## RECORD SHOWS TOWNSEND FOR CANADIAN RECIPROCITY

M. B. McPherson, of Lowell, Mich., raises the question whether the records bear out the charge that Senator Townsend voted for Canadian reciprocity in 1911 when the Michigan farmers were fearful their markets would go glimmering under the influx of Dominion products.

The Detroit Times wired its Washington correspondent for the official version of the Michigan Senator's attitude on the question and received this reply:

Townsend voted for Canadian reciprocity; Smith voted against it. Afterward Townsend made speech in which he said he made a mistake in voting for it.

At the time the Canadian reciprocity measure was under discussion in Washington, a committee from Michigan went there. This committee was composed of the following: Ex-governor Fred M. Warner; P. R. Waterbury, editor of the Michigan Farmer; Pres. Snyder, Michigan Agricultural college; D. A. Holden, president State Association Farmers clubs; N. P. Hull, master State Grange; Senator Herbert Powell, Ionia, Mich.; C. E. Bassett, Fennville, Mich.; James H. McBride, Burton, Mich.; Clark R. Reed, Howell, Mich.

This committee had a hearing before the senate finance committee, and also waited upon Senator Townsend. The manifold disadvantages to the farmers of Michigan from the Canadian reciprocity bill were presented by them to Senator Townsend in all its phases. Senator Townsend was non-committal, but afterwards voted in favor of the Canadian reciprocity bill.
