LIGHTNING GOT THERE FIRST

DODD & STRUTHERS GOT THERE FIRST

Here we have a contrast that ought to appeal to the head of any family. On one side we have the deadly lightning—on the other side we have safety. One man avoided damage by using our lightning rods. The other man figured that his insurance made him safe. We do know that his insurance will not pay his loss and we know that it has not made his home a safe place in which to live. Insurance is a good thing, but it will not keep out the lightning. You put on a roof to keep out the rain. Why not put on lightning rods to keep out the lightning? It can be done just as effectively. It will not cost you a great deal and never costs you but once, for our rods are made of pure copper, they do not rust and there are no joints, so they cannot come apart and once put on the building they always stay there. Three-fourths of the damage done to farm buildings is caused by lightning. You cannot afford to take this risk when absolute protection can be had.

DODD & STRUTHERS, Des Moines, Iowa.

The only rod endorsed by 2,000 Mutual Insurance Companies, also The National Association of Co-Operative Mutual Insurance Companies and The State Association of Mutual Insurance Companies of Michigan. For further information address,

I will mail you free, to prove merit, copies of my Dr. Shoop's Restorative, and Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach, nerves, the inside nerves—mean Stomach weakness, always. And the Heart and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by Pollock & Hennessy.

For Rent or Sale.

"We never repeat of eating too little" was one of the ten rules of life of Thomas Jefferson, president of the United States, and the rule applies to everyone without exception during this hot weather, because it is hard for food, even in small quantities, to be digested when the blood is at high temperature. At this season we should eat sparingly and properly. We should also help the stomach as much as possible by the use of a little Kodol for indigestion and dyspepsia, which will rest the stomach by digesting the food itself. Sold by Mathews & Wight.

Premium on Dogs.

Notice is hereby given that on and after Monday, August 26, 1907, I will pay fifteen cents for each and every dog without license tags attached delivered to me by any person or persons.

The Best Laxative for Children.

Parents should see to it that their children have no natural, easy movement of the bowels each day. Do not dose the child with medicine or gripe pills, as they are too powerful in effect, and literally tear their little intestines to pieces, leaving the bowels weakened and less able to act naturally than before.

Laxative Food—Dr. Shoop's Tablets—soften and strengthen the bowels, and stimulate all the little organs to healthy activity. Chocolate coated tablets, easy to take, never gripe or nauseate. 10c, 25c and 50c.

Business Notices.

You will save a doctor bill, save time and avoid discomfort if you will learn to "read the tongue" and take Celery King when it tells you, by its coated appearance, to do so. 25c at druggists.

There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by Mathews & Wight.

Don't accept a cough cure that you may be told is just as good as Kennedy's Laxative Cough Syrup, because it isn't just as good—there is quite a difference. Kennedy's Laxative Cough Syrup acts gently upon the bowels and clears the whole system of coughs and colds. It promptly relieves inflammation of the throat and allays irritation. Sold by Mathews & Wight.

These who have stomach trouble, no matter how slight, should give every possible help to the digestive organs, so that the food may be digested with the least effort. This may be done by taking something that contains natural digestive properties—something like Kodol for indigestion and dyspepsia. Kodol is a preparation of vegetable acids and contains the very same juices found in a healthy stomach. It digests what you eat. Sold by Mathews & Wight.

Indigestion

Stomach trouble is but a symptom of, and not itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, above brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had.

For stomach distress, bloating, biliousness, bad breath and all other indigestion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

Ten Reasons Why

You Should Use the Security Copper Tube Lightning Rod in Preference to Any Other.

1. It is constructed on the most scientific principles; receiving the highest award, diploma and medal from the Royal Academy of Science and Arts, Paris, France, April 30, 1897.

2. It has a large, round, smooth surface, the best form for a lightning conductor.

3. It is the only lightning rod patented in the United States with Automatic Water Supply insuring a Perfect Ground Connection at all times, which is the most important part of any rod.

4. It is the only Copper Rod that has a patented Coupling of Pure Copper, which makes the joint the strongest part of the rod.

5. It is held up off the building by a Galvanized Fastener and Galvanized Brace, not resting on the building to form a dam for water to rot the shingles.

6. It is furnished with the most complete and best outfit of fixtures, points, balls and vanes.

7. It is sold by responsible business men, who see that it is properly put up and kept in repair.

8. It has never failed to afford perfect protection from lightning and gives general satisfaction in every respect.

9. The company is responsible and gives you a guarantee on the rods for twenty years and will pay \$500.00 reward to find a building burned by lightning with their copper tube rods in circuit form.

10. The above offer has been made for the past 14 years and the reward has never been claimed. This proves that our lightning rods are sure and perfect protection against lightning.
