

# CAUGHT BY THE GRIP.

Released by Pe-ru-na---Congressman  
Howard's Recovery---Congressman  
Geo. H. White's Case

La Grippe is epidemic catarrh. It spares no class or nationality. The cultured and the ignorant, the aristocrat and the pauper. The masses and the classes are alike subject to la grippe. None are exempt—all are liable.

Have you the grip? Or, rather, has the grip got you? Grip is well named. The original French term, la grippe, has been shortened by the busy American to read "grip." Without intending to do so a new word has been coined that exactly describes the case. As if some hideous giant with awful Gnar had clutched us in its fatal clasp. Men, women, children, whole towns and cities are caught in the baneful grip of a terrible monster.

**Pe-ru-na For Grip.**  
Mrs. Dr. C. D. Powell, President of Epworth League, also President of Loyal Temperance Legion, writes from Chehalis, Wash.:  
"I have used several remedies in cases of severe colds and la grippe, but none I consider of more value than Pe-ru-na."—Mrs. Dr. C. D. Powell.

**After-Effects of La Grippe.**  
Miss Emma Jouris, President Golden Rod Sewing Circle, writes from 40 Burling street, Chicago, Ill., as follows:  
"This spring I suffered severely from the after-effects of la grippe. As the doctors did not seem to help me I bought a bottle of Pe-ru-na."—Miss Emma Jouris.

**Congressman Howard's Letter.**

Gentlemen—"I have taken Pe-ru-na now for two weeks and find I am very much relieved. I feel that my cure will be permanent. I have also taken it for la grippe and I take pleasure in recommending Pe-ru-na as an excellent remedy to all fellow sufferers."—M. W. Howard, Member of Congress.

**La Grippe Leaves the System in a Deplorable Condition.**  
D. L. Wallace, a charter member of the International Barbers' Union, writes from 15 Western avenue, Minneapolis, Minn.:  
"Following a severe attack of la grippe I seemed to be affected badly all over."

"One of my customers who was greatly helped by Pe-ru-na advised me to try it, and I procured a bottle the same day. Now my head is clear, my nerves are steady, I enjoy food, and rest well. Pe-ru-na has been worth a dollar a dose to me."—L. D. Wallace.

**Grippe Causes Deafness.**  
Mrs. M. A. Sharick, chaplain G. A. R. Woman's Relief Corps, writes from Fremont, Wash.:  
"When la grippe was the prevailing illness in this Western country I was laid up the whole winter, I partially lost my hearing, and had a very bad case of catarrh of the head and throat. I read of Pe-ru-na, tried it and had my hearing restored and catarrh cured. I cannot speak too well of Pe-ru-na."—Mrs. M. A. Sharick.

**La Grippe Cured in Its First Stage.**  
Lieutenant Clarice Hunt, of the Salt Lake City Barracks of the Salvation Army, writes from Ogden, Utah:  
Two months ago I was suffering with so severe a cold that I could hardly speak.

"My captain advised me to try Pe-ru-na, and procured a bottle for me, and truly it worked wonders. Within two weeks I was entirely well."—Clarice Hunt.

**Congressman White's Letter.**  
Tarboro, N. C.  
Gentlemen—"I am more than satisfied with Pe-ru-na and find it to be an excellent remedy for the grip and catarrh. I have used it in my family and they all join me in recommending it as an excellent remedy."—Geo. H. White, Member of Congress.

**Remained in Feeble Health After Cured of La Grippe.**  
Mrs. T. W. Collins, Treasurer Independent Order of Good Templars, of Everett, Wash., writes:  
"After having a severe attack of la grippe I continued in a feeble condition even after the doctor called me cured. My blood seemed poisoned. Pe-ru-na cured me."—Mrs. T. W. Collins.

J. Kerr, who pleaded non vult, contended to a charge of criminal assault, were brought into the court of oyer and terminer at Paterson, N. J., on the 29th for sentence by Judge Dixon. McAllister, Campbell and Death were each sentenced to 30 years' imprisonment at hard labor and Kerr to 15 years' imprisonment at hard labor. On the 4th Thomas G. Barker shot and seriously wounded Rev. John Keller, secretary to Rt. Rev. Bishop Starkey, pastor of Trinity Episcopal mission, in Arlington, N. J., and chaplain of the First New Jersey regiment. The shooting was the result of an assault committed by Keller upon Mr. Barker's wife. The assault, it is alleged, was committed after a hard struggle, during which Mrs. Barker became unconscious. The Barkers and the minister were very friendly and had continued apparently friendly for some time after the assault, but when Barker heard his wife's story he waited until morning and then lay in wait for the minister and shot him.

## THE NERVES OF WOMEN

"I am so nervous and wretched." "I feel as if I should fly." How familiar these expressions are! Little things annoy you and make you irritable. You can't sleep, you are unfit for ordinary duties, and are subject to dizziness.

That bearing down sensation helps to make you feel miserable.

You have backache and pains low down in the side, pain in top of head, later on at the base of the brain.

Such a condition points unerringly to serious uterine trouble.

If you had written to Mrs. Pinkham when you first experienced impaired vitality, you would have been spared these hours of awful suffering.

Happiness will be gone out of your life forever, my sister, unless you act promptly. Procure Lydia E. Pinkham's Vegetable Compound at once. It is absolutely sure to help you. Then write to Mrs. Pinkham, at Lynn, Mass., if there is anything about your case you do not understand.

I was not able to do anything. Had sharp pains all through my body. Before I had taken half a bottle of your medicine, I found myself improving. I continued its use until I had taken four bottles, and felt so well that I did not need to take any more. I am like a new person, and your medicine shall always have my praise."—Mrs. W. P. VALENTINE, 266 Ferry Avenue, Camden, N. J.
