Mrs. Clara R. Forbes, 635 Lapeer court, Port Huron, the widow of the late Harvey F. Forbes, who met his death when the U. S. collier, Cyclops sank in 1918 learned only a few days ago that she had \$1,000 coming from the national and state governments. A neighbor asked her recently whether she had applied for her husband's state bonus. She investigated and found that she was entitled to nearly \$1,000.

Few counties have been as fortunate as St. Clair in receiving awards from the state and in having trunk line highways built through it. Oakland county, which has received \$1,611,033 from the state for highway improvement tops the list. While St. Clair's exact position, in relation to Oakland, cannot be determined from figures available with \$1,592,191 apportioned to it, it cannot be far behind.

Dwight Lockwood, of Port Huron recently sold a large amount of timber off his farm which is located on North Street, one half mile north of North Street station. The timber was sold to Bay company. The logs are being hauled to the siding at North Street station by Carleton Dunsmore of Goodells. There are approximately 200,000 feet. Mr. Dunsmore expects to complete the hauling in a few days, after which the logs will be loaded on cars and shipped.

The Almost Manufacturing Co. has taken on more men. They have contracts enough to keep them busy all summer.

Sometime during Saturday night the Cass City Grain Co.'s elevator at Cass City was entered and thirty bags of choice beans ready for shipment were stolen. The beans were valued at \$200.

Rev. C. M. Burkholder, pastor of the Alpena Congregational church, has accepted a call to St. Clair to succeed Rev. Steensma, who has gone to a pastorate at Jackson.

Seven year old Carl Mayhew, of St. Clair, has mysteriously disappeared and all searches seem to bring no clue. He has been missing since March 13.

The new Harbor Beach city band of 25 pieces made its first appearance at a community concert and dance on St. Patrick's day. The affair was given for the benefit of the band.

There is much discussion in Port Huron as to where the proposed Army shall be built.

The Bad Axe Driving Park Association and the Huron County Agricultural Association have been merged into one organization, to be known as the Bad Axe Fair association. The new president is Joseph Fremont and the secretary is George E. English.

The Rey Wheel company will locate in Imlay City, it is now definitely stated. It is said that \$25,000 has been placed on deposit in the local banks as a guarantee of good faith on the part of Imlay citizens to back the company. This is the factory that Sandusky was aiming to land, but some enterprising citizen threw a wet blanket.

A base ball club has been organized at Imlay City.

WHAT THRIFT IS

Thrift is not a matter of pinching pennies, cutting corners and going without the joys of life. It is not even a matter of skimping or saving. Thrift is spending sensibly—getting a dollar's worth for your dollar. It is buying things you really need—food shelter and insurance—without extravagance. It is taking the surplus that is left and planting it as a seed is planted, where it will grow and multiply. It is looking at a dollar and remembering how the acorn will become the great oak if we'll plant it and give it a chance.—Ex.

MUSIC MEMORY IN CITY AND SCHOOL IS VERY POPULAR

Over 200 Students Offer Papers;
Vote of Thanks Extended
Times-Herald

Students of Yale schools have been very enthusiastic followers of the Music Memory Contest and now that the test examinations have been held and the winners of the prizes chosen, the excitement still holds for the grand final concert and county test is still to come. This will be held in Port Huron on Friday of this week and it is hoped that many will be able to go from Yale, especially those whose papers have received the highest marks.

In Yale high school the music memory contest was made compulsory for the Chorus class and Miss Lambkin, instructress, has worked early and late and very faithfully to the end that her pupils might benefit by the splendid training that the high class in the list accords one.

Thursday afternoon, last week, was the time set for writing and there were about 225 papers for the judges to examine and mark. The judges, who were members of the Music Study club, were Mrs. C. T. Peacock, Mrs. George Barth, Leona Holcomb, Mrs. Harvey Hydorn, Mrs. Geo. Young and Mrs. J. A. Menzies. The papers were gone over in the Kindergarten room on Friday, the following names receiving the prizes which consisted of \$5.00 to the first, \$3.00 to the second, \$1.00 to the third and \$1.00 to the fourth. Each grade receiving the same excepting the 7th and 8th which was counted as one.

Fifth Grade

Florence Erabb, 1st.
Helen Holcomb, 2nd.
Robert Andreae, 3rd.
Gerald McCarthy, 4th.

