prove for yourself the wonderful virtues of this great discovery, Swamp-Root, by sending your address to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle and a book that tells all about it, both sent to you absolutely free by mail. When writing kindly mention that you read this liberal offer in The Yale Expositor.
