### DUFF FOR STATE SENATOR

The ladies appreciate the kindness of these young people who so willingly assisted in the entertainment.  
Gt. Com. Frances E. Burns then gave a talk of explaining the workings of the L. O. T. M., their acts of kindness to sick and afflicted, effected through the Macabee beds; the principles for which the order stands as such as Woman's Suffrage and Temperance. We were very fortunate to have Mrs. Burns with us, and those who were absent missed a treat.

The Association closed at 4:00 p. m., and was voted a great success. All the visitors remarked upon the beauty of our city, its fine residences, oiled streets, etc.  
Supper was served by the M. P. ladies at the church.  
The Hive wishes to thank especially the business men who were so kind when asked for favors.

Two Accidents on D., B. C. & W.  
The Handy Brothers railroad, which has operated between Hay City and Peck for some time, has escaped any serious accidents up to Sunday last, when Ralph Putnam, of Kingston, Mich., a brakeman on the road was fatally injured Sunday morning by being run over by a car and having both legs cut off. Putnam was coupling cars and caught his foot in a switch. He was taken to his home at Bay City where he died on Monday morning. He leaves a wife and family.  
Following the above accident on Monday, Harry Clynne, aged 21 years, who was one of the steel gang working on the construction train of the Detroit, Bay City & Western railroad, which is being built from Peck to Port Huron, was instantly killed at Roseburg when he was run over and his body crushed by the construction train. Clynne was crossing the track and did not notice the approach of the cars.

### L. O. T. M. ASS'N WAS A SUCCESS

Great Commander Frances E. Burns Was Present

Wednesday, August 2 Peerless Hive No. 123 entertained the St. Clair county Association L. O. T. M. A delegation of Yale ladies met the morning train to welcome Great Commander Burns of St. Louis, and delegates from nearly every Hive in the county.  
The morning session began at 10:00 o'clock in Central hall to transact the necessary business. Lieut. Lady Com. Mudford presided very ably in the absence of the President, Susie S. Graves, who was too ill to attend.  
Deputy Mary Boucher gave the address of welcome for the Hive, and Lady Shoemaker responded in her usual pleasant manner, after which the regular business was pursued until 12 o'clock when the whole company repaired to the M. P. church where a bounteous dinner was served by the ladies of the church.

The afternoon session was open to every one, and quite a number availed themselves of this opportunity to investigate the work of the L. O. T. M. Key. Bragg gave the invocation. Prof. Drouyor, in behalf of the Mayor and people of Yale, gave a fine address of welcome, and Gt. Com. Burns responded with a few well chosen remarks, saying that Yale, with its oiled streets, was one of the cleanest little cities she had visited, and she hoped that other cities would profit by the example.  
Next came the initiation of a class of candidates. Deputy Lady Minor filled the Commander's chair and was assisted in the drill work by members of Peerless Hive. Many were the compliments given this work and much credit is due Deputy Minor in her untiring efforts to make the work a success.

A fine program was given by local talent, as follows:—  
Vocal Solo.....Rawley Hallman  
Vocal Solo.....Louise Bright  
Duet—Cornet and Piano.....The Misses Toft  
Vocal Solo.....Irene Harrington  
Recitation.....Miss Beckett  
Piano Duet.....Harrington and Nila Holden.

The Ladies appreciate the kindness of these young people who so willingly assisted in the entertainment.

More Men Than Women Have Appendicitis  
Surgeons state men are slightly more subject to appendicitis than women. Yale people should know that a few doses of simple buckthorn bark, glycerine, as mixed in Adler-ka, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-ka is surprising. ### SLEEPER FOR GOVERNOR

ALBERT E. SLEEPER  
The time has arrived for Michigan to have a business man for governor and a business administration of the affairs of this state.

The taxpayers have at last become aroused to the burden of increasing state expense and the costly "isms" which have made such deep inroads into the finances of Michigan.  
The Expositor, after a careful study of the situation and a thorough discussion of the men whose names have been offered by either political party, endorses the candidacy of Albert E. Sleeper, of Bad Axe, on the simple basis that his name and his record insure a square deal to all of Michigan.

Mr. Sleeper was a forceful and productive member of the state senate, and his subsequent four years as state treasurer demonstrated his keen business ability, his unquestioned integrity and his devotion to those economies which have become unfashionable in so many departments of public life.  
Sleeper is a plain man of business, with large experience, broad character and a keen understanding of the detail business of the state of Michigan.  
With him as chief executive every portion of Michigan, the largest state except one east of the Mississippi, would feel the inspiration of harmonious state government.  
Mr. Sleeper says: "If I am elected governor, I will try to see that a dollar's worth of service goes out for every dollar of taxes that comes in."

HE COULD HARDLY WALK  
Deranged kidneys cause rheumatism, aches, pains, soreness, stiffness. Ambrose Gary, Sulphur, Okla., writes: "I was bothered with kidney trouble ten years and at times could hardly walk. I began taking Foley Kidney Pills. I got relief from the first but continued till I had taken three bottles. I feel like a new man." Herb T. Hennessy
