

Old People Everywhere Say

MR. W. C. HEMPHILL.

Peruna is good for Coughs, Colds, Catarrhal Diseases and after effects of the Grip.

When I first knew of Peruna the druggists here did not keep it. Now they all keep it.

"I have lived in this place eighty-four years. I am a farmer. Was born where I live. I have three living children. Should you publish this in the papers it will reach many of my old friends. You can see my picture as you think proper." Mr. G. W. Roberts, R. F. D. 1, Box 36, Pickens, Miss.

Eighty-two Years Old.
"I had a severe attack of grip. I suffered terribly while it lasted. After my attack I sent for Peruna. My wife said I must have a doctor, but I insisted upon taking the Peruna, and made a quick and perfect recovery." Mr. J. R. Prince, R. R. 1, Tuckahoe, N. Y.

Eighty-one Years Old.
"I had nervous prostration. One doctor would say I had catarrh of stomach and bowels, another nervousness, and another enlargement of liver. Nothing seemed to do me much good. I commenced taking Peruna, which built me right up." Mrs. Martha Avery, 25 Graham St., Leominster, Mass.

Seventy-eight Years Old.
"I had catarrh of the head. Commenced taking Peruna and gained eleven pounds. It is a great medicine. A fair trial would convince any one of its efficacy." Mr. F. M. Joffrin, Bogalusa, Louisiana.

"I have used Peruna occasionally since and recommend it to others."

HERE AND THERE.

St. Clair young people are organizing a Dramatic club.

Dr. F. J. Sheldon, of Lexington may locate in Peck in the spring.

Port Huron citizens are making preparations for a big home coming next summer.

Mrs. Culver Patterson, a resident of Richmond nearly her years, which were 71, died last week.

A. L. Lowenburg, who conducted a ladies' furnishing store in Sandusky, has filed a petition in bankruptcy.

The firm of Grimes & Waterman has taken over the new hardware store and stock of John W. McLeod.

The restaurant and ice cream parlor at Brown City owned by Miss Katherine Campbell was sold to Harry Lovejoy last week.

Graders are at work between Almont and Inlay City and before another winter's snowfall, Inlay City will have connection with the Detroit, Almont & Northern.

W. E. Crouter, a Marlette merchant, is showing off a live tarantula found in a bunch of bananas. A small lizard was another resident of the same bunch of bananas.

Mr. and Mrs. C. C. Rice, of Lexington were nearly asphyxiated by coal gas one night last week. A neighbor found them unconscious next morning and called a doctor.

Charles Wood, of Armada, offers \$50 for information in regard to the whereabouts of his mother, who left her home December 31. One clue has been found in Detroit and another in Windsor.

Robert Hyslop, of Columbus, whom we spoke of last week as having both feet frozen, while going home from Richmond, died after both feet had been amputated at the Port Huron hospital.

The Pere Marquette Co. is erecting a new 16x10 depot at Valley Center which will probably be completed by the first of March. The citizens are very proud of this creditable addition to their little town.

There were two accidents at the Diamond Crystal plant in St. Clair last week. James Powrill, a well known citizen fell from a ladder breaking a rib and receiving other injuries. Eli Shannon was crushed under a down coming elevator but medical skill saved his life.

While Mrs. Hartley, wife of the rector of the Episcopal church at Crosswell was doing the family washing, a quantity of gasoline left in the boiler when placed upon the hot stove, exploded, throwing the liquid over Mrs. Hartley's face badly burning her and injuring her eyesight.

Marlette people were kept in the throes of excitement all last week by several serious happenings. A dog, afterwards found to have traces of rabies, viciously bit at three children going home from school. Each received a wound in the calf of the leg and all were taken to Ann Arbor to take the Pasteur treatment. A five year old child of W. T. Long was kicked in the head by a horse and the skull fractured. He was taken to the Port Huron hospital but no hopes given for recovery. Mrs. Saloma Winters received a broken hip from a fall on the street and Wm. Woodward had a finger taken off while buzzing wood.

YALE PEOPLE GIVE CREDIT WHERE CREDIT IS DUE.

People of Yale who suffer with weak kidneys and bad backs want a kidney remedy that can be depended upon. Doan's Kidney Pills is a medicine for the kidneys only, and one that is backed by willing testimony of Yale people.

Here's a case:
A. McLarty, farmer, R. F. D. No. 2, Yale, Mich., says: "I was a constant sufferer from backache and sharp twinges through my loins. I had headaches and dizzy spells and my health was poor. Nothing brought me relief until I procured Doan's Kidney Pills at Grant Holden's Drug Store. The first box benefited me and I was so pleased that I continued their use. Four boxes drove away all the kidney trouble and my health has improved steadily since. I give Doan's Kidney Pills the credit of making a complete cure."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McLarty had. Foster-Milburn Co., Props., Buffalo, N. Y.

THE NEW SPORTING ANNUAL

The best little reference book of the year is the "Police Gazette Sporting Annual" for 1915, published by the Richard K. Fox Publishing Company. It is a compendium of best performances in all branches of sports; ably compiled and edited by Sam C. Austin, the well-known sporting writer and critic. The athletic records are the records of the Amateur Athletic Union, and officially accepted by that organization; the rowing, yachting, racing, trotting, pacing, automobile, hockey, football, aeroplane and swimming records, made all over the world, are officially correct. The baseball statistics were furnished by the National Baseball Commission, and include the details of the world's championship series.

The main feature of the book, however, is the pugilist records, and includes the history of every boxer of prominence in the world. This splendid book is made doubly attractive by its high class illustrations and photos of the champions. It is authentic and reliable, and stands to-day an authority on the subject which it treats. The price is ten cents, postage two cents extra.

STOP BUYING EXPENSIVE COUGH REMEDIES

Make the Best at Home

Money spent for the old style, ready-made, cough syrups in bottles holding only 2 to 2½ ounces is very largely wasted because most of them are composed principally of sugar and water. Yet you have to pay the same price as though it was all medicine. Stop wasting this money. You can make a better cough medicine at home at one-fifth the cost. Merely go to Matthews & Wight's Drug Store and ask for 2 ounces (50c worth) of Schiffman's Concentrated Expecto-rant. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (16 ounces). This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold. Also excellent for Bronchial Asthma, Bronchitis, croup, hoarseness and whooping cough. One bottle will make enough home made cough medicine to probably last the whole family the entire winter. Children like it, it is so pleasant to take and it positively contains no chloroform, opium, morphine or other narcotics as do most cough mixtures. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. The above druggists have been authorized to return the money in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. Absolutely no risk is run in buying this remedy under this positive guarantee.
