\$1.00 Per Year, In Advance

THERE is an economy wave over the land. American people are beginning to realize that they are living too fast, beyond their means. It has been the rule that the man with \$20,000 a year as well as the man with \$2,000 a year lives up to every penny of his income. Slowly but surely this order of things is changing. The era of extravagance and waste in business and personal expenses is nearing an end. Efficiency and economy is the order of the day. Bank deposits are growing.

It is up to every one to economize. The best and surest way to do so is to place your surplus in the bank. If you already have a bank account make it a point from today on to increase it. Add to it weekly, daily if possible.

IF YOU HAVEN'T A BANK ACCOUNT DECIDE TO OPEN ONE TODAY.

Why You Should Take IRON

Any person whose blood is thin—who is pale or weak—who always feels tired or to whom life hardly seems worth while should take

SAN-TOX

Celery and Iron Tonic

The beneficial effects of San Tox Celery & Iron Tonic are soon noticeable. It makes rich, red blood. The pallor of the cheek is soon replaced by the ruddy glow of health. No tonic is more popular with those who need one, and nothing is a better investment than a \$1.00 bottle of San Tox Celery & Iron Tonic.

EVERYBODY BOOST

And Help Make Caledonian Day a Record Breaker

If the citizens of Yale will only get together and boost July 24th, which is the date set for Caledonian Day, we will have one of the largest crowds the city has ever entertained. The occasion will be something worth boosting for, too. Twenty events will be pulled off, and a \$5,000 purse is hung up for the winners in each one of the sports. This should bring some of the best athletes in this part of the country, as the same are free for all.

Following is a list of the sports as they will come. For each event except the first the money will be divided 1st, \$3,000; 2d, \$1,500 and 3rd, 500. In the tug of war the winning crowd will receive \$5,000.

Tug of War (Yale against the world)
100 yard Dash
Run hop, step and jump
Standing broad jump
Pole vault

100-yard dash and return
Hammer throw
Putting 21 lb. stone
Fat men's race (50 yards)
Standing high jump
Running broad jump
Barrel race (25 yards)

Old men's race (60 years or over)
Boys' race (12 years and under)
Girls' race (12 years and under)
Boys' race (18 years and under)
Girls' race (18 years and under)

Best dressed Highlander
Best dressed boy, Highland costume
Best dressed girl, Highland costume

This gives a big enough variety of athletic sports to suit the crowd that will be sure to attend. These games will start at 10:00 o'clock a. m. sharp.

In the afternoon one of the fastest base ball games of the season will be staged between the Yale Boosters and Sandusky. Both teams are playing real base ball this season and you may look for a first-class exhibition of this National sport.

George H. Bridekirk, one of the best pipers in the Dominion will be here, and with him comes two others who can pipe some, too. There will be four tiny Scotch dancers and the work of these people will be worth coming miles to see and hear.

All the games take place at City park. There is plenty of shade, and outsiders are cordially invited to come and spend a day in the city.

The big Scotch concert in the evening will surely be a grand affair. The tickets for the concert are 25c each and are on sale in a number of business places throughout the city. You should secure yours early as only a limited number will be sold.

Delivery Day Successful

Fred J. Wilt is well satisfied with the success of his fourth annual sale and delivery day and feels very grateful to those who purchased farm machinery and implements which totaled \$8,000.

The winners of the prizes are as follows:—1st, Michael Bowers, ticket number 420, farm gate; 2d, John Dexter, 320, 4-piece porch set; 3rd, John Dexter, 355, \$6.00 lawn mower; 4th, Geo. Benjamin, 519, 50 lbs. binder twine; 5th, F. J. Clark, 151, garden cultivator.

Jas. Cogleys Sons annual sale and delivery day on Saturday last was a bumper, as the sales which totaled \$4,283.43 show. The firm is more than pleased with the day's sales and are thankful to the farmers for their patronage.

Below is the list of winners of prizes:—1st, Oliver J. Cope, 448, Maytag Power washing machine; 2d, E. F. Murray, 501, lawn mower; 3d, Horace Hall, 149, 50 lbs. Dearing twine; 4th, Camron Dean, 490, 14-tooth cultivator; 5th, Chas. Long, 725, wheelbarrow.

On account of the two implement dealers holding their annual sale and delivery on the same day an immense crowd visited Yale on Saturday last.

Daykin Sells Stock to Cooper

Glenn Daykin, who purchased the J. M. Smith stock of general merchandise in the Masonic block, corner Main and North streets last October, sold to Emerson Cooper, of Richmond, this week, but Mr. Cooper will not take possession for two weeks, as he is now temporary manager of the Richmond Supply Co.'s store.

Mr. Daykin during his short stay in Yale has made many warm friends through his thorough business principles, courteous treatment, square dealing and congenial disposition. He has commanded a large trade which Mr. Cooper will no doubt hold for Emerson has a wide acquaintance in and around Yale, having made his home here for many years.

While we regret to lose Mr. Daykin from the business and social life of Yale it is our earnest wish that he prospers wherever he may locate. We understand that for a time at least he will look after his farm near Jonesville.

Carless-Bidleman Nuptials

Married at the home of Elder J. H. Paton, Almont, Thursday, June 29, 1916, at 3:00 p. m., Miss Lulu M. Carless and Mr. Thos Bidleman, both well known and highly respected young people of Yale. The bride is a daughter of Mrs. Ellen Carless and the groom is a son of Mr. and Mrs. Thos Bidleman.

Eleonor, sister of the groom was bridesmaid, and Harvey, brother of the bride, acted as best man.

Mr. and Mrs. Bidleman returned Wednesday evening from a week's trip and will make their home in Yale. We offer congratulations.

