W. H. Learmont, cashier of the Yale State Bank has been confined to his home the past week by sickness.

The address label on your Expositor is a statement of when your paper is paid to. See that it reads "August 4."

Nearly all Yale was at Lakeport Sunday. The band was there and furnished music to enliven the gentle breezes that came from Lake Huron. The day was spent in bathing and watching the large boats pass up and down the lake.

A Grange basket picnic and rally will be held in James Massie's grove, five miles north of Capac, on Wednesday, Aug. 10. The Capac band will be in attendance to furnish music during the day. In the evening a dance will be held in the Lynn Grange hall. Bill 50c. Bring your baskets along and have a good time. Everyone invited.

Some of our subscribers have said to us that they did not know when their papers expire. To all these we will say, look on the label which gives the month and year. For instance, if it reads "August 4" that shows you are paid up to August 1904. If yours does not read that way please call at The Expositor office and fix it so that it will.

Sufferers from headache, drowsiness, lack of energy, biliousness, bowel and stomach disorders, get prompt relief by using Greene's Little Laxative Beans. Thirty doses for a quarter—enough to cure five people. Mathews & Wight.

On Friday evening last Mrs. Wm. Joss entertained a number of friends in honor of Mate Grinnell, of Midland; Miss Hill, of Flint; Mr. Melrose, of Baden, Ont., and John Joss, of Glasgow, Scotland. The rooms were beautifully decorated in pink and white. Games were played and before dispersing a dainty lunch was served by the hostess. A pleasant time was enjoyed by all present.

The general meeting of the Larger Hope people will convene with the Church of Christ (Brick Chapel) Friday, Saturday and Sunday this week. Opening service Friday 3 p. m. Elders H. Vesey, of Toledo, Ohio; C. I. Clapp, of Battle Creek, Mich.; Ermina Straz, of Noble, Ohio, and J. H. Paton, of Almont, are expected to be present and will give addresses. A cordial welcome to all. B. One season—(1901) the Nebraska Indian Base Ball Team made its appearance in Canada. The savages entered Ontario at the extreme eastern end and played clear through the province coming out at Detroit. The Indians surprised the Canadians and won every game played on British soil. The papers were enthusiastic in their praise of the Nebraska boys. The Nebraska Indians will play the Yale team at Riverside Park on Thursday, Aug. 11.

The Sunshine festival given at the home of J. A. McClure was a marked success. Mrs. Helen M. Swan, editor of the Sunshine department in the Yale Expositor, and Mollie Swan, president of the local branch, were there and many thanks are extended them and all others who assisted in making the affair full of sunshine. All interested in Sunshine work are requested to be present at the meeting to be held at the same place on Sunday afternoon, August 7.—Sanilac Jeffersonian, Crosswell.

There is a newspaper in the Thumb of Michigan that carries at its head this line: "A newspaper writes thought or two." During the days before the Republican Convention this same paper had the thought that primary reform was going to sweep Michigan and loudly voiced the cry that it was good thing and that we must have it. Now another thought is working the mind of its editor and nothing is heard of primary reform, in fact the paper rather opposes the idea. Good thing that have a variety of thoughts so when the order comes to lie down, it is down.—Mariette Leader.

Did you notice that roast the Expositor got in last week's Capac "Noose"? It is evident that the "Noose" pen pusher is a comparative stranger in that neck-o'-the-woods or else he don't care to look back on the base ball history of the town. It is not necessary to go back farther than the game with Brown City at which time the little mascot of the visiting team was nearly mobbed. We suppose this is a sample of Capac's "good, clean playing." We could recall many others did we wish to, but what's the use. Our boys admit that the game "would have been Capac's in another innings." At the rate the umpire was going about a quarter of an innings would have finished them. It is a great deal better any time to forfeit a game than to have it stolen. Personally we have nothing to say about Walker, but we still think that he doesn't know enough about ball playing to umpire a game of two-odd.

Another thing, Mr. "Noose," our boys didn't go to sleep on their way home and lose the two mits, they disappeared before the Yale team left the hotel. By the way, have all our expenses been paid for the last game?
