YALE, ST. CLAIR COUNTY, MICHIGAN, THURSDAY, August 17, 1922.

\$2.00 Per Year in Advance

Another Industry Looking For Small Town Location

YALE HAS OPPORTUNITY OF OBTAINING THE EX-CELL-O TOOL & MFG. COMPANY NOW LOCATED AT DETROIT

Mr. S. Howard Smith, of Detroit, son-in-law of post master Farley, of Yale, and Mr. N. A. Woodworth, President and General Manager of the Ex-Cell-O Tool & Mfg. Co., Detroit, gave a very interesting demonstration in Elber & Barth's Service Station of the Parker Grinding, Drilling and Turning Machine.

This machine is one of their products, and covers a very wide range of machine work. In fact, it could be said that this machine is a complete machine shop in itself. One of these machines could be used to advantage in practically every garage, service station and machine shop in the country.

Another one of their products, the Parker High Speed Grinding spindle, was briefly explained.

This product was developed in the Ford Motor Company's plant and is used extensively by them. It is now in use by a number of the largest manufacturing concerns in the country, and is producing results that are revolutionary in this line.

The Ex-Cell-O Company, if brought to Yale, would employ approximately 25 men to start.

The above company is looking for a permanent home in a good small town located near Detroit, and the officers have chosen Yale as the best town (of several considered) provided satisfactory arrangements can be made.

To further investigate and determine on these arrangements, a citizens' mass meeting has been called to convene in the Council Chambers this week Friday evening at 8:00 o'clock sharp, at which time and place every adult citizen in Yale and vicinity interested in the advancement of Yale is expected to be present. Ladies invited. The machine will be on exhibition at this meeting and a competent demonstrator will explain its features.

Here is an opportunity to boost our city in a substantial way.

YALE WELL REPRESENTED AT COUNTY "Y" CAMP

Fifteen Yale boys and girls and leaders attended one of the sections of Camp Good Time held by the County Y. M. C. A. Committee four miles north of Lexington. The girls just returned on Wednesday. Those in attendance from Yale were Margaret Pollock, Margaret Fead, Evangeline Greenman, Helen Ruh and Madge Little. Mrs. A. T. Greenman led one of the tents and had charge of the Nature Study. Forty-six older girls from Yale, Capac, Marysville, St. Clair, Marine City and Algonac attended.

A strong program was carried out, beginning with Setting-Up Exercises in the morning and closing with the Camp Fire at night. Special attention was given to Bible Study, Leadership Training, Nature Study, First Aid and Swimming.

Tuesday evening the girls had a closing banquet at which time representative girls told what the camp had meant to them, and at this time the camp pennants were presented.

Eight Yale boys and Rev. Mumby were at the Boys' Camp just preceding the Girls' Camp. Several Yale boys received special honors. Everett Williams won the horse-shoe pitching pennant, while Bernard Hoffman, Rolland Martin, Chas. Stableford, Everet Williams and Kenneth Harris won the Camp Efficiency Honors. Everet Williams won the Distinguished Honor Button in the Field Meet, while Howard Clyne, Gerald Brown, Bernard Hoffman, Rolland Martin and Charles Stableford won the Standard Athletic Buttons.

Just Received—Some of our new fall dresses. We would consider it a pleasure to show them to you. J. I. Rosenthal

A PLEASANT TRIP

Two Chevrolets left Yale early Sunday morning, carrying Mr. and Mrs. Bert Kelley, daughter Lois, Mr. and Mrs. Carl Kiebarth, Floyd Oatman, Mary Frostic, Mr. and Mrs. J. A. Menzies and daughter Grace, with an objective point of Oak Grove Beach, on Saginaw Bay, and a picnic dinner.

The weather was ideal for driving and the roads for the most part, very good. The drive up was made part of the way on M 19 road which runs through Yale. Bad Axe was the first town of any size to be passed through up. From there the party went to Pinnebog, where we turned off for the bay and the grove. Quite a number of cottages and tents are here located and the beach is fine for bathing purposes.

After a big dinner we drove on to Caseville, some fifteen miles, and came home by way of Pigeon, Elkton, Cass City and Marlette.

There are long stretches of gravelled, crushed stone and tar roads connecting these upper towns, and cement in the main streets.

The farms and farm homes are very prosperous looking and well cared for, but it is very dry and dusty up there.

