GOOD CLOTHES DEALER

It Was Enough to Make One Weep

That Plea for Sympathy by the WETS in their page advertisement published in The Times-Herald last Saturday, IS CHRIS. KERN ENTITLED TO YOUR SYMPATHY? We have nothing against Mr. Kern personally. Our fight is against the business he is engaged in.

They make a plea for your vote on the basis that Prohibition would destroy the business of the C. Kern Brewing Co. LET'S FACE THE FACTS.

Other breweries are being converted into manufacturing plants. Why not the plant of the C. Kern Brewing Co.? If the head of that corporation has business acumen enough to make a success of a brewery, he can easily make a success in some legitimate business.

In the event that the business of the brewery was wiped out, Mr. Kern would not need to starve. He owns one of the finest farms in lower Michigan. He could retire to his Estate and live like a baron on the fat of the land. WHAT ABOUT THE DRINKER? When he loses his job or his home, or both, the only farm he can retire to is the poor farm. It's "over the hills to the poor house" for him. NO SIR, THE SLEEK SALOON KEEPERS AND BREWERY OWNERS ARE NOT ENTITLED TO EITHER YOUR VOTE OR YOUR SYMPATHY. The drunkard who has lost his job or his home, the wife who has toiled at the wash-tub, the children who have been forced to go hungry—THESE ARE ENTITLED TO YOUR SYMPATHY.

They would have you believe that the saloon keepers, the whiskey distillers, the brewery owners are the patron saints, the real philanthropists of Port Huron. When they give a dollar to any cause they expect a hundred fold return. In 1914 when they gave \$14,500 towards the Grand Trunk Shops fund, THEY TOOK IN MORE THAN A HALF MILLION DOLLARS OVER THE BAR.

THE PROHIBITIONISTS SEEK TO REMOVE THE CAUSES WHICH MAKE CHARITY NECESSARY. Perhaps you believe that the liquor interests ought to be reimbursed for their business when Michigan goes dry. All right! BUT FIRST LET THEM COMPENSATE THE MEN whom they have ruined, the women who have been made widows, the children who have been made fatherless, the insane who have been robbed of their reason, the men who have lost their jobs and if there is any balance, why then we can talk about compensation.

The DRY Amendment reads:

The HOME RULE Amendment reads:

Home Rule Means More Saloons

The fight being waged in Michigan right now is between Prohibition and more saloons.

The "Home Rule" proposition is the saloon proposition.

If you vote for the cleverly worded proposition called "Home Rule" you are voting for more saloons in Michigan.

The "Home Rule" plan originated with the saloon interests, was fostered by the saloon interests, is being financed by the saloon interests, its sole purpose is to extend the business and influence of the saloon interests.

If you don't want the saloons to get a tighter grip on the people of Michigan and extend this pernicious influence, hit that specious "Home Rule" plan a blow and hit it hard.
