Phone Promptness

WE'RE live wire butchers. We help you save time. If you have a phone use it to order your meat supplies. You'll find we are exact on this end of the wire. Phone orders are carefully received and as carefully put up as though you stood right by us. Some butchers don't want to be bothered with orders over the wire. They say it's too much trouble, and mistakes occur too often. But you heard us say we're live wires, didn't you?

OSBORN AT KALAMAZOO

Pleads for Unity in All Ranks of the Republican Party.

Kalamazoo, Sept. 30, 1914.—Chase S. Osborn today made a stirring speech before the many delegates gathered at the Republican State convention.

In part Mr. Osborn said:

"We are gathered together here as Republicans.

"We have been entrusted by all of the Republicans of Michigan by delegation to represent them. We are here to think in terms of party, because only as we exclude the unit as the chief consideration and adopt the whole do we represent in cohesive solidarity the composite sense and spirit of the party. The individual has no place here except as an instrument of free and independent expression.

"It is impossible as a delegate to sit here alone in individual capacity. Each county delegation represents every Republican, old and new, in its county and altogether we are to act for all of those who have sent us here with their imposed confidence and power. Even the individual candidate loses his personal entity and becomes a symbol of all.

"Realizing this we shall address ourselves to the work of reconstructing the Republican party so that it shall be what its founders intended it to be and what it has been during all of its positive working history, the greatest and best instrument of perfecting and continuing government in our nation."

A MERCILESS JUDGE

ONE WHO SHOWS NO FAVOR.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Yale resident has withstood this sternest of all tests.

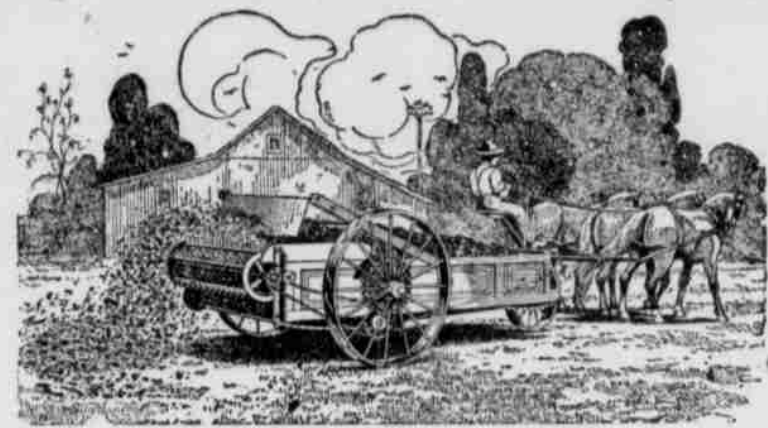

Mrs. A. S. Mitchell, Arthur St., Yale, Mich., says: "I suffered more than five years from kidney complaint and I believe it was the result of a severe cold. My back was in such bad shape that I had to walk all stooped over and a great deal of the time I was laid up in bed. Dark spots floated before my eyes and often I was very dizzy. The kidney secretions were in bad shape and doctors did not understand my case, being unable to help me. I had heard of Doan's Kidney Pills and knew it would do me no harm to try them. I got a box at Grant Holden's drug store—in about a month they made me well."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Mitchell had. Foster-Milburn Co., Props., Buffalo, N. Y.
