Make Us Prove It-- If Our Claims for This Tonic Are Over-drawn---Your Money Back.

If you are weak, worn out and run down; if your blood is vitiated and impure; if you are pale and haggard; if you become exhausted with every slight effort and experience palpitation or fluttering of the heart; if your sleep does not rest you; if your food fails to nourish you, or you have lost your appetite—then we advise you to at once begin using REXALL BEEF, WINE AND IRON. The above symptoms are nature's cry for help—her appeal for something to restore her waning energies—something that will assist her in bringing the lagging stomach, kidneys liver and blood back to health and the proper performance of their duties.

We are justified in recommending REXALL BEEF, WINE AND IRON by the fact that it has been beneficial in the many other cases in which we have advised its use.

We don't ask you to take our word for what it will do for you. Make us prove it. If it does not do all we claim it will do, we want you to tell us so and get your money back. That's fair, isn't it? Price 60c. Sold in this community only at our store—

The Silver Family will be in Yale next Saturday.

Purses to the amount of \$650 are hung up for Yale Races Aug. 28 and 29.

Mary Clark is now employed as clerk in Beavis & Hutchinson's general store.

Born to Rev. and Mrs. Ira Miller of Caro on Friday August 9, a daughter.

Duncan McKeith of Brown City is recovering from his recent attack of typhoid fever.

Elder J. H. Paton on account of illness is unable to meet his appointment in Yale next Sunday.

J. E. Walker has sold his 80 acre farm, one mile north and one half mile west of this city, known as the Lathrop place, to Geo. Noll of Melvin.

John Hutton and Staley & Bricker expect soon to put in new and modern store fronts. Yale is never behind when improvements are needed.

St. Clair County Pomona Grange Basket Picnic and Rally at City Park, Yale, on Wednesday, August 21. A fine program is arranged for the day.

A family reunion took place at the home of Will Cole last Sunday. The day was pleasantly spent and an enjoyable dinner was served by the hostess.

A quantity of premium lists for the Thumb District Fair have been left at Geo. McIntyre's implement store and those wishing them may call and secure same.

Co. C. 3rd Michigan National Guards passed through Yale by Pere Marquette train Wednesday morning en route for Ludington where they will go into camp.

W. F. Ruh has put in curbing along the front of his Mechanic street residence property. Fred Mathews will also make the same improvement on the opposite side of the street.

The typhoid fever epidemic seems to have abated but very little. Several cases are reported at Brown City. Every possible precaution should be taken to keep the disease at a distance.

We neglected to publish the St. Clair County Pomona Grange basket picnic and rally program to be given in the city park, Yale, on Wednesday, August 21, in our last issue. It appears in full in this issue.

Isaac Menerey has received word from his daughter, Mrs. Vandermuhl who a short time ago with her husband sailed from New York for Germany, that they had arrived safely and enjoyed a pleasant voyage.

The weather the past week has been somewhat warmer and more adapted to this season of the year. It is hoped we may have a few weeks of dry hot weather to put corn and late crops in better condition for harvesting.

Fred Chamberlain who moved to Jeddah several months ago established a lumber yard, will add another building to his plant. He reports that business is unusually good. Fred's Yale friends will be pleased to learn of his doing well.

Judge Law Tuesday morning released Lee Emery of Port Huron on probation, giving him a chance to make good. Emery recently eloped to Sarnia with a Crosswell girl, and was arrested a short time ago for stealing a typewriter.

We are in receipt of an invitation from Mr. and Mrs. J. W. Munton of Morgan, Mich., requesting the honor of the presence of the editor and wife at the marriage of their daughter, Alice Beatrice to Mr. Raymond W. Knapp of Yale on Wednesday, August 28th at half past two o'clock.

The cool and damp weather that has prevailed during the past month has seriously hampered the business at the summer resorts. Owners of various vacation spots along the St. Clair and other places are praying that Old Sol will cease his present tactics and send some good summer temperature.

