

KANTLEEK

It Can't Leak, Because It's Made in One Piece

EVER been scalded by a leaking hot-water bottle? This can't happen with a Kantleek. Kantleek Hot-Water Bags can't leak. They are "one-piece" water bags—moulded from pure soft rubber into a single piece—no joints or seams. Most hot-water bottles are made in sections and cemented. Cement cracks—bag leaks!

We guarantee a Kantleek for two years—or a new bag free. Ask to see the Kantleek. You may need it tonight.

The United States is now harboring the world's largest collection of bachelors, 10 million of them according to the census. There are only 100 of the celebrated American variety of girls to every 106 males in this country. The United States is the only one of the world's great nations in which men now predominate, all others have a large excess of women and girls.

There has always been more or less joking over the name of the editor of the Jeffersonian, David Elisha, and to show that he has no clench on the odd names in the family we give a list of them: Sylvester Joseph, Philinda Lamora, Pharosina Lavona, Charilla Maria, Elly Alvinza, Albion Wellington, Violet Estella, Pauline Verona, David Elisha. If there is a family tree in this part of the state bearing a greater variety of names we'd like to hear about it.—Croswell Jeffersonian.

The high school seniors had the best kind of a time at the home of Mr. and Mrs. John Irving, two miles north of Yale on Tuesday evening. With a sleighride planned for and with plenty of snow, they nevertheless were obliged to make the trip in a wagon, as the snow was everywhere but in the road. Mr. Irving kindly came to town after the bunch and brought them home after several hours of great fun, with games and various amusements. Of course a delicious lunch formed a big share of the enjoyment and the substantial were re-inforced by the addition of popcorn, apples and ice cream. The seniors declare Mr. and Mrs. Irving and son Grandison ideal hosts.

Get Well

It is indeed hard to stand at one side while the stream of life flows by. A man or woman condemned to sickness that does not permit him or her to perform the active duties of life, to do his or her share of the world's work, is a pathetic figure deserving of sympathy.

Much sickness, pain and misery result from disordered kidneys and bladder. Failure of the kidneys to do their work properly and filter impurities out of the blood leads to rheumatism, pain, backache, sore muscles, stiff or swollen joints, puffiness under eyes, floating specks, bituminous, blood, weakness, nervousness, or other symptoms of kidney trouble.

Foley Kidney Pills

are effective in removing the cause of the trouble for they strengthen and invigorate weak or deranged kidneys and help them to normal functioning so that the blood stream is purified and the cause of disease removed.
