The Soldiers' monument at Romeo will be dedicated May 30th, by the Albert Nye post. The W. H. Dumphy post at Yale received a most cordial invitation to attend these ceremonies. Moore was taken severely and suddenly sick last Tuesday night, and the family physician was called in haste. At this writing she is considered some better, but is yet quite sick. Neuralgia of the stomach and surrounding visera is a prominent symptom, and the pain at times is so intense as to almost take life. The barns belonging to Henry Clark, who lives seven miles north-west from Yale, were destroyed by fire last Thursday afternoon. The loss is estimated at \$600, and there was no insurance. The old gentleman was cleaning peas at the time, and it is thought a little boy, who was playing in the sheds adjoining, innocently set the structure on fire. It is now announced that our old friend, James S. Kennebec, who has been at the County Infirmary undergoing medical treatment, is on a fair way to recovery. The veteran surveyor of St. Clair and Sanilac Counties will leave for Ireland, where he will spend his last days, as soon as he is well enough to make the trip. Bidleman resigned; road district No. 17 was divided into two districts, the new one being designated No. 7; Dr. W. G. Wight was appointed health officer of the township for the ensuing year; and Charley Emery was appointed constable in place of Charley Ferguson, who was elected but did not qualify. Straws tell where the current is tending. Judging from the new head, new dress of type, and new press which the Sanilac County Republican has been taking to itself; McKinley is sure to be elected. To fit all these new things the Republican has expanded itself to a 7 column quarto. We haven't the least idea that brother English would dig such a hole as this if he didn't think there was going to be a democratic funeral next fall, and a corpse to fit the hole. He does not anticipate that Hon. J. R. Whiting will be post-office Boss in the 7th district for some time yet. We never saw the Republican with better print, more and newer locals than its last week's market displayed. Keep on, George! Keep on! A notch or two more of expansion, and you will have a paper to fit the editor and his ideas. Then she began to use Electric Bitters which wholly cured her. It's a wonderful Stomach, Liver and Kidney remedy. Cures Dyspepsia, loss of appetite. Try it. Only 50 cents.
