Roseburg School Notes.

Stop! Look! Listen! A very interesting program will be held at the Roseburg school on Washington's Birthday, Feb. 22, at 2:30 p. m. We are working hard to make our program a success and hope to have a large crowd of parents and friends present. The following important personages will be there—Geo. Washington, the Father of his Country and the boy who never told a lie; Honest Abe Lincoln, who with one stroke of the pen set thousands of negroes free; Daniel Boone, who killed "bar"; Lewis Clark, who gained the far west for us; General Grant and Lee, the heroes of the Civil War; Robert Morris, who collected money to aid our soldiers during the revolutionary war; Admiral Dewey, the hero of Manila Harbor; Betsey Ross, who made the first American Flag; and Harriet Beecher Stowe, the authoress of "Uncle Tom's Cabin." Aunt Chloe and Amanda Jane, two colored cooks, will furnish fun for the crowd. The 1st, 2nd and 3rd grades will dramatize "The Boy and the Goat," and "Little Red Riding Hood." The staidy Captain of Plymouth acts his part well in pleading for Priscilla's hand; John Alden finds the task very difficult, as Priscilla shows very plainly that she suspects John Alden's love for her. The 6th and 8th grade girls will give a flag song and drill. The girls of the lower grades will give a star drill. The 1st and 2nd grades will sing songs that will please their parents, and the school as a whole will make the air ring with our national songs, "America" and "The Star Spangled Banner." Miss Wood will sing a solo and give a reading, "The Success of the Rural School." The school room is prettily draped in crepe paper of our national colors, red, white and blue. Encourage the pupils and teacher by your presence; we will appreciate it you will enjoy seeing the progress your boys and girls are making.