The long ride, the speedometer reading something over 200 miles was one of special pleasure, enjoyed thoroughly by each one of the party.

DRAINAGE TOUR PLANNED FOR ST. CLAIR COUNTY

Arrangements are being completed for a Tile Drainage Tour, to take place in St. Clair county on Thursday, August 31st.

The tour will take in several of the tile drainage projects being conducted in co-operation with the St. Clair County Farm Bureau and the Michigan Agricultural College.

In addition to these demonstrations, the tour will also take in at least one poultry farm where there is a modern poultry house built after the plans recommended by the Poultry Department of the M. A. C.

The ladies will also have a chance to visit a modern farm home, equipped with all the modern conveniences.

If time permits a trip will also be made through one of the Salt Works of the county.

The Columbus Ladies' Aid will serve dinner at the home of H. J. Vogt & Son. The program is being arranged which will be given at the Vogt home following the dinner. Watch the columns of this paper for the details of the tour.

CAMPMEETING WILL START NEXT WEEK

The annual Mennonite camp meeting starts on Friday of next week at City Park, Yale, and will continue until Sunday, Sept. 3rd.

A large crowd is expected at this camp by the committee in charge, owing to the fact that we have one of the nicest places for same to be found in the state, and the business men and citizens of the city have always made the visitors welcome.

On another page of this issue can be found the hours of service for each day.

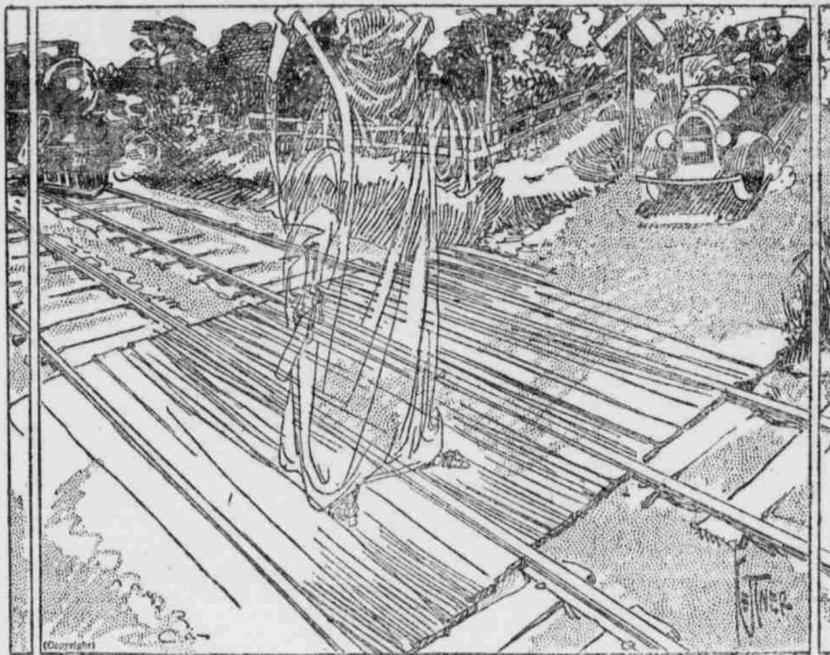

Ministers from this and other districts are expected to be here and take part in the meetings.

Pay Your City Taxes

The assessment roll for the City of Yale for 1922 is now in my hands and I am ready to receive taxes. John Bright City Treasurer.

Ladies—1/4 off on Skirts and waists until August 19. J. I. Rosenthal

Come on, Take a Chance

VALUATION OF THE STATE IS RAISED

St. Clair County Gets a Boost of 29,438,000 Over 1921 Figures

Lansing, Mich., Aug. 16—An increase of the valuation of the state of nearly \$1,500,000,000 as the basis for 1922 assessments, was recommended to the state board of equalization by the state tax commission today.

The valuation as set by the board of equalization in 1921 was five billion. The recommendation submitted by the tax commission was \$6,487,187,000. The increase would be spread over the entire state, not a single county being recommended for a lower valuation than last year.

The proposed ratio of increase is not constant, so there would be some variance in the proportion of the state tax to be paid by a single county from last year.

The state board of equalization will meet in Lansing Aug. 21 to consider the commission's recommendation.

Wayne county, according to the recommended valuation, would be increased more than half a billion dollars. The valuation in 1921 was \$2,038,547,000 and the commission's recommendation for 1922 is \$2,632,079,000. Of the total state tax Wayne would pay 40.51 per cent as compared to 40.77 last year.

