MRS. CHADWICK GUILTY.

Convicted on Seven Counts of Conspiring to Wreck Bank.

Cleveland, March 13.—Cassie L. Chadwick was at 8:30 o'clock Saturday found guilty of conspiring to wreck a national bank, the jury convicting her on the seven counts left in the indictment. She will soon become an inmate of the Ohio penitentiary, where she served years ago for forgery under the name of Madame De Vere.

Under the law she can be fined, on each count, not more than \$10,000 or imprisoned more than two years on each count, or she may be fined a maximum of \$10,000 and also imprisoned for two years on each count.

Judge Wing deferred passing sentence and the case will be appealed to a higher court.

In speaking last night of the verdict of the jury in the trial of his client, Mrs. Chadwick, J. P. Dawley, her senior counsel, said that the verdict was not according to the terms of the indictment and that the case would be taken to the court of appeals at Cincinnati, as soon as possible.

Mr. Dawley saw Mrs. Chadwick for a time at the jail Sunday and said she was somewhat prostrated over the verdict, but he assured her that he felt there were good grounds for hoping for a reversal of the verdict and that this information cheered Mrs. Chadwick considerably.

Mr. Dawley said that his client had a very unfortunate jury, men wholly unaccustomed to banking transactions or dealing largely in the borrowing of money, certifying of checks, etc. If the jury men could have eliminated from their minds, Mr. Dawley added, the impressions they probably had formed, and tried the prisoner on the one question involved in the indictment, he felt sure the verdict would have been different. Prominent attorneys with whom he had talked and who had followed the case gave it as their opinion that no case had been made against Mrs. Chadwick.

"IMMENSE FRAUD."

Utah Legislature Finds It in Awards of St. Louis Exposition.

Salt Lake City, Utah, March 13.—The special committee recently sent to St. Louis by the Lower House of the legislature of Utah to investigate irregularities in the accounts of Utah's commission to the Louisiana Purchase Exposition, has presented a report that is severe in its criticism of the management of the exposition. The report says:

"We are unanimous in reporting that, according to our knowledge and belief, the so-called awards, consisting of medals, ribbons, etc., supposedly given as marks of merit by the St. Louis official award ribbon committee by authority of the Louisiana Purchase Exposition, to the so-called successful exhibitors, are in our opinion, an immense and gigantic fraud."

The report charges that so-called awards of merit are being issued "by straw incorporation" for the sole purpose of being sold to be used in a commercial way as advertising matter. The committee reports the substance of a conversation with an agent alleged to be employed specially to sell these awards on commission. The alleged agent, the report says, exhibited one award "of special merit" that he said he had sold for \$500 and stated to the committee that a certain well known manufacturing concern had paid as high as \$20,000 for a so-called official award to be used for advertising.

The committee further charges that legitimate medals were being held back by the exposition management to promote this traffic in awards.

Ancient Ship Found Buried.

New York, March 13.—An ocean liner, with its moulded rigging set as if for a sea voyage, was found here embedded in the soil many feet below Joralemon street by workmen digging the south tube of the East river tunnel in Brooklyn. The vessel was of the type known when George III. was king, and from its appearance it is evident that it had lain in its present position for nearly a century. All marks of identification have long been eradicated, and the history of the ill-fated vessel will in all probability, always remain a mystery.

Thousands Viewed Remains.

Nashville, Tenn., March 13.—Under the shot-rant, powder-stained battle flag of the Second Tennessee Confederate regiment which he led at Chickamauga, with the stars and stripes floating at half mast from the dome of the capitol building, the remains of United States Senator William B. Bate lay in state Sunday in the hall of the house of representatives. Twenty-five thousand people viewed the remains.

Emperor Joseph is Grateful.

Vienna, March 13.—Emperor Francis Joseph has sent a letter to Count Welserhalm, the retiring minister of defense, thanking him for his 25-years of faithful service. The new minister of defense, Herr Schoenaich will enter upon the duties of the office tomorrow.

JOKE ON AUDIENCE.

Attendees to Play Forced to Listen to Salvation Army Services.

Owosso, Mich., March 13.—By a ruse of the police department Sunday afternoon, an audience that packed the opera house in every part, was required to listen to the services of the Salvation Army.

It was extensively advertised that a theatrical company which played "Hooligan's Troubles" here Saturday would repeat the performance Sunday afternoon. Mayor Parkhill forbade it, and threatened to arrest the company. The police, however, decided to put up a joke on the audience and it was announced that a free entertainment would take place. The theatre was filled to overflowing. The police smuggled the local Salvation army on the stage and when the curtain was rung up the audience were nearly struck dumb with amazement at the sight of the Salvationists grouped before them.

Realizing that they were the victims of a joke, the audience rose in a mass and started for the doors. But a big copper who with drawn club ordered the crowd back.

Resuming their seats they sat quietly and attentively through the entire services and the Salvation army leaders afterward declared that they never had a more appreciative audience.

TOOK DEADLY ACID.

Grand Rapids Girl Commits Suicide in Lonely Woods.

Grand Rapids, Mich., March 13.—Lying in a ravine in the lonely woods north of Reed's lake, with her arms folded peacefully across her breast, the dead and frozen body of Miss Sarah Klasse was found Sunday with two empty vials of carbolic acid upon the ground near her.

Miss Klasse aged 25 and living with her parents at 650 East Bridge street, disappeared Friday noon. The matter was reported to the police and a searching party sent out discovered the girl's body about 100 yards from the road.

In her pocketbook was found written in the back of a card bearing a religious motto this message: "No one to blame but myself." The girl was of a strongly religious bent of mind and had been in bad health for some time.

A commission is about to be dispatched to the United States in pursuit of material for reorganization of the financial system of Liberia.

Boy's Mother Appeared Against Him.

Battle Creek, Mich., March 13.—Cigarette smoking has spoiled another Battle Creek boy. Confessing to being a cigarette fiend, a habitual truant, to staying out nights, Walter Kleindinst, 12 years old, has been committed to the State Industrial School for Boys until his eighteenth birthday. Truant Officer Manchester and the boy's mother were witnesses against him.

Three Lives Sacrificed.

Baltimore, March 13.—As the result of the fire which occurred here about midnight three lives will probably be sacrificed.
