If You Have Scalp or Hair Trouble Take Advantage of this Offer.

We could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as we do, if it did not do all we claim it will. Should our enthusiasm carry us away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

## Beautify the Figure Perfect the Lines...

THE feminine form in all its perfection is divinely perfect. Yet how many women fall short of that figure perfection because they wear the wrong corset!

Every woman should be fitted in a corset that conforms to her lines, accents her good points and builds beauty where it is deficient.

The W. B. Nuform Corset is constructed to fulfil just this mission. It is made in such a large diversity of styles practically every different feminine type can find a perfect-fitting model.

W. B. Nuform Corsets are shapely, long line models which retain their good lines permanently. They are well boned with firm, pliant boning which does not extend to the skirt portion. So there is no discomfort in wearing them—even when seated. They are surely moderately priced.

Corsets shown in these cuts are \$1 the pair
