

EX-GOVERNOR'S WRATH

Decends Upon the Heads of His Critics and the Courts.

MAKES SOME SEVERE CHARGES

Roasts Everything in Sight, Including the Press—Says 'Pardon Board is a Farce—Scores Prof. Tuttle—Claims to Have Spent \$10,000 a Year.

Ex-Gov. Pingree's exaugural message was delivered to both houses of the legislature at noon on the 3d. Following are a few extracts taken from the same with comments: "I do not claim to be perfect," said Mr. Pingree to them, "but I do claim to have the back-bone to speak out as to what I think is my duty and yours. There are questions before us which require conscientious study. I have studied them for the last four years regardless of what conspiracies there might be against me, political, judicial or any other, including the press. To be governor is a high honor but a very expensive luxury. I can truthfully say I have had to spend \$40,000 of my own hard-earned money. I never received a bribe from our best citizens and I have had to spend \$10,000 a year to keep pace with the times and do the work. It is up to you to see that an appropriation is made for the governor to pay his honest bills.

"The governor can't go out of town with his staff without paying their bills. Railroad travel is expensive at three cents a mile. I could have carried my family and my staff all over the United States if I consented to allow the railroads and other corporations to rob this state."

Pingree showed how other states pay their governors enough to meet expenses and commented bitterly on the criticisms of his buying a few postage stamps.

Taking up the question of pardons and paroles, he said there are twice as many men who should be released rotting in Michigan jails as he had released. The pardon board is the biggest farce of any state commission, he said. He then waded into his big message, and a number of senators got out their newspapers. The ex-governor stood it for a time but before long he stopped the reading and said deliberately: "The distinguished senators might have the courtesy to postpone the reading of their newspapers. There is a few things in this message they ought to listen to."

The governor said that if the young man on the bench in Ingham county thinks he, Pingree, is in contempt of his court alone he is mistaken for he holds in contempt dozens of courts in this state. He says they violate the laws themselves and call it justice. "I leave it to you," said he, whether these gentlemen should be allowed to sit on the bench or not. It is up to you now."

He suggest that changes be made in the law governing the term to be given a man convicted of murder in the second degree. In another extra he takes up the Ingham county trials and gives the people concerned a few raps. He apologizes to the people for not removing Prosecuting Attorney Tuttle, as he knows "he is a thief, and a deceiver and a briber." These are his exact words:

"I realize that it was my duty and that I had the authority to remove this man, but I did not do so because the state of my health was such that I could not explain to the people as I should the reason for my action, and I knew the prejudiced press would not do so." He then said that the Ingham county grand jury was a disgrace to the state; that grand juries are a relic of the dark ages and very few states allow them. Two members of the jury, he states, offered to report everything that was said before the morning session of court for \$1,000. He got it through a detective for \$400. Honest men would be shocked and disgusted if they knew all the details of the "conspiracy," he adds.

As to the contempt case, Pingree quotes an alleged statement by Wiest's predecessor to the effect that "the governor was an old bald-headed ———." The contempt proceedings were started, he argues, because they were afraid he was not yet politically dead. Pingree then accounted for his not staying all the time in Lansing by telling an amusing story of the accommodations in the two leading hotels.

TRANSVAAL WAR ITEMS.

Lord Roberts on the 3d received a right Royal welcome on his return to London, Eng., after a year's absence in South Africa. The crowds were not so dense nor so demonstrative as during the recent war celebrations, but people paid from 3 to 10 guineas for seats on Piccadilly and St. James street balconies. Stately mansions were crowded with notable personages, but there prevailed on all sides a feeling that the progress of the campaign did not warrant triumphal ovations, though this in no respect detracted from the affection with which the little field marshal was greeted. It was as a man, rather than as a general, that London welcomed "Bobs."

The military authorities at Cape Town are preparing for all contingencies. It has been decided to transfer Boer prisoners from the camps to transports. Farmers coming in to Carnarvon describe the Boers as traveling in parallel columns, with numerous flanking parties sweeping the country of horses, plundering loyalists and carrying off everything eatable. It appears that they are accompanied by strings of pack horses lightly loaded.

