THE YALE EXPOSITOR JOHN D. JR., OUT FOR INTERCHURCH

WORLD'S RICHEST YOUNG MAN DODGES NO QUESTIONS-SURPRISES DETROIT

SAYS CHURCHES MUST WORK IN HARMONY

John D. Rockefeller, Jr., when he recently visited Detroit in the interests of the Interchurch World Movement, astounded the residents of the state metropolis by the frankness of his views. No matter what the question, he spoke his views right cut.

Among other things, he said: "Some people charge that capitalists use the church to keep working men contented. They say that poor people do not attend church.

"Do you"-addressing the reporters -"notice whether or not the rich attend them? I have seen no evidence that the poor desert the church any more than the rich.

"There may be individual ministers who tear to offend some rich partshioner. I do not know personally of any such case. It is absurd to say that there is any such general sub-

JOHN D. ROCKEFELLER, JR.

"Some 'wet' New York newspapers harged recently that my father and ! inve spent \$30,000,000.00 to get proibition so as to get more work ou of our employes

"I found by investigation that m; father and I together have give: \$320,000 for prohibition. We have ione it because we believe it is a great moral improvement for this

"Profiteering? Yes, there is profit sering. The man who charges \$100 for a \$50 article is a profiteer. And the working man who charges \$1 for e cents worth of work is a profiteer

"Neither I nor my father have had anything to do for twenty years with the price of gasoline. The Interchurch World Movemen is imperative because the time has come when churches and Christian must cease fighting and competing

with one another, and join in a united battle against organized unbelief and in. Seventy per cent of the Pro testants of America have joined in thi reat movement. I believe it will be he greatest force for righteousness in he history of the world,

"I said the other day that the sum sought was to be \$330,000,000; a man interrupted me and said that it was £336,000,000. I asked him 'What does six million dollars amount to? I will take care of that myself."

A FEW QUESTIONS ON THE PAY OF MINISTERS

Why should min sters be forced to ery for better pay? Why not turn the tubles and ask the churches their rea son for paying pastors less than they earn and even less than the cost of living

An industrial corporation is roundly condemned if it pays poor wages. What, then, shall be said of the churches still paying the salary of five years ago with a dollar worth less than half what it was then?

FIND FACTS ON ALL CHURCHES, IS PLANNED

The object of the Interchurch World Movement is not to eliminate or close any church. It is a co-operative move ment of denominations and it has no authority to close churches or to plant them. But its survey is seeking ou the facts as to where churches may have been unwisely placed and where they have ceased to be useful. Then it will inform the general church bodie; and they may do what they pleas with the facts.

Interchurch Pamphlets Offered "What It Is" is the title of a recen pamphlet outlining the organisation and program of the Interchurch World Movement. A booklet giving a so what more extended discussion is called "The Interchurch World Move ment of North America: Its Origin, Purposes and Plans." Both are distributed free from Interchurch state headquarters in Detroit.

These Three Price Groups Are Bringing Scores to Choose From the

Smart Spring Suits \$29.75 \$49.75

Probably the one big reason why this event is making suit-selling history at this store is that the three prices cover a range which "just fits" any pocketbook that might come along. There's a price to suit every woman.

Then there is variety—at each of the three figures is unstinted choice. Everything that is new is here and everything that is here is new-very new, in style, color, fabric, trim.

And lastly, but more important still, is value. These prices don't begin to match up with the fine quality and workmanship found in every one of these garments.

With suit-wearing weather at hand and weeks and weeks of it still to come—doesn't all this hold an appeal to you to at least come and see and try on some of the suits? You're certainly welcome.
