Only a small crowd attended the ball game at Riverside Park last Wednesday afternoon. It was expected that the Memphis High School team would be up, but they failed to connect for some reason. A picked nine was utilized, and it was composed of a number of the first nine players. The Yale H. S. team showed the better of practice and games which they have played this season. It was a one-sided affair, the boys from the "Temple of Knowledge" having everything their own way. Score at the close of the ninth was 11 and 2 in favor of the High School Team.

## A Store Feature

The reason for this adv. is the arrival of our new line of Sorosis Petticoats which is a feature of our stock. Of course it is not the only feature of our store, but like Uncle Cyrus' nose, it's an important one among a fascinating collection.

## Black Beauties....

Yes, you particular people, we have the petticoat to suit every one of "even you." No slip shod stitching, no creasing wrinkles, no careless finish or indifferent fit. But an underskirt made understandingly. Sorosis is so different from that common class of skirts that it will be a pleasure to us to even show you these garments. We have three designs at a dollar that are exceptionally good and then on up, \$1.50, \$2.00, \$2.50, \$2.75, \$3.00 and \$4.00 until you wonder how much nicer black mercerized material can be tucked and flounced into a petticoat.

A new feature in this bill is a spun glass cloth and a deep taffeta silk flounce. It's really a good thing—light in weight, strong in wearing quality, particularly stylish and handsome in appearance. The price—each \$2.75.

## We Are Devoting

our space mainly to Sorosis this week, but keep in mind the balance of our stock. It's getting summery now and you'll be needing everything between parasols and Oxfords and when you come for that rustling beauty you'll find all the other essentials waiting.
