# Winter's Chills Breed Kidney Ills

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip, pneumonia, tonsillitis, quinsy and other infections. The kidneys get congested and inflamed, and this causes backache and disordered kidney action. Though serious in its latter stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

"Every Picture Tells a Story"

# Spring Is Breaking; Backs Are Aching

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other signs:—lame back, sharp pains when stooping or lifting, dizzy spells, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention, ere the trouble turns to gravel, dropsy or Bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.

## \* YALE PEOPLE TESTIFY \* YALE CASES SELF-TOLD

ARTHUR STREET Mrs. Josiah Mitchell, Arthur St., says: "I suffered more than five years from that complaint and I believe it was the result of a severe cold. My back was in such bad shape that I had to walk all stooped over, and a great deal of the time I was laid up in bed. Dark spots floated before my eyes and often I was very dizzy. The kidney secretions were in bad shape and doctors did not seem to understand my case, being unable to help me. I heard of Doan's Kidney Pills and knew it would do me no harm to try them, so I got a box at Holden's Drug Store. In about a month they made me well, and I give Doan's Kidney Pills credit for permanently curing me."

JONES STREET Nicholas Owens, retired farmer, Jones St., Yale, Mich., says: "You may continue using the public statement I gave recommending Doan's Kidney Pills some years ago. They are a first-class remedy and I shall never fail to recommend them whenever I have the opportunity. I had considerable pain in my back that made it hard for me to get about. If I sat for any length of time, my back became stiff and sore and it would be several minutes before I could get up. The different remedies I tried did not bring me permanent benefit. At last, upon the recommendation of a friend, I began using Doan's Kidney Pills, procured at Grant Holden's Drug Store. The results were certainly all I could have wished for. I was soon restored to health and strength."

MARY STREET Mrs. Robert Herren, Mary St., Yale, Mich., says: "I was suffering everything from my back. It was hard for me to stoop and I could not stand erect for any length of time without having sharp pains through my loins. My head was dizzy and pained me a great deal. I tried every remedy I heard of but I did not get relief until I used Doan's Kidney Pills. They made an improvement right away and by the time I had finished two boxes, I was in good health. The cure has been permanent."

RURAL A. McLarty, farmer, R. F. D. No. 2, Yale, Mich., says: "I was a constant sufferer from backache and sharp twinges through my loins. I had headaches and dizzy spells and my health was poor. Nothing brought me relief until I procured Doan's Kidney Pills at Grant Holden's Drug Store. The first box benefited me and I was so pleased that I continued their use. Four boxes drove away all the kidney trouble and my health has improved steadily since. I give Doan's Kidney Pills the credit of making a complete cure."

RURAL William Wilson, farmer, R. F. D. No. 5, Yale, Mich., says: "For a long time I was troubled by disordered kidneys. The kidney secretions were irregular in passage and accompanied by a scalding sensation. There was also sediment in them. I tried many ways to get relief but was unable to find anything that would benefit me until I took Doan's Kidney Pills procured at Grant Holden's Drug Store. I am pleased to say that they entirely corrected my trouble and restored me to much better health."

SECOND STREET John Henry, marshal, Arthur and Second Streets, Yale, says: "For years I was annoyed by pains across the small of my back. Dizzy spells and headaches bothered me and the small specks seemingly floated before my eyes. Sometimes the trouble was so bad I had to catch hold of something to keep from falling. The passages of the kidney secretions were too frequent. I finally began using Doan's Kidney Pills. The first box gave me so much relief that I continued taking them, until the trouble left."
