

For Disordered Nerves.

When the nervous system gets out of order all comfort departs. Any weakened or disordered condition of the nerves not only causes direct distress, but also leads to defective action of the digestive and other organs. Our

Nyal's Celery Compound

is a true nerve tonic. It builds up and restores the harmony of the whole nervous system. Results are usually seen from a few doses and the improvement grows rapidly more marked. **WE GUARANTEE IT.**

One of the places that is well patronized these cold stormy days is the ten cent barn. One way in which a man shows his humanitarian spirit is by the care he gives the dumb beasts. It is to the credit of the great number of farmers coming to Yale that with very few exceptions the first thing they do is to carefully shelter their horses from exposure. The horse is man's best friend and has aided him greatly in making progress in the world. So it is always a commendable trait in any man to see him first thinking of the comforts of this faithful animal.

L. B. Beecher thought it somewhat strange that his Jersey cow, of which he is a little proud, should be falling off in the quantity of milk of late. On Wednesday he discovered that a young pig which he recently purchased also appreciated Jersey milk and was saving him the trouble of milking the cow. The animal had become past year in company but he was forced to break the ties of friendship for economical reasons. Vassar Pioneer.
