

What Shall I Write?

It isn't so much what you write, but what stationery to use that should first concern you.

We Suggest Symphone Lawn and Lord Baltimore Linen

Its use will be an inspiration—because it's a pleasure to use a splendid, beautiful correspondence paper of such high quality. This paper just snaps with quality. Get acquainted with our stationery—all shapes and sizes.

...Yale Pride Flour...

made into raisin bread is one of the most tasty and nutritious foods that can be placed before growing Young America.

Wheat is a white man's food and one of his staples, but fickle childhood sometimes wants a change, and you'll find the above a good one.

Its lower price easily puts it in the economical class, which will please the bread winner, also. Mother will be pleased because all the others are.

After October 1st, 1917, the price of the Expositor will be \$1.50 per year to subscribers in the United States and \$2.00 to those residing in Canada. Before that date subscribers within the United States may have the privilege of paying up arrears and as many years in advance as they wish at the present price.

"Twenty Thousand Leagues Under the Sea" shown on the screen at Princess Theatre Tuesday afternoon and evening drew a fair-sized crowd. The heavy downpour of rain and hail which came at the time of the afternoon show kept a great many away. The high class of this entertainment deserved a much larger attendance and it is hoped that the managers of the Princess Theatre may put these pictures on again in the near future.