The Cape Town correspondent who confirms the reports of the multiplicity of the Boer commandos, says: "Nearly five-sixths of the British forces are employed to guard the lines of communications and to garrison towns, leaving a very small number, partly unmounted, to pursue the enemy. Large reinforcements are advisable, and these would be cheaper in the end."

It is asserted by one Cape Town correspondent that, unless the forces in Cape Colony are increased, a most undesirable state of affairs may result, as the success in arms of the invaders however slight, might be the signal for a Dutch rising. As it is, many British residents have had to leave the Dutch village near Cape Town, their lives being unbearable.

Advice from Masera, Basutoiland, dated the 4th, says that three separate columns are still pursuing Gen Dewet, but with no success beyond taking 28 prisoners. Cannon firing is continually heard. All the English have deserted Ficksburg, taking their stocks of grain across the border, and the Boers have looted the town.

The colonial office at London is in receipt of news of a native rising in the Gambia river region of West Africa. The dispatch conveying this information adds that a punitive expedition is being organized.

A dispatch from The Hague, dated the 2d, says that Mr. Kruger is suffering from a slight attack of bronchitis. While there is no anxiety as to his condition, he is obliged to keep to his bed.

A special meeting of the cabinet was held at Cape Town on the 1st, at which it is understood a decision was reached to make a further extension of martial law.

A dispatch from Cape Town, dated the 1st, says the Boers are looting every farm along the route for supplies.

The damage which the Boers did to the Kleinfontein mine is officially estimated at \$210,000.

19 Were Killed.

Fire broke out in the hospital section of the Rochester, N. Y., Orphan asylum, at 1 o'clock on the morning of the 8th, and the flames spread rapidly to other sections of the institution. It is known that 19 of the inmates perished and it is feared that many more victims may be reported later. The fire was first discovered by two men passing the asylum. They hastily sent in an alarm and then turned their attention toward arousing the nurses and the children. A terrific explosion was then heard and in a moment the entire hospital section was in flames. On the arrival of the fire apparatus a general alarm was sent in, calling out the entire department. The smoke began to pour out of every window in the main building, and the screams and frantic cries of the children could be heard. Children and nurses were carried from the building, all in an unconscious condition, some dead. Ambulances were summoned, and the victims were removed to the several hospitals. There were 109 children at the hospital and a corps of about 30 nurses and attendants. Two of the women attendants are among the dead. The origin of the fire is not known at this time. The property loss will probably exceed \$20,000.

CHINA WAR NEWS.

The foreign office is advised from Shanghai, under date of January 3, that advices from Sian-Fu confirm the reports of the execution of Yu-Hsien (the former governor of Shan-Si, guilty of massacring about 50 missionaries whom he had invited to accept his protection), December 19 by order of the dowager empress. Prince Tuan is still at Ninghai. There are 30,000 Chinese regulars at Sian Fu. The court has made no preparations to return.

Li Hung Chang has suffered a relapse and because of the serious effects of this and his great age it is feared that he will be unable to act as plenipotentiary in arranging a settlement of the troubles in China and that the difficulty and delay in securing a successor may cause the postponement for a time of negotiations.

A dispatch received from Tien Tsin says field Marshal Count Von Waldersee has notified his staff to cease hostilities, but that some of the commanders have not been informed of these instructions. It is explained that they are in the field after Boxers.

Former United States Senator Jas. Ware Bradbury died at his home in Augusta, Me., on the 6th, of bronchitis. He was born in Maine June 10, 1802. He graduated from Bowdoin College in 1825, in the celebrated class in which were Henry W. Longfellow, Nathaniel Hawthorne, and Jonathan Cilley.

Part of Young Pianists.

German physicians are considering the best modes of treating a disease which they have found to affect many young pianists in that music loving country. At the recent medical congress in Berlin considerable attention was devoted to this subject by the assembled scientists. Many of them declared that the disease is one of the brain and analogous to that which afflicts copyists, who write much, and violinists, who use their fingers a great deal. One distinguished surgeon declared that he had several times discovered an excessive inflammation of the nerves of the arms, which was the direct result of too much piano playing. He also said that young girls who attend conservatories of music are liable to suffer from a special weakness because their hands are not large enough for the exercises which they are required to practice, and that for this reason it might be advisable to construct pianos somewhat smaller than the ordinary ones specially adapted for the use of young girls who are required to practice a good deal.

