DR. W. C. WALKER,

The Eminent Physician and Sur geon, of Detroit, Mich., Form-erly of New York, Will Make the following Regular Monthly Visits:

BAPLEY HOUSE, Tuesday, Mar. 28

BROWN CITY,

Harrington Wednesday, Mar. 29 Office Hours-9 a, m. to 6:30 p. m.

The Most Successful Methods in the Treatment of all Diseases and Deformities Known to the Latest Medical and Surgical Skill,

FREE TO ALL Dr. Walker will not Treat any unless there is a possibility of a Cure, and will so inform you.

Examination By Reflection

By the latest scientific researches both by improved instruments and methods, the Doctor is enabled to discover the true nature of the discase and locate the organ or parts affected and many diseases and complications which have heretofore proven most obstinate to the medical profession, yield like magic under his skill and systemle treatment. The Doctor is endowed with the wonderful gift of being able to diagnose without questioning, and will describe with the greatest accuracy your aches and pains wherever located, tells better how a person leels than they can tell it themselves.

There is no need to live in constant misery. It costs nothing to see him. The fullest examinations are free, and his prices for treatment are within the reach of all. He is a friend to the afflicted and will turn none away unaided. The merchant mingles with the artisan while seeking relief at his hands, and hundreds are cured every year.

READ WHAT THE PEOPLE SAY.

READ WHAT THE PEOPLE SAY.

I wish to speak a word in favor of Dr. W. C. Walker, of Detroit, the specialist who has been visiting Brown City regularly the past four months: I had been a great sufferer from catarrh of the stomach and other troubles for eleven years. After taking treatment from a number of other doctors, but without permanent-relief, I saw the advertisement of Dr. Walker in the Brown City Banner and was induced to try his treatment, and I will say that I have been entirely cured after three months treatment. I most cheerfully recommend the doctor to all who are similarly afficieted.

Signed, Mrs. Frank Marshall, Valley Centre, Mich., Dec. 7, 1898.

catarrh of the stomach of 15 years standing.

Mrs. A. G. Stanlake, a well known and respected lady who has lived in Pontae for the past 10 years, makes the following remarkable statement. She says: "For 12 long years I had been a constant sufferer, have been treated by several noted physicians, each one differing in opinion as to what alied me. I took their medicines faithfully but received no permanent benefit. I was completely discouraged and thought many times that I must die. In reading the Fontiac papers I saw that Dr. Walker, of Detreit, would be at the Hotel Hodges. I decided to call and see him. The doctor made a thorough examination and told me I could be cured, and I am most happy to say that such proved to be the case, for in one month's time under Dr. Walker's care I was completely cured and have been well ever since. I feel that I cannot thank the doctor enough for this remarkable restoration to health."

Signed, Mrs. A. G. Stanlake.

# **Is Baby** Too Thin?

If so, there must be some trouble with its food. Well babies are plump; only the sick are thin. Are you sure the food is all right? Children can't help but grow; they must grow if their food nourishes them. Perhaps a mistake was made in the past and as a result the digestion is weakened. If that is so, don't give the baby a lot of medicine; just use your every-day common sense and help nature a little, and the way to do it is to add half a teaspoon-

### Parsnip Complexion.

It does not require an expert to detect the sufferer from kidney trouble. The hollow cheeks, the sunken eyes, the dark

puffy circles under the eyes, the sallow parsnip-colored complexion indicates it.

A physician would ask if you had rheumatism, a dull pain or ache in the back or over the hips, stomach trouble, desire to urinate often, or a burning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine must be at once repeated, or if the urine has a brick dust deposit or strong odor.

When these symptoms are present, no time should be lost in removing the Delay may lead to gravel, catarrh of the bladder, inflammation, causing stop-

page, and sometimes repuiring the drawing of the urine with instruments, or may run into Bright's Disease, the most dangerous stage of kidney trouble.

Dr. Kilmer's Swamp-Root, the great discovery of the eminent kidney and bladder specialist, is a positive remedy for such diseases. Its reputation is world-wide and it is so easy to get at

any drug store that no one need suffer any length of time for want of it. However, if you prefer to first test its wonderful merits, mention The Yale Expositor and write to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle and book telling all about it, both sent absolutely free by mail.
