35TH YEAR.

YALE, St. Clair County, Mich., THURSDAY, August 17, 1916

\$1.00 Per Year, In Advance

PREPAREDNESS is the magic word today. It is on every tongue. Are you prepared for sickness or business misfortune? Have you enough cash to tide you over? If you haven't a bank account make up your mind to open one today. If you have an account decide to increase it.

The man with the substantial bank account can look the world in the face. A good balance in bank begets confidence. It makes for independence. The business man with a good balance in bank always is prepared to take advantage of an opportunity to buy cheaply for ready cash.

BE PREPARED WITH A BANK BOOK FOR ANY EMERGENCY.

Does Your Watch or Clock Need Repairing?

If so, bring it to us and we will put it in good shape. We have had the experience and can do your work right.

Our Motto:—Neatness and promptness.

L. Roy Fuller, - Yale, Mich.

We know a lot of people who always keep it in the house. That's why their homes are bright and cheerful. All their floors, furniture and woodwork look like new.

Kyanize

is a wonderful finish. It comes in all colors. Do over that floor and put a durable Kyanize finish on it. Make that Furniture new again. Come in. We'll give you a can free if you'll spend a dime for a brush to put it on with. Once you try it, you'll always have it in your house.

While Kyanize was especially made for floors, it has become a universal finish for all wood work. A finish that will stand the hard usage a floor surface has to stand is sure to give satisfaction on standing finish and furniture.

CHAUTAUQUA STARTS FRIDAY

Secure Season Tickets Before the Opening Entertainment.

Many people when approached to buy Chautauqua tickets reply with the statement that they are going to buy single admission tickets, and do not realize that if they do and attend an average number of these entertainments it will cost them more than season tickets would if purchased in advance and the money has all gone to the company and the local guarantors have received no credit for the money spent.

Buy a season ticket and it is good for all the members of your family, and the credit for the sale goes to help make up the amount guaranteed by the local people who stand behind the effort to get a good entertainment in Yale and who stand to lose if 400 tickets are not sold before the opening of the first-entertainment tomorrow.

There is no money to be made by the guarantors, but if the people do not come up and purchase the tickets they stand to lose a pro rata share of the deficit.

The Hedpath Chautauqua last season was above expectations and we have the assurance of the company that the one this year is fully as good if not better than the one last year.

Last year there was a small deficit but the guarantors cheerfully put their names to another guarantee trusting that the people appreciated it enough so that they would support another.

Should there be more than the 400 tickets sold the money left after the expenses are paid will be held as a fund to help finance another Chautauqua.

If we are to have a success this year and another next year it is up to all to buy season tickets.

Announcement has just been made by the management of the Hedpath Chautauquas of the many good things in store on the forthcoming season's program in this community. This program covers a period of five days, afternoons and evenings, in addition to the work of the story hour lady or playground worker.

Friday afternoon at three o'clock there will be a grand concert given by the Smith-Spring-Holmes Company with trombones, cornet, violin and piano, flute and cello. Mr. Smith and Mr. Holmes of this company are well known composers of music and their selections for band instruments are played by bands everywhere.

On Friday night at eight o'clock a half hour concert will be given by the Smith-Spring-Holmes Quintette precluding the splendid lecture on "America's Destiny" delivered by Dr. George H. Bradford, who looks so much like William Jennings Bryan that he is often mistaken for him. Dr. Bradford has long been known, not only as a lecturer but as chancellor of the University of Oklahoma.

We are pleased to announce a much stronger program for Saturday afternoon, as the Russian Count's talk has been discontinued and in his place was secured the well known Clarence Locke Miller, who will give his famous and masterful lecture on the "Democracy of Achievement." A deep subject forcefully handled.

A very entertaining half-hour prelude will be given to the above mentioned lecture by Robert H. Manlove, an impersonator and humorist. Mr. Manlove's time on the platform will pass all too quickly for the audience, but everyone may have an opportunity of seeing him again Saturday night, at which time he gives another half-hour prelude to the unique and beautiful entertainment given by Mr. and Mrs. Francis Havel and daughter, highly educated New Zealanders in a presentation of the scenes, music and customs of the South Sea Islands. Attired in native costumes they stand amid the scenes of their country which are thrown by means of a powerful stereopticon on the background of the stage, while Mr. Havel describes the New Zealand of sixty years ago and Mrs. Havel the New Zealand of today.

Groups about the platform in front of them is the bakery and samples of Polynesian weaving which may be seen more closely by the audience at the close of the evening.

There will be no program on Sunday this year.

The regular program will be resumed on Monday afternoon when the Beulah Buck Concert Company give a half hour prelude to Frederick E. Hopkins in his lecture specializing on community building. For many years Mr. Hopkins has been a favorite orator upon the Lyceum and Chautauqua platform.