Bert Silver's Model Tent Show and Silver Family Band, will be in Yale Saturday Aug. 17. This show is one of the very best visiting Yale and this season it is larger and better than ever. They have fourteen acts on their program, and all first class, nearly all new people have been engaged for the season of 1912.

We regret that, because of ill health Purl Harding has been obliged to dispose of the Melvin Gazette. The paper has been purchased by W. L. Banister of Chicago who, in turn, has rented the same to A. H. Paterson, a former publisher of the Gazette. Both the retiring editor and the new publisher have our sincerest wishes for success.

Alf Carey residing north of Yale was arrested for being drunk and disorderly Monday evening and placed in the city bastille for the night. Tuesday morning he was brought before Justice Merrill and pleaded guilty to the charge and fined \$15 and costs which he paid and was released. Yale is getting to be a hot bed for drunks and disorderlies to congregate in and indulge in fights and drunken brawls. The Expositor will hereafter publish the names of those disturbing the peace and quiet of our city. If you are anxious to see your names in print keep on making your selves obnoxious. A word to the wise should be sufficient.

Mrs. John Sheehy has been suffering from lumbago the past week.

The Silver Family Band is still a prominent feature and will play a free street concert of brand new music before the performance. Admission same as usual. Adults 25c, children under 12 years, 10c.

Gerald, the little seven year old son of Mr. and Mrs. John Sheehy had the misfortune on Wednesday to break his right arm above the elbow while at play. The fractured member was set and the little fellow is getting along nicely.

Palmer Bros. who are advertising their annual nine sale, have a page adv. in this issue telling of the good things in bargains offered. You should read it carefully and then visit their store and take advantage of the low prices on nearly everything in stock.

Emerson Cooper and wife of Richmond have filed their declaration for adopting an eight year old girl whose father has been absent for some time, leaving the child in neglect. The little girl's name at present is Ruth May Ransom but in the declaration the name has been changed to Ruth Marguerite Cooper.

It is an established fact "that good things come slow" and such was the case when we neglected to mention the Clifford band in connection with the civic half holiday held on Wednesday of last week. Clifford possesses a band that any town ought to be proud of and it is needless to say that everyone enjoyed the selections which they rendered.

Thomas Keyworth an old pioneer of this section died at his home north-west of Yale on Thursday, August 8th, aged 61 years. The funeral was held from the Bidleman school house on Sunday at 2 o'clock p. m., Rev. L. Clark preaching the sermon. Interment in Elmwood cemetery. A widow and grown up family remain to mourn his demise.

George Barth on Tuesday drove Mayor Stevens and Alderman Windsor, Richards and Roger Welch on a junketing tour to Memphis, Richmond and New Haven to inspect the cement gutters in those towns. The city council has voted to lay cement along Main street between Wood and Mechanic and made the town of inspection to be better posted how the work should be done.

What a pity that Clifford, a little burg not half the size of Yale, can put up a band worthy of the name while we sit complacently by and fail to give our support to any organized effort to do as much here. Some day we may awake from our lethargy and then fall asleep again while the little towns around us furnish the music that makes our air castles tumble about us.

Robert J. Carson a successful and prosperous farmer residing west of Yale recently brought two heifers to Yale and sold them to Ed. Sheehy cattle buyer for the handsome price of \$100. The heifers were less than two years of age. This is a rather long price for such young cattle. Robt. has a fine herd of Ayrshires and takes pride in keeping his stock in fine condition.

Mrs. J. H. Reilly, wife of J. H. Reilly, pastor of the Methodist Protestant church at Lapeer and formerly at this city, has brought about a suit of attachment against Dr. J. M. Morgan, the Toledo evangelist who conducted revival services in Lapeer in May. Mrs. Reilly advanced \$575 of own money to finance the meetings and the religious leader left without making a settlement. As a result Mrs. Reilly took out a writ of attachment on the minister's tent and poles and they are now in the hands of the sheriff.

ALBERT P. RYAN

who is a candidate on the Republican ticket for the nomination of County Clerk, has served as deputy county clerk for the last four years, is experienced in this line of work, and is especially qualified for the office. Your support at the primary August 27 will be appreciated.