Sixth Grade

Harvey Ohmer, 1st.
Muriel Stracener, 2nd.
Venton Lent, 3rd.
Johnny Hoskins, 4th.

Seventh and Eighth Grades

Margaret Fead, 1st.
Anna Menerey, 2nd.
Madge Little, 3rd.
Gordon Andreae, 4th.

High School

Evangeline Greenman, 1st.
Laura Gottsleben, 2nd.
Marion Learmont, 3rd.
Anna Ohmer, 4th.

We were asked to say that the papers of Margaret Fead and Anna Menerey were both perfect and that it was a most difficult task to decide which to give first. The decision was then made on descriptions.

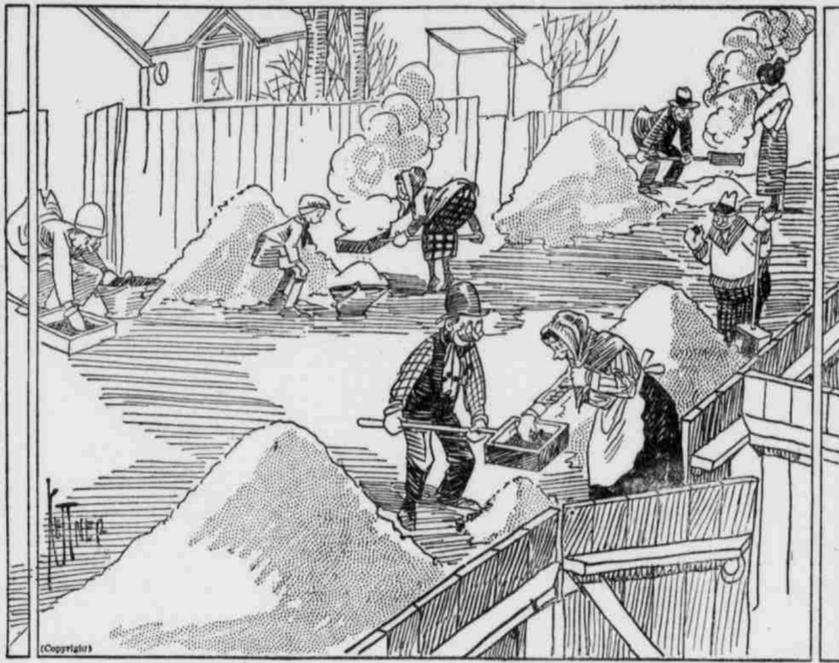

The school feels very grateful to The Port Huron Times-Herald for \$41.50, the amount sent for prizes, also to the Yale Music club for the gift of \$25.00 to buy records and other necessary equipment.

On Monday evening the Music Study club held its last concert at the home of Mrs. Johnston, when most of the numbers were gone over. On Tuesday afternoon the tests were given and members wrote in the Kindergarten room. Those receiving highest marks were:—

Mrs. George Barth, 1st.
Mrs. C. T. Peacock, 2nd.
Mrs. Harvey Hydorn, 3rd.

OLDER GIRLS' CAMP TO BE IN AUGUST

Mrs. A. T. Greenman Member of
Camp Committee

A county organization of representative ladies to plan the Older Girls' Camp for St. Clair County under the direction of the County Y. M. C. A. has been working out. Two meetings have been held. Yale is represented on this committee by Mrs. A. T. Greenman.

The ladies have decided to hold the Camp for Older Girls on Lake Huron just preceding the Boys' Camp. The date will likely be August 14 to 22 inclusive. The girls must be at least 14 years of age and give evidence of desire and ability to serve in their local community after this training event. The Camp is to be limited to 42 girls and it is probable that the places will be taken up considerably before the time comes. Interested Yale girls should see Mrs. Greenman.

JURORS DRAWN FOR APRIL TERM OF COURT

Jurors to serve during the April term of circuit court were drawn Monday afternoon directly after the January term panel was dismissed.