St. Clair county's valuation is increased from \$77,621,000 in 1921 to \$100,059,000. This will increase the percentages of state tax to be paid by St. Clair county from 1.41 to 1.54.

Glenn Duffie, aged 12 years, son of Mrs. Bert Duffie, of Four Gables, Edison Beach, was almost instantly killed shortly before 10 a. m., August 9th, when he was struck by an automobile on Gratiot avenue, near the Port Huron Golf and Country Club. Young Duffie ran directly in front of a car driven by John Kanthak, of Harbor Beach, one front wheel passing over the boy's chest, completely crushing it.

A game of tag, in which he and Lester Horton, another caddy boy were engaged, was responsible for the accident. Glenn, it appears, had crossed to the west side of the street and turned quickly to come back, dashing into the path of the Kanthak car, which was on its way to Port Huron. He was knocked to the pavement and under the wheels of the machine.

Bert Duffie, father of the boy, was a resident of Yale a number of years ago, and has been dead for several years.

HYMENEAL.

No Man Can Either Live Plausibly, or Die Righteously Without a Wife.—Hester.

Hodeman-Currier

We learn of the coming marriage of one of Yale's former sons, that of Dr. Fred Currier, which will take place on Saturday August 19th, 1922. The bride is Miss Margaret Hodeman, of Charlotte, Michigan.

Fred lived the most of his young life in Yale, and was a graduate of our high school, afterwards going to the University to study medicine.

During the latter part of the war he was in a hospital tent in Paris, France, and after returning took up his chosen life work in Grand Rapids, where his father and sister moved from Yale to be with him.

Fred is a capable and progressive young man, well liked wherever he goes.

The bride sure gets a good boy. Our heartiest congratulations are extended the couple for a happy and prosperous life.

Lake-Hayward

A quiet wedding was solemnized at 10 o'clock this morning at Goulde Memorial chapel when Miss Alta Hayward and Mr. Francis Lake were united in marriage by Rev. John A. O'Sullivan, rector of St. Paul's church.

Mr. and Mrs. Lake are well known in Port Huron, both having been members of the high school faculty for several years.

Immediately after the ceremony they left for an automobile trip, and after Sept. 1st will take up their residence in Grand Haven. Mr. Lake is to have charge of the manual arts department in the high school.—Port Huron Times-Herald.

The bride will be remembered by many in Yale, having been a teacher in our schools a few years ago. We congratulate the happy couple.

Ladies—We carry "Onyx," "Onyx Pointex," True Shape, Iron Clad Notaseme,—and in fact, every good hose we can find, in Silk, Lisle and Cotton. Give our hosiery department a try. J. I. Rosenthal

Wanted—Man with car to sell best low priced Cord Tires made. \$100.00 per week and expense. Graham Tire Co., Benton Harbor, Mich.

FURNITURE REPAIRED

Lawn Mowers Sharpened, Saws filed. Work guaranteed. H. H. Holden, One door south of Yale Lbr & Coal Co. 20-4

STARTED MINING COAL WEDNESDAY

Operators of the central competitive field and miners' representatives on Tuesday ratified a temporary wage agreement which marks the first steps towards ending the nation-wide bituminous coal strike, and on Wednesday morning the miners went back to work.

This step should have been taken long ago. Things have certainly come to a pretty pass when a few hundred thousand men can tie up the industries of a country the size of the United States, and paralyze business the way the unions and operators have proven they can do, during the past few months. These men give no thought to the millions who would be out of work if the strike were continued, and also the many millions more who would be deprived of heat and other necessities of life. Surely it is time something was done to put a muzzle on the bunch of strike agitators and "walking delegates" who go from place to place stirring up dissatisfaction. In nine cases out of ten these are the gents who are to blame for all the trouble.

We have nothing against unionism, in fact we think it a mighty good thing up to the point when a few of the leaders can declare a strike large enough to endanger the lives of our people and the industries of our country.

NOT ENOUGH SUCKERS

A smooth, well-dressed young man struck town on Tuesday morning and at once began demonstrating to our business men a little business directory, that as an advertising medium, according to his tell, was a top-notch.