On Monday night the entire evening will be given over to a grand concert by the Beulah Buck Quartet which has been upon the Lyceum and Chautauqua platform for seven years with great success. This is one of the best known ladies' quartets in America today.

Tuesday will be another big event of the week known as "Health Day" when Dr. Charles E. Barker, who was Pres. Taft's advisor during his administration in Washington, will give two addresses. One of these will be entitled "Health and Happiness" and the other "How to Live One Hundred Years" Dr. Barker was one of the biggest attractions in 1915 on the big Hedpath Seven-day Chautauqua which opened in Jacksonville, Fla., and closed in Chicago. It was not unusual for 300 people to be gathered about him at the close of his lecture, asking questions.

and soloist on the French horn, a brother of Hohumir Kryl, the cornetist and band leader, was born and educated abroad but has been in this country about twenty-five years. He played during the World's Fair in Chicago and at every big exposition since, including the recent Panama Exposition. For years he has played with the Chicago Symphony Orchestra, of which Frederick is in charge, also with Dr. Kinwald of the Cincinnati Symphony Orchestra.

STORY HOUR FOR CHILDREN.
The Playground Work and Story Hour of this season's Chautauqua will be held each morning, beginning with Saturday morning from nine-thirty to ten-thirty at the Chautauqua tent with Miss Hallie Collins in charge. All children are cordially welcome to attend the story hour free of charge. However those parents who wish their children to have advantage of the special training during the week to take Saturday trips from Detroit to Put-In-Bay and Sandusky will buy a child's season ticket.

A Popular Resort
"The weather has been so warm this summer that people do not realize that the river and lake excursion season is quickly drawing to a close," said O. S. Dustin, general passenger agent of the Ashley & Dustin line, whose steamers, Put-In-Bay and Frank E. Kirby, make daily trips from Detroit to Put-In-Bay and Sandusky.

"Less than a month remains for people to take the cruise from Detroit to the Lake Erie resorts or from Sandusky to Detroit. Many inquiries are being made as to when the season closes, and we have informed all that the Put-In-Bay will make its final trip on Sunday, September 9.

Mr. Dustin says that Cedar Point, to which the steamer Put-In-Bay goes on Sundays, Mondays, Wednesdays and Fridays, is more popular this year than ever before. The number of people who have taken the trip to Cedar Point is greatly in excess of that of a year ago.

The wonderful bathing beach at Cedar Point, which is called "The Atlantic City of the West," has drawn thousands to the Lake Erie resort this summer according to Mr. Dustin.

"Put-In-Bay remains as popular as ever, and provision has been made to entertain the excursionists in every possible manner," said Mr. Dustin.

"Bathing, boating, and dancing are enjoyed by thousands. Then, too, there is always an opportunity to visit the wonderful caves as well as go to the top of the million dollar Perry monument."

Mr. Dustin says that the 1916 season, up to the present time, has been one of the most successful in the history of the Ashley & Dustin line. While the number of passengers carried on holidays, Saturdays and Sundays has been unusually large, there is always plenty of room on the Put-In-Bay the other days of the week, according to Mr. Dustin.

Big Family Reunion.
Wednesday, August 16, 1916, is a day that will long be remembered by the relatives of Sidney Holcomb, for on this date a family reunion was held at the home of his son Orlando, one mile west and one-half mile north of Yale. There were one hundred and six relatives and friends present and one of the best times ever had was enjoyed by all who attended.

The afternoon was spent in social chat, games and a short program and the celebration wound up with a rousing big feast.

The Holcomb families came to this section sixty-three years ago and settled on farms near what is now Yale. There are now living, of the original families only Sam and Sid, and both of these gentlemen, although near the ninetieth milestone, are hale and hearty, and both entertained the visitors with interesting stories of early pioneer life.

It is said that some of the younger members of the clan told interesting fish stories, and showed that they were endowed with very imaginative minds.

Among those who were present from out of town were W. E. Holcomb and family, L. L. Holcomb and family, Evergreen; H. A. Holcomb and family; C. J. Holcomb and family, Kingston; Sidney Holcomb and family, Decker; John Scully and family, Almont; Fred Hall and family, Gaylord; Thos. Staley and family, Wolverine; H. L. Hulet and family, Holly; J. Chapman and family, Pontiac; Roland Richards and family, Decker.

Pleasant Birthday Surprise
The Young People's Class of the Mechanic street Church of Christ Sunday school called on Harry Beals last Friday evening, August 11th, it being his birthday.

Games and other amusements were indulged in and the evening was very pleasantly and happily spent.

Before leaving for their homes the class presented Mr. Beals with two valuable books as a token of their esteem and love for him as a friend and a teacher and wished that he might live many more years.