Judge Harvey Tappan, Sheriff Harrison W. Maines and Joseph E. Vincent, county clerk, drew the new panel from the list of men available for jury duty. Kerr-Peacock Nuptials

On Thursday, February 17th, 1922, in the city of Detroit, occurred the marriage of Lela Kerr, daughter of Mr. and Mrs. Frank Kerr, former residents of Yale, now of Port Huron, to Walter Peacock who spent last year in Yale and vicinity with the Peacock Construction company and has been a student at Ypsilanti since last fall.

The marriage was not known until recently excepting to close relatives and comes as a surprise to all their friends.

Mrs. Kerr gave a formal dinner on Wednesday of this week at the home in Port Huron for the purpose of announcing the marriage of her daughter, who is a favorite amongst the young people and a frequent visitor in Yale. Mrs. Robert Peacock (nee Bernice Holden) attended the function on Wednesday.

Congratulations from Yale.

M. E. MEN'S BANQUET

Another annual event given by the Methodist Episcopal people has now gone into history as a successful supper or banquet sponsored by its men adherents. We refer, of course, to the bountiful and elegant repast cooked by the men and carved and served with expert dispatch which two hundred people sat down to on Friday evening, St. Patrick's day, in the dining room of the M. E. church. The tables were decorated with bouquets of carnations and the tasty array of food was indeed appetizing. All enjoyed the banquet. At its conclusion, the crowd adjourned to the auditorium above where Rev. Mumby introduced Alex. Moore, Port Huron attorney, as the speaker of the evening.

Mr. Moore is well and happily known in Yale and his subject for this evening, "The Trial of Jesus, From a Lawyer's Standpoint," struck instant attention and interest, which was maintained throughout his talk. To one reading and studying the first four books of the Pentateuch, one may find that the law of the olden times and the law of these days, is very similar. Mr. Moore made many comparisons which convinced one that this is so. He also compared the greater Sanhedrim to our Supreme Court and the lesser Sanhedrim to the Circuit Court. The trial of Jesus was in every point, a mockery, a veritable transgression against the law.

The audience noted many new thoughts during Mr. Moore's address and all felt that they had heard something specially well worth while.

TO HELP YOUNG MAN SELECT PROFESSION

Yale Y. M. C. A. Boys To Conduct
Find Yourself Campaign

The two local high school Y. M. C. A. Groups are conducting a series of Life Work Talks by leading men of the community. At the close of this series the boys plan a "Find Yourself Campaign" among the boys of the upper classes in High School.

The "Find Yourself Idea" means that each boy faces up to an examination relative to his accomplishments, interests and desires to discover what calling he is best adapted to for Life Work.

For years the Young Men's Christian Association has been working upon this plan and as a result many hundreds of young men have been directed into callings and professions in line with their natural tendencies.

So often young men have entered professions that were not in line with their natural interests or have gone to college and taken a course only to find later on that they had made a mistake.

The County Y is planning the "Find Yourself Campaign" for a number of St. Clair county towns.

PRESBYTERIAN CONCERT POSTPONED SECOND TIME

The choir of the Presbyterian church have undergone a second disappointment in regard to the concert to have been given by the Port Huron Baptist choir, as, on account of the misbehavior of March weather, it was simply impossible to reach Yale by auto on Tuesday night. The choir asks the indulgence of those who purchased tickets and promise that when the concert is given it will be well worth the waiting.

SUNDAY PAPERS

Yale citizens will be pleased to learn that Hilton King will deliver the Sunday edition of the Detroit News at your door every Sunday morning beginning the coming week. If you wish a copy left at your house notify Mr. King. This service will be continued so long as enough patrons to pay expenses take the paper.

The oil well being sunk in the vicinity of Brown City has reached a depth of nearly 1000 feet and the work of drilling is going along as well as can be expected. No information is given out as to the probability of striking a gusher, but it is hoped that a real one is developed. Faith will remove mountains.

TO KEEP HIGHWAYS OPEN

In an effort to keep all lines of supply open for uninterrupted traffic during the winter months, and to thus aid in minimizing the discomforts of the public, an appeal is going out from Washington to highway authorities throughout the country where snowfall is heavy to keep the roads clear of snow.

Emphasis is placed upon the fact that the transportation of coal and other fuel is more important in winter than summer, and that it is equally important to keep rural mail routes and main market roads free from snow as it is to keep railroad tracks clear.

