Important Facts For Prospective Piano Purchasers.

We have the largest stock of Pianos of any House in Michigan. We have been appointed exclusive state representatives of many leading pianos, including the world-famous STEINWAY—the King of all Pianos.

We buy and sell more Pianos than all other dealers in this state put together. This is reasonable when one considers that we have ten (10) completely equipped stores at different points.

Our enormous buying enables us to BUY RIGHT, our equally large selling reduces the expense of doing business to a very small amount on each instrument. OUR CUSTOMERS GET THE BENEFIT.

We manufacture Pianos (the GRINNELL BROS.) at our own factory in Detroit. Consequently we know what a good Piano is; what each part costs; and what the finished instrument costs, AND WHAT IT SHOULD SELL FOR.

This knowledge enables us to say, without fear of contradiction,

YOU WILL SAVE \$50 OR MORE IF YOU BUY A PIANO OF US.

If you are thinking of buying COME AND SEE US! We do not expect your patronage unless we can prove all our claims to your entire satisfaction. Will you give us the opportunity?

Easy Payments.

By calling or corresponding with us your wants will be promptly attended to.

CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those who use German Syrup. Trial bottles, 25c; regular size, 75c. Grant Holden.

He Could Hardly Get Up.

P. H. Duffy, of Ashley, Ill., writes, "This is to certify that I have taken two bottles of Foley's Kidney Cure and it has helped me more than any other medicine. I tried many advertised remedies, but none of them gave me any relief. My druggist recommended Foley's Kidney Cure and it has cured me. Before commencing its use I was in such shape that I could hardly get up when once down." For sale by all druggists of Yale.
