### HERE AND THERE

Capac streets are being oiled.  
Croswell high school will graduate twenty-six students this year.

A new elevator is going up in Bad Axe to take the place of one recently burned.

Bad Axe is getting gay. She is going to have a "pavement dance" this summer.

Marlette students held a clean-up day on the school grounds last week and did a fine job.

An organization of Home Guards has been formed in Marlette, starting out with 80 members.

The new milk condensary at Sandusky opened for business on Monday of last week and received on the first day 22,000 pounds of milk.

The Bowen farm near Sandusky, will grow sixty acres of sugar beets this season. Four houses are being built to accommodate beet weathers.

Marine City people are talking cement paving for their streets and had George Champ, a road building expert, explaining good roads to them.

The streets of Brown City have all been graded and put into good condition. For the first time a Fordson tractor furnished the power in place of horses.

Joseph Potter, aged 82, the oldest resident of the vicinity of Memphis, having lived there since he was five years of age, died last week. An aged wife survives him.

Carsonville again has a newspaper. The same editor, Jos. V. Dean, is at the helm but has given the paper a new name, The Journal. Here's best wishes for success.

Daniel Donahue, manager of the electric theatre at Saginaw, was found dead and alone in a room on the second floor of his home Saturday last week. His wife was in Saginaw.

Over at Almost one woman registered who was 103 years old. Another was ninety and had been blind for twenty-six years. Still another one had taken out naturalization papers.

Including the men who left May 11, Sanilac county has furnished 411 drafted men. In addition to these Sanilac county is represented by 52 enlisted men. There is still 202 men in class 1.

The Sanilac County Creamery a mile from Brown City, took fire Monday of last week, but by quick and effective work by a bucket brigade and the fire company from Brown City, the blaze was put under control.

Bert Loucks, a Shabbona farmer, was stricken with apoplexy while milking a cow, and died while being carried into his home. His wife is an inmate of the Pontiac State hospital and he leaves six children and an aged mother.

### ECHOES FROM PORT HURON

Port Huron Happenings Always Interest Our Readers

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Port Huron resident leaves no room for doubt on this point.

Mrs. Melvin Hillock, 1334 Gullite St., Port Huron, Mich., says: "Three years ago I had a slight attack of lumbago. When I tried to bend over or straighten up, sharp pains caught me in the small of my back. During this misery with my back, my kidneys weren't acting as they should, and I was all run down. I had no ambition and was so nervous I could fly. Reading about the good Doan's Kidney Pills were doing others, I used a box. I received so much relief that I stuck to them until I had taken about three boxes, which practically cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mrs. Hillock recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

### Y. M. C. A. On The Battle Front.

In their fight against the Kaiser, American soldiers boy under shell fire in France are being given all possible comforts and assistance, according to an announcement just received here from the National War Work Council of the Y. M. C. A. At the present time there are more than 250 American Y. M. C. A. secretaries under shell fire. These men have been with Pershing's men from the time they landed on foreign soil.

A total of \$5,000,000 is being expended monthly by the Army Y. M. C. A. in its work for the American troops at home and abroad. There are 2,500 Y. M. C. A. workers in France and England and 3,000 in American camps.

Because of the increasing need for men in this service and the force necessary to operate the entire canteen system in France, efforts are being made to enroll at least 1,000 more business and professional men of high standing who are willing to go to France for every kind of Y. M. C. A. service before July 1.

The Y. M. C. A. has established a chain of huts and dugouts along the front lines occupied by the American troops "over there" and is meeting the needs of the Sammies as they take their places alongside their Allies. The Y. M. C. A. huts on the Russian front have been demolished by German guns and the 150 secretaries there have retired before the advance of the Huns and are now established in Siberia, awaiting an opportunity to return to Russia.

## Case Silo Fillers

### Built to Give Service

Case Silo Fillers are built like other Case products. There has been no skimping of material or workmanship. The frame is of 4-inch channel steel, cross-braced. They are made in three sizes and will deliver ensilage into silos of any height. Adjustments for four lengths of cuts are provided for.

As you study the Case Silo Filler you will be impressed with the many exclusive features. Machine is equipped with self feed table, therefore saves the work of one man. Four knives on boiler-head, steel fly-wheel. This construction provides safety not found in machines carrying knives on cast wheel. They require less power than many others doing the same amount of work.

Case offers only one kind of machinery. That kind is built to give lasting service. The Case Silo Filler will do your work quickly and economically. Three sizes--Nos. 12, 16 and 20.

Drop in, learn all about them.

## Mothers--This Child Was Cured of Bed-Wetting

Mrs. C. W. Peters, Lancaster, Pa., R. 2, writes: "My six-year-old girl has wet the bed since she was a baby. I found no relief until I tried your sample of Foley Kidney Pills. I saw they were helping her, and bought two bottles of my druggist and she is altogether cured. Thanks to Foley Kidney Pills for the benefit I have found in them, as it takes a lot of washing out of me. I have told a number of mothers since I found the cure."

Parents no longer scold or punish a child for bed-wetting. Instead, they improve the little one's physical condition, until the annoying and mortifying act is done away with.

A few simple rules aided by the use of Foley Kidney Pills will stop any ordinary case of bed-wetting. It is not caused by obstruction or malformation of the parts. They are safe to take and absolutely free of harmful drugs. For full particulars, send 10c in stamps to Dr. J. C. Foley, 335 Sheffield Ave., Chicago, who will send you his latest on bed-wetting to any one asking for it.

## DELCO-LIGHT

### Increases Farm Efficiency

Fifty thousand Delco-Light plants in operation on American farms are saving at the most conservative estimate, an hour a day each--or over 18,000,000 work hours a year. That is equal to an army of 60,000 men working ten hours a day for a full month.

Delco-Light is a complete electric light and power plant for farms and suburban homes.

It furnishes an abundance of clean, safe, economical light, and operates pump, churn, cream separator, washing machine and other appliances.

It is also lighting rural stores, garages, churches, schools, army camps and rail way stations.