Work of County Agriculturist

Since the last report was written the completion of the field certified on inspection, work with the Y. M. C. A. boys, a farmer's club meeting and picnic, and matters regarding hay marketing have claimed attention.

Friday and Saturday mornings, talks on agricultural subjects were given at the Y. M. C. A. at Lakeport. The first day soil principles and testing were demonstrated. Simple experiments were set up showing the rise of water in the soil by capillarity and the effect of tile drainage. The testing of soil for lime was also illustrated and explained. On Saturday, the food requirements of our plants and animals were discussed. It was shown to the boys by means of charts how the plants take simple substances or elements from the soil and build them up into complex compounds suitable for persons or animals, and an effort was made to make plain the great plan which controls these processes. Mr. E. C. Lindeman, State Leader in Boys and Girls' Club work, was also secured to assist with the program and was at the camp from Saturday noon until Monday evening explaining vocational work and nature study for young people during morning lecture hours. Arrangements were also made with Mr. Lindeman while here for the starting of some cow testing clubs with the boys on the farms in different parts of the county. This will be explained more fully in a later report.

The joint meeting and picnic held by the Union and Farmers' Farmers' Clubs at Lake Pleasant in Lapeer county was attended on Thursday. Various problems were discussed, but special emphasis was laid on marketing, and an important outcome of the day was the formation of a hay growers' association. Committee in different localities were appointed to arouse interest and advertise the meeting which will be held at Capac, Tuesday, September 19th. Mr. R. H. Ellsworth of the State Markets Department, a man of several years of experience in the management of cooperative selling associations, will be present and assist the men to organize. Dr. Eben Mumford, State Leader of County agents and one of the best authorities in the country on organization and marketing, has also promised to attend, and there is every indication that the event will be one of the most important farmers' meetings ever held in the county. Everyone who has hay to market is urged to be present.

County agents are allowed a leave of fifteen days each year, and a portion of this will be taken from August 18 to 29 inclusive and the office will be closed during that time.

C. L. Brody, County Agent.

Sleeper For Governor And A United Republican Party In Mich.

According to reports received during the past week from every section of the state by Albert K. Sleeper of Bad Axe, leading candidate for the Republican nomination for governor, this slogan has been adopted by the candidates for county office and the Republican workers who are confident that Charles E. Hughes and Albert E. Sleeper will head united party to a magnificent victory at the November election.

Entrenched to some extent by federal patronage and state jobs obtained during the Wilson and Ferris administrations, Democrats in some sections of the state are planning desperate assaults on the Republicans lines next November.

In Charles E. Hughes the Republican party has a candidate who will sweep Michigan by a tremendous majority. To successfully repulse the Democrats all along the line it is necessary that the Republican candidate for governor be a leader capable of welding all factions together.

From all indications the county candidates—the boys in the trenches—feel that it is necessary to nominate a man to head the state ticket who will make their campaign easier in the fall.

While many of the candidates for county office have primary contests of their own and are unable to participate actively in the gubernatorial campaign, many are quietly passing the word to their friends that Sleeper's nomination will clinch their election in November.

During the Republican state convention last spring many leaders declared that the sentiment among the delegates was practically unanimous for Sleeper. "I venture the prediction," declared a man who has watched conventions for many years, "that if a vote could be taken in this convention today eighty per cent of the delegates would favor Sleeper."

Holmes For State Senator
Not a politician, not an orator, but just a plain business man and employer of labor.

If L. A. Holmes is chosen to represent this senatorial district in the state legislature he will serve the people well. Mr. Holmes hails from Macomb county. But he has factories in Port Huron as well as in Romeo. He is the largest individual employer of labor in the district.

Mr. Holmes seeks the nomination for state senator on the republican ticket at the primaries to be held August 29, 1916.

STOP AND REFLECT

YOU who have settled in matrimony—you who intend to some day—think of those around whom your whole thoughts are centered. Think of the duty imposed upon you to provide comfort and happiness for them.

You Can't Provide for Them with an Empty Purse

Wouldn't it be wise for you to begin to save now so that you'll be able to provide against poverty? You don't have to save much—but you must save regularly.

Put your funds here, where safety and personal service go hand in hand with conscientious effort.

City Taxes Now Due
The city tax roll has been placed in my hands for collection. All persons on the assessment roll are requested to call at Rosenthal's clothing store, where taxes will be received.

J. I. Rosenthal, City Treasurer

POULTRY WANTED.
I am in the market for poultry of all kinds and will pay the highest market prices for same. Bring in your poultry Wednesday of each week. Inquire at residence, opposite feed barn, Yale.

MORE MEN THAN WOMEN HAVE APPENDICITIS
Surgeons state men are slightly more subject to appendicitis than women. Yale people should know that a few doses of simple buckthorn bark, glycerine, as mixed in Adler-i-ka, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-i-ka is surprising. Grant Holden, druggist. adv.
