Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers; they filter out the waste or impurities in the blood.

If they are strained or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or uneasy heart beats, and makes one feel as though they had heart trouble because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistakes by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cure of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble.

Mention this paper when writing Dr. Kilmer & Co., Birmingham, N. Y.

Don't make any mistake, but remember the name, Dr. Kilmer's Swamp Root, and the address, Birmingham, N. Y., on every bottle.

Dynamite Kills Three Men.

By an explosion of dynamite in a burning store in the village of Sharon three men were killed and a fourth so severely injured that he may die. The dead are: Roy Dimes, blacksmith; August Wanglan, sealer; Wm. Sharp, night watchman. The injured: Geo. McClellan.

The dead men were horribly mangled, pieces of their flesh and bones being scattered several rods away.

The accident happened through a fire which caught in the general store owned by George Johnson from an overheated stove in which a fire had been banked when the store was closed for the night.

The blaze spread quickly, and as the village has no fire protection little could be done. In the excitement of the moment, everyone forgot that a quantity of dynamite was kept in the store. The building was blown to pieces.

Johnson's loss is about \$2,000. It was through his trade with the lumber camps that he dealt in dynamite.

SIGNS OF GOOD TIMES AT SOON.

It solver's Agent J. S. Farkenthall started the sawmill of the Consolidated Lake Superior Co. with 125 men at work. The veneer mill is to start with 60 men as soon as men can be secured. The charcoal plant will also start in a few days, and a big game of men is to be sent to the woods to get out raw material. This will insure employment for 800 men besides those in the woods and will make business in the Canadian Soo good.

It is also understood that as soon as the reorganization is effected the sawmill and iron works are to start with material shipped in from outside. These give work to 1,000 more men. As a result the business outlook for the Canadian Soo has brightened greatly in the last few hours.

WEAKER MAY Squall.

It is now stated that as a result of the work of verifying the charges made by Lant K. Salisbury against his former associates but 26 of them will be arrested out of the 33 implicated by the former city attorney. Among those slated for warrants are nine aldermen, two members of the board of works, two lawyers, two newspaper men, a number of officials and ex-officials and private citizens. Some of those now under a cloud posed as models of purity during the other trials and roundly denounced the whole business at every opportunity. It is expected that a number of the weaker ones who are to be arrested will turn state's evidence and thus strengthen the case for the prosecution.

MICHIGAN Pensioners.

Michigan pensioners were granted Wednesday as follows: Frank Mellville, \$10; Mason Norton, \$10; John Nobles, \$14; Ezra Johnson, \$12; William Shorter, \$8; Eli Smith, \$8; James Granger, \$17; Samuel Sigman, \$8; Geo. S. Woodward, \$12; Jacob Jarschinsky, \$12; Thomas A. Willett, \$24; John A. White, \$10; William A. Mansfield, \$12; Norton P. Kellogg, \$24; Orlando Schoville, \$10; Charles L. Johnson, \$10; Oscar H. Dean, \$17; Barton A. Carter, \$17; Jas. Laird, \$10; Sarah Remington, \$8; Kate Kinsey, \$8; Elsie K. Harbert, \$8; Adella C. Kinney, \$8.

SUPREME COURT Opinions.

The following cases were submitted: Derry vs. Great Hive Ladies of the Modern Macabees (129); Barker vs. Great Hive Ladies of the Modern Macabees (130); Comstock vs. McDonald (131); Johnson vs. Detroit & Mackinaw Railway Co. (132); Bates vs. Estate of Boyce (133); McNaughton vs. Smith (134); Gregg vs. First National Bank of Durand (135).

When ex-Ald. Shriver appeared in court, it was to plead guilty to the charge except as to the minor detail of the amount received. He got \$32 out of the docket, in two installments, the first of \$200 and \$125 later.

Aside from the two aldermen who weakened immediately, the other accused maintained a stiff upper lip, demand examinations and declare they will establish their innocence on trial.

THE PAW PAW Grand Jury.

Excitements runs high in South Haven over the return of 19 indictments by the grand jury at Paw Paw against so-called druggists of South Haven for violation of the local option law.

South Haven citizens were hardly over congratulating themselves over being left off from visiting the grand jury, when Sheriff Britton and Deputy Chappell swooped down with a bunch of warrants.

Several who heard that indictments were issued against them made hurried trips to other states and cannot be found. Indictments for violation of local option were issued against J. L. Condon, Myron Wakeham, Pat Goodrowe, James McFieffe, Charles Converse and Clair Edgell, Wakeham, Converse and McFieffe were arrested today by sheriff Britton and Deputy Chappell. Converse and Wakeham are out on bail and McFieffe is in jail at Paw Paw.

TWO KILLED. FIVE INJURED.

Through the explosion of a boiler at the carbon coal mine in the township of Albion, Saginaw county, Saturday, two men were killed and five injured, as follows: The dead: August Martina, August Mosher, Bay City. The injured: Irwin Kline, section foreman; Henry Lester, section hand; critically; William Tryon, miner, head cut; August Knochenberg, farmer, eyes; Nicholas J. Canley, engineer, head and ribs.

Engineer Canley says the accident was due to a weak boiler, there being only 88 pounds of steam on at the time, and he could say no more than that the explosion occurred about 3 o'clock, blowing him over, wrecking the building and machinery and killing the man who stood beside him. His own escape from death he cannot account for.

STEAMER MISSING.

Nothing can be learned concerning the steamer Erin, which is known to have been disabled on Lake Superior during the recent gale. The steamer Dunbarton, which she had in tow, has reached Batchewana in safety, but the crew of the Erin are on board.

A one railroad in Michigan which has no record of a head-on collision, operates in Antrim county and has but one engine.

Twenty-five deer that were killed before the open season have been seized and placed in a cold storage warehouse at Mackinaw.

Sheriff Addison of St. Joe urges the court to give one of his prisoners a speedy trial because he constantly sings "Under the Bamboo Tree."

A 16-year-old Albion lad was thrown out of a stock rack by a frightened team. He sustained three broken ribs and possibly fatal internal injuries.

Says the Grand Rapids Herald: "Our Oliver man is so strong that when his trousers get bunched knees, his wife cuts off the legs and sews them on with the bogginess behind for another season."
