## A Bank Account Cures Worry

An eminent physician declares that worry kills more Americans than war. Many people live beyond their means. A goodly bank account ends worry. It brings contentment. It is conducive to serenity. It makes for independence. It makes for confidence. See us today about that account of yours. We do every kind of banking. We'll be glad to explain our deposit and checking systems. Special attention is given to all new accounts.

## Remember:—

It is usually the unexpected that happens. You can never know when your home may require the services of the fire department. Friends can carry out your furniture, but only you can save your papers of value. If you keep them in a safe deposit box in our fire-proof vaults you can know they are safe, not only from fire, but also from theft or loss.

## Yale State Bank

You have our sincere wishes that the New Year will hold much for you in Happiness, Health and Prosperity.

## Yale Children Share Christmas.

A short time ago we received the following appeal from the chairman of "The War Children's Relief Fund"— "School children all over the country are volunteering to share their Christmas with their little friends, the children of the Allies. "The little ones Over There are very close to our hearts. We are sending our sons and brothers to fight for them in the future they may grow up in the happy peace and security which our dear children enjoy. "Since the war began we have sent many thousands of Little Stockings each Christmas and always some warm substantial clothing so that the happiness would be for more than one day. "This year we know how wistfully our little friends look to our children for Christmas happiness. "Already we know that a happy Christmas is assured to many, but we want to make 25,000 children happy Over There at Christmas. It will require about a dollar for each child. "Will you permit your pupils to have the privilege of sharing their Christmas happiness with their desolate little friends?"

We laid this matter before our teachers and children, and almost without exception they were anxious to share their Christmas money and Christmas joy with the children across the sea, who otherwise would entirely miss a visit from Santa Claus this year. Pennies, nickles, dimes, quarters, and even some dollars came pouring in, and we know our children felt the divine joy of giving—a joy that older people have found has something finer and fuller than that that comes from receiving.

The amounts turned in were:—Kindergarten, \$2.37; 1st grade, \$2.37; 2nd grade, \$3.62; 3rd grade, \$2.10; 4th grade, \$2.51; 5th grade, \$3.48; 6th grade, \$3.20; 7th and 8th grades, \$12.30; High school, \$20.00. It should be remembered that some of the grades are much larger than others, as the varying amounts are noted. They all did splendidly, and I wish to publicly express my appreciation of what they did and to wish them more than the usual amount of Christmas joy to which they are entitled, as the real Christ spirit must have moved them to divide their Christmas with the children of the devastated lands beyond the sea.

A check for \$51.00 was sent to headquarters Dec. 13th, which means that 51 children will be made happy on Christmas morning, 1917.

## From One of Our Soldier Boys.

Camp Custer, Dec. 12, 1917  
Mr. Bert McDonald,  
Yale, Michigan  
Dear Sir:—I write to thank you very much for the check that I received from Ed Johnston today.

We are having a good time down here, and it is good training for a boy, although it is rather cold nowadays. But we don't mind that with the woolen goods the Red Cross sends us. The soldiers sure see the great things the Red Cross is doing for them now.

I think there are two things that the people of the United States should back as much as they can, and that is the Y. M. C. A. and the Red Cross. One can't really see what they are doing until he gets into the service.

Hoping to see you all and tell you about camp life during the holidays, I remain,  
Yours truly,  
F. E. Weiler,  
M. G. Co., 337th Inf.

## Y. M. C. A. NOTES

Plans "for keeping the back lines up" during the war were adopted at the semi-annual meeting of the Michigan State Executive Committee of the Y. M. C. A. at Detroit last week. Co-operation of the county organization in this county and others of Michigan. The patriotic attempts to build up men and conserve materials for the war were considered.

In his report to the committee, State Secretary L. E. Buell said, "At this time last year none of us realized what a ground swell of patriotism would come during these twelve months and lift us so far beyond the opportunity as we then saw it, that the present larger opportunity is far over-shadowed by the great responsibility now thrust upon our Association movement, and especially upon our Michigan State work."

"A year ago we looked forward to a possible extreme of our state budget of \$75,000. Today we look upon nearly \$2,000,000 raised in Michigan for Y. M. C. A. purposes outside of the local field."

Plans for co-operation in all war economies were discussed and all possible action was agreed to. A clean living campaign in the state to back up the movement to clean up the army was planned for. "Father and Son" banquets as a means of getting families together in war times, were advised.

Michigan has already overshot the \$1,500,000 in the War Fund campaign it is understood, from the latest reports in the hands of the committee.

Reuben R. Moore, St. Clair; L. G. Seeley, Caro; and Henry Knowlton, Cadillac, were elected new members of the Committee.

The Committee was entertained by Herbert R. Earle, Campaign Director for Michigan in the recent war fund drive, at the Detroit Club.

## M. P. Church Notes

### F. L. Crandall, Pastor

The children will give their Christmas program on Christmas eve. As is usual there will be a tree and Santa will be there to give the little folks candy and gifts.

The L. A. S. met at the home of Mrs. Chas. Barr on Thursday.

Remember the missionary meeting in the church parlors on Wednesday evening, Dec. 26th.

A most enjoyable evening was spent at the home of Mr. and Mrs. Andrew Ostrander when the L. B. C. and Men's Bible Class met for their annual gathering. A short business session was held at which Mrs. Hyde received a unanimous vote for president of the L. B. C. This was followed by a short program and was enjoyed by all. The guests numbering over 40 were served a delicious two course oyster supper. The decorations of apple blossoms were much admired. At a late hour the guests departed with hearty thanks to the host and hostess for such a jolly good time.

### Food Sale and Luncheon.

The Methodist Episcopal church choir will have a food sale and luncheon in the parlors of the church on Saturday, Dec. 23. Sale starts at 10:30 o'clock. Any of the ladies wishing to donate toward the sale please send baking in by 10:00 o'clock.

### LUNCHEON MENU

She was a good worker and will be greatly missed in the community. The best wishes of all go with her.

### Bring On Your Junk

I will pay \$12.00 a ton for old iron; 10 a pound for rags; 5c a pound for rubber boots and rubber shoes.

John Sexton, Yale

### On Cash Basis.

On account of the high cost of material used in repair work, likewise the high cost of living, I have concluded the only system is to require cash from everybody, therefore from now on all work will be cash. Those who are indebted to me will please call and settle their accounts before Jan. 1st, 1918.

Respectfully, G. W. Gardner.
