L. ROY FULLER,

Who Is Your Druggist

Have you a regular druggist? If not, why not? A regular druggist can often be of great service to you, because he has knowledge of many things which you cannot well know about and there are apt to be times when the information and aid he can give you will be extremely valuable. We would like to be your druggist. We take an interest in our customers and endeavor to promote their interest in every way. Those customers who have traded with us longest, realize, we think, that ours is a store that gives unusual service in many respects. Each special feature of stock or service is something that will be to your advantage. Will you not remember us and give us a trial when next you want drugs?

YALE 6; PHARMICS 3.

The Best Game of the Season Was Played Here Last Wednesday.

The Brown City team came down on Friday last for a game with our boys, but owing to the rain it had to be postponed. We hope to see these teams meet soon as they are very evenly matched and will no doubt put up a close game.

On Wednesday last Warner's Pharmics, of Marlette, arrived in Yale minus their championship expectations, which they left at Harbor Beach. A good sized, noisy crowd attended the game and enjoyed the best exhibition of ball playing that has been pulled off in Yale this year. There were nearly as many present from Marlette, Brown City and Peck as there were from Yale and they all did their best to rattle our little Eddie, but, like the coon dog, they "barked up the wrong tree." Jones got up too early that morning. The visitors carried three twirlers with them and used their two best ones in this game—Gleason and Benoit. McLaughlin was all right until he went up against a good team and then he took a tumble and let the other fellows get 17 hits off him. He wasn't considered safe in the box after that.

Our whole team from catcher to left fielder played good ball and won by hard work. They played together better than at any time this year and but few errors were chalked up against them. They also got ten hits off Benoit, while Jones only allowed the visitors two hits. Ten Marlette players died at the plate and only four of our stick artists went under.

Wm. Trask, of Marlette, umpired and not once during the entire game was there a kick on his decisions. He was honest and impartial and the game passed off in a very friendly manner. Following is the "Dramatis Personae" of Warner's Drug Store line-up: Mellin's Baby Food.....McLaughlin Kow Kure.....James DeWitt's Little Early Risers.....Lester Anti-Toxine.....Forbes Swamp Root.....Davis Scott's Emulsion.....Benoit Nervine.....Bone Pe-ru-na.....Merrill Castoria.....Gleason

All they need to become good players is a 25c bottle of "Elixir of Life." Here is the way the total column looked at the close of the game:—

Innings.....1 2 3 4 5 6 7 8 9
Pharmics.....0 0 0 1 0 1 1 0—3
Yale.....0 0 2 1 0 0 3 *—6

NOTES.

Doc Campbell never opened his face after the eighth.

"Willie" took his time all right and that's where he made his mistake.

Brown City got bumped yesterday by the Caro team to the tune of 4 to 0.

The Capac game still hangs fire, but it will probably be pulled off in a week or two.

It only took eight seconds to even up Witt's \$100 bluff but Waiter got out of it with his money.

The games would be ever so much nicer if "Dusty" would only keep quiet. He talks too much.

The Marlette's came here very confident of winning, but they had built paper castles in the air.

Cam Baxter tunked the ball for a home run and Jones, Gough and Ernie Baxter are credited with two base hits.

On Aug 5th Yale plays Marlette at that place. Deckerville plays here on the 8th and the Nebraska Indians on the 11th.

Jones has certainly made a record for himself and covered himself with several kinds of glory. Out of ten games pitched this year he has only lost one and that was stolen by the umpire.

McLaughlin tried his old dirty trick on Jones and nearly succeeded in putting him out of business. But he didn't buck up against Lothian—he had met him before. Mac's buck is something he tries at every game and such rot is dispised by all good ball players.

NEBRASKA INDIANS VS. YALE

This Fast Team of Ball Players Will Be Here August 11.

Within the last two years one or two fraudulent imitations of the Nebraska Indians have sprung up, one of them even going so far as to imitate the Nebraska Indian stationery and hold themselves out as the original Indian team. Our people may rest assured that they see the original team here which was organized and is still owned and managed by Guy W. Green. They will play the Yale team at Riverside Park on Thursday, Aug. 11.

The team contains Semipoles, Shawnee, Chippewa, Sioux, Oneidas and Winnebagoes. These men have been gathered up from all over the United States, wherever there were Indian reservations. They are not only interesting, because they represent a race that is dying out, but they play an astonishing good game of ball. The team is as follows: Burt Hart, of Indian Territory; Ba-bar-ma-in-we-ding, a Chippewa catcher from Minnesota; Henry Weston, a full blooded Sioux from Santee Agency; Albert Nihuan, Oneida pitcher from Wisconsin; Good Voiced Elk, a Sioux pitcher from Santee Agency; Henry Moore, a Santee 1st baseman from Pine Ridge; Roney Dupois, a Sioux second baseman from Santee; Spotted Crowe, a full blooded short stop from Pine Ridge; Iron Eyes, a full blooded Winnebago, left fielder; Chicotte, son of Lhankug the Earth, full blooded Pine Ridge Sioux; Charging Eagle, full blooded Santee Sioux, right fielder; White Eyes, full blood Dakota, nephew to American Horse Chief. This aggregation of red men is worth seeing and our people should take advantage of the opportunity.

New Rural Routes.

Brown City's fifth rural free delivery mail route will start August 1, with Herbert Clemence as carrier. The route is to start south from the post-office here and will bear to the south and east. This will give Brown City five rural free delivery routes and the farmers will be as well served as any section of the state.

Melvin is to have route No. 3 with M. B. Groat as carrier to begin Aug. 1, and Peck is to have a free delivery route start, known as route No. 1, with John Hamilton as carrier. It will begin August 1.

Arrested For Arson

After a lapse of three years since the burning of Jack Ward's house in Kenocoke, circumstances now seem to point strongly to the fact that the building was set on fire by Fred Stofer. The young man—only 21 years old—was placed under arrest by Under Sheriff Jas. Davidson.

It is alleged that on May 30, 1901, Stofer and a number of other young fellows became intoxicated and did some damage in the Ward house, which was then vacant. It is assumed by the officers that to cover up this damage which would undoubtedly be laid at their door Stofer set the place on fire.

When arraigned in the police court he pleaded not guilty. His bail is fixed at \$300 and he will have an examination next Tuesday.

Blind Boys Coming

On Wednesday evening next the Blind Boys' Concert Company, of the Lansing School for the Blind will give an entertainment in Central Hall. The program consists of quartette, orchestra and solo work both vocal and instrumental. Manager Smith of the Vassar Opera House, where this company appeared July 17, says, "I can send you recommendations from a number of Vassar's best people who heard them. It is worthy the patronage of your best people." See bills for particulars and remember the date, Wednesday evening, Aug. 3.
