LETTERS FROM SUBSCRIBERS.

During the past week or more several letters have been received from Expositor subscribers and as we believe that the contents will be read with interest by friends of the writers we publish a few of the number received.

Mr. Menzies,
Yale, Mich.

Dear Sir:—Will you kindly change the address on my paper from 9 Kendall street to 394 Champlain street. I think it will be permanent as we have gone to housekeeping, and I have secured a paying position with the Advance Thresher Works at a good salary. We are always glad to get The Expositor. We like this place very well and my wife's health has improved very much since coming here.

Will close with best wishes for your success with the Expositor.

Yours truly,
Wm. M. Thompson,
Battle Creek, April 1.

J. A. Menzies,
Yale, Mich.

Dear Sir:—Enclosed find \$10 Money Order for two dollars (\$2.00) to pay up back subscription and for coming year. Please return receipt for same.

We are all well and enjoying some very fine weather at present, and hope this finds you all enjoying the good things of life. Give our regards to all enquiring old friends.

Yours respectfully,
H. L. Newstead,
Battle Creek, Mar. 25.

J. A. Menzies,
Yale, Mich.

Dear Sir:—Enclosed find money order for \$3.00. I should have sent it before but my road in life has been rather rough lately. My wife has been sick for a long time and finally died. I buried her the 14th of February.

I would like to make a visit to Yale and see the old-time friends. I see by the Expositor that they are dropping off pretty fast. It has been nearly twenty years since I was there.

Hoping I can do better in the future I will close.

Yours truly,
A. N. Phillips,
Grand Rapids, Minn., Mar. 19.

Mr. James Menzies,
Yale, Mich.

Dear Sir:—Through a blunder last summer we found that the Expositor was sent back before we had the mail changed and we have not had the paper since. Will you please send me the bill of what we owe you from the time we paid you anything up to the present, and including payment for the paper one year in advance. We have been close run for money during our stay here but we don't intend that you shall lose a cent in the end.

We are having a good time and the training here has been invaluable to us. We are about to change conferences and while we regret this, the work demands it. I left school for two weeks and in that time saw 75 people give their hearts to God, including most of the business men of the town.

They increased my salary \$200, and simply won't let me go. We shall regret to leave the pleasant associations which we anticipated in connection with the work in Michigan, yet the call is a very pleasant one from Chebanse, Ill., and we could not refuse.

We just can't get along without the Expositor, so send it along with the statement of what we owe you.

Fraternally yours,
George A. Tyler,
2009 Maple ave.
Evanston, Ill., Mar. 25.
