### HERE AND THERE

Community day in Crosswell tomorrow, March 29.

A co-operative store has been established at Had Axe.

Peck merchants will do an all-cash business after April 15.

Mrs. Jarvovs Thornton, a Sanilac county pioneer, died last week at the age of 86 years.

Imlay City had twenty-two cases of small-pox during the winter, but the coast is now clear.

The Crosswell orchestra of five persons has been organized with H. J. McGill as president.

The Almont Herald says "a flock of 17 wild geese went over Monday." Did he mean over the top?

Their sixteenth child has just been born to Mr. and Mrs. Chas. Beauvais, of Marine City. All are living.

It is confidently expected that a \$25,000 two-process condensary plant will be established at Carsonville.

The hotel at Almont will be opened and operated, provided the business men will stand behind the venture.

George Mater, a pioneer resident of Sanilac county, died last week at his home in Custer township, aged 92 years.

The farmers to the south-east of Crosswell have organized a new threshing company which will be ready to do business the coming fall.

George Corsault, a pioneer Crosswell farmer, aged 80 years, has become insane and has been placed in confinement until he can be sent to Pontiac.

Solomon Hill, of Brown City, died very suddenly last week. He was taken ill while sitting in a chair talking to his family, and died in an hour.

Mrs. George Muzzy, a former Carsonville woman now living in Port Huron, attempted her life by taking carbolic acid. She may die. Domestic unhappiness is given as cause for the act.

The three-year-old son of Mr. and Mrs. Alex. Greenleaf, of Hemans, fell in a big ditch in front of their home on Tuesday of last week and was drowned. It was three hours after the little one was missed before the body was found.

LeRoy Cunnis, the 18 year old son of H. B. Cunnis, of Algonac, after working several months on an airplane of approved type, has it completed. The machine is propelled by a 14 horse power engine. He has made a successful trip across to Walpole at the rate of 60 miles an hour.

Chas. G. Crosby, director of the Lexington and Marietta bands for several years, has consented to take the leadership of the Calumet-Recla band, one of the big bands of Northern Michigan. Mr. Crosby will be greatly missed in the towns where his musical leadership has been highly appreciated.

Brother Paton, of the Almont Herald is having a run of ill luck. A short time ago he was in quarantine several weeks for small-pox, having the disease himself, next his help in the printing office was called to the colors. Now he has been drawn for jury work and can not be excused. Bro. Paton is inclined to think he is suffering for the sins of another.

When Carsonville business men found out that the editor of their weekly paper couldn't live on nothing at all, and that he had sold his printing material to Slate of Sandusky, they got busy and with inducements of steady trade promised, persuaded editor Dean to buy new material and begin the publication of a paper again. It was realized that the town would die out with no newspaper medium.

### JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Yale Citizen's Experience? Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back, a lame, weak or aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from faraway places.

It is different when the endorsement comes from home. Easy to prove local testimony. Read this case:

William Wilson, farmer, R. F. D. 5, Yale, says: "For a long time I was troubled by disordered kidneys. The kidney secretions were irregular in passage and accompanied by a scalding sensation. There was also sediment in them. Nothing benefited me until I got Doan's Kidney Pills at Grant Holden's Drug Store. They removed the trouble and restored me to much better health."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wilson had. Foster-Milburn Co., Props., Buffalo, N. Y.

The St. Clair County Chapter has asked Yale Branch to furnish 25 sets Infant's Layetts for the refugees of Belgium and Northern France. It is not the desire of the Red Cross that this should be furnished from the funds of the chapter, nor the work interfere with the regular hospital and field work of the chapter; therefore volunteers are solicited to furnish and make one or more of these layetts. The material required is white outing and 5 1/4 yards will make a complete layette, and the local branch will furnish patterns for same. Will twenty-five ladies of the community come forward and furnish this quota of layetts? Who will be the first volunteer?

### M. P. Church Notes

F. L. Crandall, Pastor

With saddened, heavy hearts, we have again looked into the face of a loved one, who has gone from amongst us. Words fail us when we try to express all that is in our hearts, but we can best honor and show our love for our departed sister, by emulating her Godly life and christian fortitude. Amid clouds or sunshine her faith and trust in the Heavenly Father was ever steadfast and true, and, if she, with all the cares and responsibilities of home and pastorate, could ever show a cheerful, smiling face, surely we, though we cannot understand, can bow to the will of an All-wise Creator and say, "Thy Will Be Done." "Not now but in the coming years." It may be in the better land we'll read the meaning of our tears, and there, sometime, we'll understand.

There will be no preaching services or Sabbath school next Sunday but one week later all services will be resumed. The L. A. S. meeting has also been postponed for a week.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
