

For the Farm and Home..

Cold, wintry weather calls for many Drug Store items such as Household Remedies, Recipes and Prescriptions needed in home. Others are Stock Food, Poultry Food, and many remedies along that line. We enjoy a nice trade from the farmers in this vicinity, because we always provide them with reliable goods at right prices. We solicit the trade of all the people in this territory. If it isn't convenient to call in, just telephone or mail your order.

Roast Rarities

GOOD roasts of choice beef, veal, etc., are as rare at some butcher shops as a cup race without a Shamrock.

But not here. We haven't been handling meat for years with our eyes shut. We know meat. We've studied and talked and dreamed meat until we can see a side of beef ten miles away with our eyes shut. We guarantee choice, tender roasts, the kind that makes your meals a joy instead of a dirge.

FIVE CENTS PROVES IT
 A generous offer. Cut out this ad, enclose with 5 cents to Foley & Co., Chicago, Ill., and receive a free trial package containing Foley's Honey and Tar Compound for coughs, colds, croup, bronchial and lagrippe coughs; Foley Kidney Pills and Foley Cathartic Tablets. For sale in your town by Herb T. Hennessy.

TIP YOUR HAT
 Let us learn, says an unknown writer, to tip our hats as politely to the young lady who sews for a living or earns it by any honest toil as to the one who teaches French or chews gum in several different languages.
 Let us give as warm a clasp to the honest tiller of the soil as we do the doctor or lawyer. Let us recognize honesty and industry wherever found, and the time will come when there will be an army of bright, intelligent, honest young men and women at the ladder ready to labor at any honorable calling.
 Let us remember that the most beautiful lives have blossomed in the darkest places, as pure white lilies full of fragrance in the slimy, stagnant waters. Wealth, birth and official station may and do secure to their possessors an extreme superficial courtesy, but they never did nor never can command the reverence of the heart.

WHAT SHE WANTED
 "I want to stop my baby's cough," said a young mother Tuesday, "but I won't give him any harmful drugs." She bought Foley's Honey & Tar Compound. It loosens the cough quickly, stimulates the mucous membranes and helps throw off the choking secretion, eases pain and gives the child normal rest. Herb T. Hennessy.

STOP BUYING EXPENSIVE COUGH REMEDIES
 Make the Best at Home
 Money spent for the old style, ready-made, cough syrups in bottles holding only 2 to 2½ ounces is very largely wasted because most of them are composed principally of sugar and water. Yet you have to pay the same price as though it was all medicine. Stop wasting this money. You can make a better cough medicine at home at one-fifth the cost. Merely go to Matthews & Wright's Drug Store and ask for 2 ounces (50¢ worth) of Schiffman's Concentrated Expectorant. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (16 ounces). This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold. Also excellent for Bronchial Asthma, Bronchitis, croup, hoarseness and whooping cough. One bottle will make enough home made cough medicine to probably last the whole family the entire winter. Children like it, it is so pleasant to take and it positively contains no chloroform, opium, morphine or other narcotics as do most cough mixtures. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. The above druggists have been authorized to return the money in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. Absolutely no risk is run in buying this remedy under this positive guarantee.—Adv.