A VETERAN SPEAKS.

The Honorable Moses B. Crane of Tacoma, Wash., Tells How Old Soldiers May Help Themselves.

Tacoma, Wash., Jan. 5, 1901.—(Special.)—"I used to have Heart Disease, but thanks to Dodd's Kidney Pills I now have Heart's Ease. "Five years ago I was a continual sufferer of Heart Disease. Exposure during the war, and a tendency to grow over fleshy, had greatly aggravated this dread disease. I often had to sit up half the night. I had it so bad when I would lie down. Life looked pretty blue to me, as I thought there was no relief, until one day I read an advertisement of Dodd's Kidney Pills. I bought a box that same day, and it was the best day's work I ever did. Before I had used all the first box I could eat and sleep better than I had done for many years, and after three months' faithful treatment, my health was completely restored. I am an old man now, but my step is as elastic and my brain as clear as when I was thirty years of age."

These are the words of the Hon. Moses B. Crane, secretary of Odin Lodge, No. 123, I. O. O. F. of this city. The Hon. Mr. Crane is also Senior Vice-Commander of G. A. R. Post No. 5, Tacoma.

Those who know Mr. Crane have the fullest confidence in his honesty and truthfulness, and know that he would not give this unsolicited testimonial unless he had actually experienced the relief which he indicates in his letter. Dodd's Kidney Pills are having a wonderful sale among Mr. Crane's friends—and their name is legion—in this part of the country. There does not seem to be a single case of Heart Disease, Kidney or Bladder Weakness, or Rheumatism, that Dodd's Kidney Pills do not permanently cure.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Insomnia Wrecks the Nerves.

Dr. Greene's NERVURA Makes Health.

INSOMNIA is a forerunner of nervous prostration; what an organism is strong enough to stand up under the strain of sleepless nights? It is plain that nothing in the world can possibly take the place of restful sleep, yet many try to eke out an existence without this sustaining power. Their nerves are in such a state of tension that sleep is an impossibility, or at best is a series of hideous dreams. It is not strange that physical and mental weakness, amounting soon to complete prostration, follows inability to sleep. There's no let-up to the strain. Vital forces are drawn upon, confirmed invalidism results.

The recuperative power of natural sleep is wonderful. Complete physical and mental exhaustion gives place, after a few hours of quiet slumber, to a full renewal of energy. The fatigue of body and mind disappears entirely while the muscles are strong and the nerves absolutely calm.

Sleep is the indication given by Nature as a guide to human plans to restore health. It shows that there are inherent in the wonderful human organism powers of recuperation which must have opportunity to assert themselves. Based on this clear demonstration, Dr. Greene's Nervura blood and nerve remedy was constructed by Dr. Greene to help Nature combat the ills that attack men and women.

What no amount of powerful drugs could possibly accomplish, can be successfully and promptly effected by healthy blood and nerves, the kind of blood which flows in strengthening flood to every portion of the body, the condition of nerves which permits awakened Nature to seize its opportunity to restore to perfect health.

Mrs. FLORENCE TAYLOR, of 4 Courland Place, Bridgeport, Conn., writes:

"For four years I was troubled with nervous debility and hysteria in a most aggravated form. It caused sleeplessness and mental depression, and for months I was confined to my bed. My constitution wasted and I totally lost my appetite. I had many doctors, but they failed to give me any relief. I was advised to try Dr. Greene's Nervura blood and nerve remedy. I was in a terrible condition when I began its use, and almost immediately there was a wonderful change come over me. I regained my appetite, the dizziness in my head departed; I renewed my interest in life and made me feel, in fact, like another person. After taking six bottles I thankfully proclaimed myself strong and well. These six bottles did for me what hundreds of dollars and numerous physicians failed to do."
