Art Dennis, wife and child, of Avoca spent Sunday with James Wallace and family.  
Chester Sly and family will move into the Nims house on Mary street before the 15th.  
Thunder and lightning Monday, Mar. 6th, something unusual at this time of the year.  
Lowell Munroe and wife, who are now at Lutz, Florida, expect to move back to Yale soon.  
James Livingston, of Baden, Ont., has spent the past week with Mr. and Mrs. James McCall.  
Bruce Cowley, of Flint, and A. L. Sly, of Marlette, visited Yale relatives the last of the week.  
Gladys Wallace, Elsie and Lois Huffman were home from their schools Friday and Saturday last.  
Mr. and Mrs. George Pierce, of Marlette, were guests of Yale friends the latter half of last week.  
John Johnson, who is in the agricultural implement business at Snover, spent over Sunday in Yale.  
Mrs. V. A. Lucy has had a very severe attack of tonsillitis the past two weeks but is now on the mend.  
J. P. Losey and wife, who have spent the winter at Toledo, will return to Yale soon and make their home.  
R. J. Anderson, of Detroit, spent Sunday with his parents, Mr. and Mrs. Jas. E. Anderson, southeast of Yale.

Lots of snow this winter. Hardly a week has passed during the past month but we have had one or two snow storms.  
Mrs. Thos. Lett and children have broken up housekeeping and gone to Port Huron to make their home with Mrs. Lett's sisters.  
Mr. and Mrs. Chas. Young, accompanied by Mrs. Jas. E. Anderson and daughter Josephine returned home from Detroit Saturday.

Reveries will begin at the Bidleman school house next Monday evening, March 13th, and continue every evening except Saturday. Rev. DeWitt Bragg, of Yale.  
We find the following real estate transfer published in last week's Gladwin Record:—"Horace E. Beard, of Yale, to Harry Martin, of Billing twp, the west 1/2 of south-east 1/4 of sec. 28, Twp. 40 N., R. 10 W., consideration \$1,500."

Mrs. C. W. Jackson went to Detroit on Friday to consult a specialist in the case of her eyes, which have been giving her a great deal of trouble lately. Cataracts have formed and an operation was performed for the removal of one of them on Wednesday. The operation was a success and it is hoped that she will regain the use of the eye. The other eye will be operated upon later.—Croswell Jeffersonian.  
March is, we regret to say, a two-faced young lady. The first of March happened on Wednesday of last week and up to the time we went to press on Thursday we hadn't made up our mind whether she arrived like a lamb or lion. The day broke sulky and cloudy but suspiciously calm, you know, and the storm that we waited for came by noon with a young blizzard of snow. So we were afraid of being contradicted if we said "March came in like a lamb."  
John Sexton left for Detroit Monday morning to accept a position in the Ford automobile plant. John has been a hard worker and deserves a great deal of credit for the success he has made in buying old iron, paper, rags and old rubber. Since the death of his wife several years ago he has kept his family together and provided for them. His many friends are glad to learn that he has secured employment in the Ford plant.  
The Hotel Metropole at Port Huron has undergone considerable improvements during the past month. Heat has been installed in several of the rooms that did not heretofore have it in. The water closet on the second floor has been remodelled and put in a more sanitary condition. Other changes have also been made. Mr. Flynn, the proprietor, believes in keeping his hotel in first class order and as up-to-date as possible.

Stephen Windsor made his formal announcement in Tuesday's Port Huron Times-Herald that he would be a candidate for the nomination of sheriff of St. Clair county on the Republican ticket at the coming primaries in August. Steve has made a faithful and competent officer as deputy sheriff and under sheriff and is trained sufficiently to perform the duties of sheriff in a competent and worthy manner. He is a former resident of Yale and we predict a large vote for him in this part of the county.

The Presbyterian church was filled with a congregation of interested listeners last Sunday evening to hear the talks given by the pastor, Rev. Bradfield, N. J. It was a union service and the subject discussed was "Education." Every point was covered in what is necessary for a complete and perfect education. **The Belmont Plan**

In placing the BELMONT METALLIC CASKET on the market, we select in each City of any importance the LEADING FUNERAL DIRECTOR, to whom we give the exclusive right to handle our product, he to use his judgment in the matter of publicity.

We know from his standing that this matter will be handled in strictly a professional manner and that when so placed before a thinking community a demand will be created for what we know to be the highest grade METALLIC CASKET that is manufactured.

When such a demand is created we protect the man who has created it by making it impossible for anyone else to obtain the BELMONT METALLIC CASKET.

After careful consideration, we selected the firm of

**Davis & Son, Yale,**

whose professional standing is of the highest, believing them to be a representative firm of Funeral Directors.

We know from the service they have always given that the BELMONT METALLIC CASKET could not be presented to the community in a more professional and satisfactory way.
