Men Who Are Particular As to Clothes are Invited to Inspect Our Line

The story is told of a man, who, when asked what color he wanted his roof painted, replied: "Paint it any color so it's red."

There are lots of men in this city who confine their choice in clothing in a similar manner: "Give me any suit, so it's Rosenthal's Klothes," they will say, "and no other will do."

Rosenthal's Klothes "prove up" by every worth while test of materials, making and modes. Young men in particular, like Rosenthal's Klothes.

Suits \$10.00 to \$25.00
Balmaccans, \$10.00 to \$15.00

A Pleasure for the Wife

The woman who does her own baking should enjoy it immensely. Baking is really a pleasure and the source of much satisfaction if the housewife has much confidence in her results. But the excellency of her baking depends almost entirely on the quality of the ingredients which she uses.

"Yale Pride" and "Belle"

are milled and blended especially for home use. They are "satisfactory flours" and the wife is sure of inviting bread and pastries when she uses them.

Security Calf Food!

We wish to call your attention to Security Calf Food, a food especially prepared for calves. Young calves require proper food (and just as much so) as young babies require proper food. Security Calf Food is put up to take the place of "Mother's Milk," for young calves, as "Baby Foods" are put up to take the place of "Mother's Milk" for babies.

Security Calf Food replaces the whole milk from the time the calf is three days old and at the cost of less than 2 cents per day. Your calf requires from eight to ten quarts of milk a day. This is worth from 2 to 3 cents a quart and it will cost you from 20 to 30 cents a day to feed your calf with whole milk, while you can raise or fatten your calf on Security Calf Food for less than two cents per day and raise just as good a calf. Security Calf Food does not have to be cooked or bothered with.

We guarantee to refund in cash for every pail or package of Security Calf Food that does not give perfect satisfaction. SECURITY REMEDY CO.

MATHEWS & WIGHT

Yale's Leading Druggists.

BEHIND the humor in this drawing we can read a little MORAL. Many folks are as SOFT as the snow man when the SUN of PROSPERITY beams down on them. They hold up a thin umbrella of GOOD INTENTIONS and cry: "See; we are playing safe. We're not spending more than we make." But the cloud SUDDENLY hides the sun. They are left a shapeless, melted mass. Then they are SORRY they didn't contract a steady, thorough BANKING HABIT.

OBITUARY.

Be still prepared for death and death or life shall thereby be the sweeter.—Shakespeare.

The sudden death of Mrs. Benjamin Evans on Tuesday evening was a great shock to the whole community. Although being ill for some time and at times quite low, for the past few days her condition has seemed to the physician and family to have been much better, and hopes were high that she would be spared to them for at least a few months, but death came unheralded, and on Tuesday, March 2, 1915, the tired spirit took its flight.

Evelina Odell was born in Chicago the 8th of October, 1842, and was therefore seventy-three years of age at time of death.

She was married to Benjamin Evans March 13, 1861, and in 1865 they came to Michigan and lived on a farm for a good many years, later coming into Yale to make their home.

Ten children were born to Mr. and Mrs. Evans, all of whom are living. They are Cornelius, Mrs. Knapp, Maurice, Mrs. Dudley, Susan, Frank, Mrs. Van Dorn, Mrs. Williams, Male, Mrs. Clark.

Mrs. Evans was of such a kind, loving disposition, gentle and affectionate that she won the love and respect of all who came into contact with her. She was ever earnest and faithful in performance of all duties pertaining to family, church or social life.

She will be missed, not alone by her family circle, but by her friends.

Funeral services will be held Friday morning from the home, Rev. Geach officiating.

Gun Club Organized

For several years past the Expositor has advocated that the sportsmen of Yale should get together and organize, and hold weekly practices with the shot gun and rifle, which practices would make each member more proficient as a marksman. Finally a meeting was called for Monday evening and was held in Grant Holden's drug store. John Cole, representing the Remington Arms Co. and U. M. C. Co., an expert marksman and one who has organized gun clubs in many states of the union, was in attendance and gave instructions as to how to proceed and told his experience in maintaining such organizations.

A permanent organization was perfected and nineteen members joined and elected the following officers:—
President—Grant Holden
Secretary—Henry E. Welch
Treasurer—R. Bruce Lothian
A trap and two thousand blue rock pigeons were ordered and when received the fun of shooting will begin.

The sportsmen of Yale will all be solicited to join.