SHORTHORN ASS'N ORGANIZED FRIDAY IN SANILAC COUNTY

Fighting Tuberculosis in Cattle
Under Federal and State
Guidance

By Wm. Leggett

Sandusky, Mich., March 23.—At the Sanilac County Shorthorn Breeders Association, which held their meeting in this city last Friday many interesting matters were brought before the public that are worthy of note.

The attendance was not up to expectation but those who were present are of the opinion that the lectures they heard were the most instructive and enlightening of any yet held. The address of Dr. T. S. Rich, of Lansing, could not be estimated in value for any farmer or anyone else to listen to. The doctor has been in the government employ for over 20 years specializing and fighting the alarming disease, tuberculosis in cattle. The writer was amazed at his first statement that Sanilac county was among the leading counties in the United States in cattle from a numerical standpoint, there being 61,000 head credited to us. Among this number the doctor stated that no doubt that an unusually surprising number of these would be found infected with the disease in question, and that it would be a matter of only a short time when an active campaign against it would be inaugurated. He outlined a plan whereby that if the county (meaning the Board of Supervisors) would make an appropriation they would now receive State and Federal aid as the government, from what I learned, has been making appropriations for this for years. The doctor dwelt much on Livingston county where he and a staff of his assistants have been treating cattle until tuberculosis there is nearly extinct. They are also working in several counties in the State.

Among the course of his remarks the doctor stated that it took about three years of aggressive work to clean up a county and this would involve an expenditure of probably \$50,000 or more. Of this amount Sanilac county would be expected to appropriate something like \$15,000. This sum is insignificant compared to the benefits derived from a public health standpoint. After three years' work is accomplished a veterinarian, who is approved by federal authorities, takes charge of this work in order to maintain the high standard of healthfulness that naturally would have been attained in cattle throughout the county. As means of detecting cattle that have been inspected and treated for tuberculosis each animal is tagged. This expense is also borne by the county. As a means of easily spreading this disease the doctor explained that the tests that had been made by the government that has been proven conclusively that healthy cattle drinking from the same stream of water as those infected get the disease very rapidly. He cited cases on the government plot of land in Maryland, where at three different times perfectly healthy cattle had been turned in a pasture field through which a stream of water ran that had been contaminated by tuberculosis cattle, several fields away. After each of the three tests of these it was discovered that all were inoculated with

REV. J. F. BAXTER RESIGNS CHARGE

Seventh Ward Pastor Going To
Painesville, Ohio, To
Accept Charge

HAS TWICE SERVED
CONGREGATION HERE

Mrs. Baxter, of this city, handed us the following clipping regarding her son taken from one of the Columbus, Ohio, newspapers, and the subject of the news story, Rev. J. Franklin Baxter, being a former Yale boy, it is with pleasure we republish the article.

Resignation of Rev. J. Franklin Baxter as pastor of the Madison avenue Christian church was presented at the Sunday morning service.

The resignation is to become effective at once in order that Rev. Baxter may assume his duties as pastor of the Christian church at Painesville, Ohio, without delay.

The new charge of Rev. Baxter is known as one of the best and most active Christian churches of Ohio. It has a membership of over 400, a fine church building and an excellent parsonage. Rev. Baxter goes to a substantially larger work, which also includes a fine salary as well as a parsonage.

Twice Pastor Here

Rev. Baxter has done a wonderful work at the Madison avenue Christian church on both occasions during which he has been pastor of the church. Among the various pastors of the city Rev. Baxter is the second oldest in point of service when both his pastorates at the Madison avenue church are considered. His first pastorate here was for a period of four years, while the present pastorate was for a period of five years and three months. There were a number of years intervening between the two pastorates.

When Rev. Baxter first assumed charge of the local church about 14 years ago it was a mission church. When he left the church the first time it was self supporting. He went to another mission church where he was unusually successful in building up the congregation.

Large Membership

Called here a second time he assumed charge of the Madison avenue church and has conducted the affairs of the congregation in a successful manner. The church is in an excellent condition now, having the largest membership in its history and raising more money than ever before in its history and with greater ease. Over half the present membership of the church came into membership during the present ministry.

Rev. Baxter, in addition to being a very successful pastoral worker has always been active in civic affairs of this community and his departure will be regretted not only by the members of his congregation but by his hundreds of friends in the city, with whom he has been associated in many activities.
