Don't Belittle That Backache—Stop It.

Kidney and Bladder Sufferers Regretfully Recall Their Neglect of First Symptom. Use Caution—Get Dodd's.

If kidney disease attacked suddenly as does Appendicitis, or a Fever, you would be forced to bed immediately. But it doesn't—its process is slow, destructive and fatal.

You can't afford to disobey nature's first warnings—slightest backache, throbbing pain through loins, stiffness in stooping or lifting. Take heed immediately, and beware, too, of spots appearing before or puffiness under the eyes, rheumatic pains, nightly arising.

Thousands upon thousands have been relieved in the past 40 years by using Dodd's—they quickly tone and revive sickly kidneys. Be sure your druggist gives you Dodd's—flat, round box, with three D's in the name.

If your druggist is sold out, send 60c in stamps with druggist's name to Dodd's Medicine Co., Buffalo, N. Y.

Acid-Stomach Makes 9 Out of 10 People Suffer

Doctors declare that more than 70 non-organic diseases can be traced to Acid-Stomach. Starting with indigestion, heartburn, belching, food-remaining, bloating, sour, gassy stomach, the entire system eventually becomes affected, every vital organ suffering in some degree or other. You see these victims of Acid-Stomach everywhere—people who are subject to nervousness, headache, insomnia, biliousness—people who suffer from rheumatism, lumbago, sciatica and aches and pains all over the body. It is safe to say that about 9 people out of 10 suffer to some extent from Acid-Stomach.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

By REV. P. E. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago. (Copyright, 1913, Western Newspaper Union)

LESSON FOR OCTOBER 12 FISHERS OF MEN.

LESSON TEXT—Mark 1:14-20. GOLDEN TEXT—Jesus said unto them, come ye after me, and I will make you to become fishers of men.—Mark 1:17. ADDITIONAL MATERIAL—Matt. 4:13-22; Luke 5:1-11; 14:15-24; James 5:19, 20. PRIMARY TOPIC—Helping others to know Jesus. JUNIOR TOPIC—Peter and John become workers for Jesus. INTERMEDIATE TOPIC—The work of a disciple. SENIOR AND ADULT TOPIC—Ways of winning men to Christ.

I. Jesus Preaching in Galilee (vv. 14, 15).

The reason why he changed from Judea to Galilee was the growing opposition to him. The fate of John the Baptist he accepted as foreshadowing his own death. The rejection of the forerunner meant the rejection of him whose advent he heralded. Prudence moved him to a more remote region, where he would attract less attention and be free from opposition. Besides this it gave less favored people an opportunity to hear the gospel, according to the prophetic word (Isa. 9:1, 2). It foreshadowed the gospel to the Gentiles.

1. What he preached (v. 14). The gospel of the Kingdom of God, which meant the good news of the near approach of the Kingdom of God, when the rule of God as predicted by the prophets would be realized. It should be carefully noted that the gospel of the Kingdom differs from the gospel of the grace of God.

2. How he preached (v. 15). (1) "The time is fulfilled and the Kingdom of God is at hand." This meant that the time had now come for the appearance of the Messiah and the establishment of his kingdom. (2) "Repent." This meant that the people should turn around, change their minds and attitude toward Christ the King and accept him as their King. This is a message which needs to be sounded out today. People should be called upon to repent of their sins. (3) "Believe the gospel." Then, as now, men need to believe the gospel of Christ's death for their sins and resurrection for justification (1 Cor. 15:1-4; Rom. 4:25).

II. Jesus Calling Disciples to Become Fishers of Men (vv. 16-20).

1. Who were called (vv. 16, 19). Simon and Andrew, John and James, two pairs of brothers. It is usually held to render the Lord's service in fellowship—in pairs. This is not only necessary for effective testimony, but for needed fellowship on the part of witnesses. These all had previously been called to Christ for salvation; they had become his disciples (John 1:36-42). They are now called to service. This is always his way. We are first called to be disciples, then called to have fellowship with him in service.

2. From what they were called (vv. 16, 20). They were called from positions of definite service. God always chooses his servants from the ranks of the employed. The lazy man is not likely to have a call.

3. To what they were called (v. 17). To be "fishers of men." They no doubt had been successful fishers. The qualities which made them good fishers, namely, patience, bravery to face the storm and night, and perseverance which led them to toil all night, though no fish were caught, would make them good fishers of men. It requires patience, bravery and perseverance to win souls for Christ.

4. Their call to obedience (vv. 18, 20). To obey meant sacrifice, painful separation, to give up all business interests and leave their father behind. Regardless of the cost, they yielded prompt obedience. They gave up business and home, not even inquiring as to where their salaries were to come from. They put their trust in him who called them, believing that he was able to supply all their needs.

5. Their reward (v. 17). These four men have wielded wondrous influence in the world. Their names have become immortalized. Had they remained at their business they would only have been humble fishermen. When Christ called let us promptly obey, for eventually it will pay. It will yield one hundredfold in this life, and eternal life in the world to come.

Preaching the Gospel.

If the church is to reach the masses of the people it will have to send, as did the prophets and apostles, fit men to tell the glorious gospel of the grace of God. What is more, those who cannot do this work will have to support and encourage those who can. The marching orders of the church are: "Go ye into all the world and preach the gospel to every creature."

"For Thee."

With all the salvation of the world depending upon him, he has time and thought for each individual soul. Think of the vastness of his care! yet the body of our Lord Jesus Christ was given for thee.—Selected.

Contagion of Heaven.

There ought to be such an atmosphere in every Christian church that a man going and sitting there should take the contagion of heaven, and carry home a fire to kindle the altar whence he came.—H. W. Beecher.

"Just Joy Riding" Say Women.

London.—Women dressed in the uniform of the Wrens (Women's Auxiliary Army Corps), the organization which proved of such value during the war, are proving the worst automobile thieves with which Scotland Yard has to deal, according to an inspector in charge of the chase. They frequently work in couples, and when caught in the act smile archly at the owner of the car with the remark, "We were just off for a short joy ride." As a rule they are allowed to go.

"Highgate."

The word "Highgate" is derived from a gate erected over 400 years ago to receive tolls for the bishop of London. At one time all travelers who tarried at Highgate taverns were required to take an oath never to eat brown bread while they could get white.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin caluses from bottom of feet. A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No numbing—Adv.

The Effects of Opiates.

THAT INFANTS are peculiarly susceptible to opium and its various preparations, all of which are narcotic, is well known. Even in the smallest doses, if continued, these opiates cause changes in the functions and growth of the cells which are likely to become permanent, causing imbecility, mental perversion, a craving for alcohol or narcotics in later life. Nervous diseases, such as intractable nervous dyspepsia and lack of staying powers are a result of dosing with opiates or narcotics to keep children quiet in their infancy. The rule among physicians is that children should never receive opiates in the smallest doses for more than a day at a time, and only then if unavoidable.

The administration of Anodynes, Drops, Cordials, Soothing Syrups and other narcotics to children by any but a physician cannot be too strongly decried, and the druggist should not be a party to it. Children who are ill need the attention of a physician, and it is nothing less than a crime to dose them wilfully with narcotics.

Castoria contains no narcotics if it bears the signature of Chas. H. Fletcher. Genuine Castoria always bears the signature of *Chas. H. Fletcher*

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Danger is in sight. Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back, waste up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.