Will the person who borrowed a stone boat from the site of the new M. E. church, corner of Main and North streets, please return same and oblige. The Committee.

YALE WINS GAME

Tuesday Was Ideal for Game and Contest Was Exciting.

Both the weather man and luck were on the side of the Yale Boosters last Tuesday p. m. and they were able to snatch a victory from the fast playing Anker-Holth team from the Tunnel city. The ideal weather and the big picnic were instrumental in bringing one of the largest crowds that ever attended a base ball game at City park, and the teams were appreciative enough to treat the spectators to a hard fought contest. The score was by no means small, yet it was kept so close that it was nobody's game till the winning run was made by Yale in the last half of the ninth.

The way the visiting team started out in the first it sure looked as though the Boosters had run up against a snag. But this feeling was only short lived, for in their half of the same frame our boys came back and went the visitors a few better. The fray closely resembled the battle of Verdun in many respects. Both "armies" claimed the victory, and it was too bad that both teams couldn't win. The score was tied a number of times, and lovers of the game were on the anxious seat from start to finish.

Enright and Goshneck were the battery for the visitors and they received excellent support from their team mates. Hallman, Johnston and Allen played to the mound work for the Boosters and the trio did very well, thank you. The entire team played real fast base ball.

The game was finished early in the last half of the ninth when Yale got a run, the score being 9 to 8.

"CAMP SUNRISE"

First Annual County Camp for Boys of St. Clair County

The county Y. M. C. A. committee have secured a beautiful spot on the shore of "Old Lake Huron" where sixty to seventy boys from the different towns and rural communities of St. Clair county will form a camp city and have an ideal outing that will have for its object to develop them physically, mentally and morally.

Six men have been secured who will help the boys have the best and most profitable time that can be crowded into ten days that they will camp.

Specialists have been secured to conduct work in Nature study, Athletics, Scouting, Bible Study, Archery, Swimming and Life-saving, and enough of a variety will be supplied that every boy may find the things that will especially interest him.

A professional cook has been secured that has had real experience in camp cooking and knows a boy's appetite. The camp will be located in a beautiful grove where the ground is high and dry, and will be supplied with good water from a pure spring well.

Two base ball grounds will make it possible to run a fine schedule of games, also water ball and volley ball for those not interested in base ball. Large safe boats will be furnished for fishing and rowing, and men will be provided to assist boys in managing them when needed.

The camp will be under the direction of a camp manager who has had both of experience in both county and state camps and knows the kind of camps that boys like.

THE GLORIOUS 4TH

Large Crowd Celebrated In Yale. The Day One Long to Be Remembered.—City Park an Ideal Spot for Such an Occasion.

Tuesday, July 4th, 1916, will go down into history as one day in all the year when the citizens of Yale, surrounding country and from a distance enjoyed themselves to their heart's content.

From early morning until late at night some entertainment in the way of an auto parade, athletic sports, an exciting game of base ball and a fine display of fireworks interested the visitors.

The members of Sacred Heart parish served meat lunches, ice cream and soft drinks to the hungry and thirsty, and not one went away without having his fill.

The speeches by Fr. Command, of Trenton, and Rev. Crissman, of Port Huron, were good, and were listened to with attention and interest. McKinniss band, of Port Huron, furnished music all day. A report of the baseball game will be found in another column.

The receipts of the day from all sources amounted to \$940.00. When bills are paid a neat sum will be placed in cemetery fund of Sacred Heart church.

Work of County Agriculturist

A considerable portion of last week was spent outside of the county. Cow Testing Association affairs and a conference of County Agents at East Lansing occupied the first three days. The two main subjects discussed were "Marketing" and "Farmers' Institutes."

While there the agents had the privilege of hearing lectures on the selling of farm products by Dr. Canoe of the Massachusetts Agricultural College and Mr. Bassett of the United States Department of Agriculture. That this question is rapidly coming to be an important one in county agent work was realized by all who took part in the discussion, and the need of co-operative organization, together with the improvement of quality, was especially emphasized by the lecturers.

While at the College arrangements were also made with field agents for further demonstrations in the county. C. H. Cook, Assistant State Leader, is with us the present week assisting with drainage problems. During the week beginning with July 17th, Mr. J. H. Carmody will give some thinning and spraying demonstrations.

C. W. Waid, Extension Potato Specialist, will be here about the middle of August to assist with the potato inspection.

During the early part of September Mr. C. E. Reed will work in St. Clair county taking a farm management survey. This work is being done in answer to a number of requests for assistance in the analysis of the farm business, and it is expected that it will point out the main lines along which the county agent should direct his efforts.

While at East Lansing, too, the matter of securing a man to take Mr. Hale's place as tester for the Cow Testing Association was given attention, and Mr. Wesley Moulton of Glen Ellyn Illinois, has been hired for the remainder of the year. Mr. Moulton is a graduate of the Missouri Agricultural College, which has one of the best courses in dairying in the United States and it is felt that we are especially fortunate in obtaining a man of this calibre for the work.

M. P. Church Notes

REV. CHAS. BRAGO, PASTOR

The usual monthly business meeting was held at the church on Wednesday evening.

The last quarterly business meeting of this conference year, will be held next Saturday evening, July 8th. This is a very important meeting and every member should be present.

On Sunday morning the "Lord's Supper" will be partaken of. Rev. Brago will be assisted by Rev. Riley of Goodells. The doors of the church will be opened to admit any wishing to unite with the church. The rites of baptism will also be administered if wished by anyone.

We expect a good Sunday school following the morning service. Though a very warm day our attendance was over 90 last Sabbath.

Prayer service at the usual time on Thursday evening.