The best part of the proposition was that the business men were not to be charged for ads on the folder—all they were asked to do was to sign up for some of them at ten cents per copy. Quite easy, eh? Suppose the fellow had sold one thousand? This would only have been a matter of a hundred dollars, and he would have had to pay at least \$15 to have them printed. This would have left him only \$85 for his day's work. But from what we can learn he didn't get much encouragement, and drove on to greener fields. If our merchants would only stop and consider how much these little things cost, there would be no trouble. We are ready and willing to print anything wanted, and can save you some money on your work. Printing is our business, and it is no more than right that you should give these travellers the same consideration we do those who try to sell us things in your lines.

Neighborhood News From Nearby Towns

ITEMS TAKEN FROM NEWSPAPERS OF NEIGHBORING TOWNS AND VILLAGES.

John Davis, living northwest of Capac, died last week at 101 years of age.

Friday, Aug. 25, is the date for the annual American Legion picnic, to be held at Peck.

Fred Thoms a resident of Michigan for 40 years, died at his home in Uby last week, aged 91 years.

Samuel A. Reade, president of the Citizen's State bank at Romeo died Friday at the age of 90 years.

Yesterday, Aug. 16th, was Port Huron's day of play. The day was celebrated at Lake Huron Park, Sarnia.

The Morton Salt Co., at Port Huron, is using fuel oil to furnish power in several of the plant's boilers.

D. E. Hubbell, editor of the Crowell Jeffersonian, has been appointed fuel administrator for Sanilac county.

Thomas Day, 85 years old, long a resident of Clay township, died last week in the house which had been his home for 70 years.

J. B. Sperry Company will build a three-story department store in Port Huron across the street from where they are now situated.

Bert B. Ellsworth, Richmond's superintendent of schools, received his B. A. degree from Ypsilanti this summer. His wife won a life certificate.

It is announced that \$80,000 has been allotted to the work of improving St. Clair river in 1923. The government has also appropriated \$5,000 for Black river.

A field day for young people of St. Clair county will be held at the county park, Cedarwood, on Aug. 19th as a part of the State Extension boys' and girls' club work.

Five new buildings are being erected on the Inlay City fair grounds at a cost of \$12,000. Twenty acres have been added to the grounds and this fall's fair promises big.

Ten cars of Port Huron and St. Clair county printers attended an annual outing of the Eastern Michigan Printers' club held in Bad Axe and Point Aux Barques last Saturday and Sunday.

Patrick Keller, a Maple Valley farmer is under \$500 bond to answer charges of making intoxicants. Keller was arrested by Sanilac county officers with a quart of whiskey and a quantity of mash.

Mr. and Mrs. H. Jackson, of Port Huron, celebrated their golden wedding anniversary last week with a dinner and a family gathering. Mr. Jackson has been ticket agent in the D. U. R. Railway office for the past eight years.

One hundred and fifty pioneers of Huron county attended the Pioneer Historical society picnic held at Port Hope last Thursday. The oldest Huron county pioneer was Mr. Esler, of Port Hope, aged 90, and the oldest woman was Mrs. Brathby.

John Brown, of Brown City, climbed through a window of his home and saved several members of his family from the flames caused by a lamp explosion. The house was saved, but furniture and clothing was destroyed. Brown was watching by the bed of a sick child, and had just gone out for water when the explosion occurred.

Mr. and Mrs. E. E. Green, of Port Huron, former residents of Kenocque township, celebrated their sixty-first wedding anniversary on Friday, Aug. 11th, with their children, grandchildren and great grand children. About one hundred relatives spent the day with Mr. and Mrs. Green. For many years Mr. Green travelled for the Port Huron Engine & Thresher Company and has been through most of the states and many parts of Canada.

WHY TELL A LIE?

Why must people go through life living and telling a perpetual lie? Why not tell the truth?

For instance:— If your neighbor is lazy and his wife earns the living and his children are hungry and half clothed, why not tell him so?

If you think public officials are inefficient and grafting, and misrepresenting their constituents, why not tell them so?

If Mrs. So and So ambles along the street and exposes a yard or so of her leg, why not stop her, and tell her so?

If Miss Pertness has her face smeared with powder, why wait for the wind to blow it off? Why not tell her she is in a freak?

If you have been making love to your stenographer and your wife suspects you, why lie about it? Why not tell the truth?

If you want your friend to endorse your note, and you know you can never pay, why not tell him so?

If Miss Dimple looks like a scarecrow, and you want to marry her for her money, why tell her she is a sylph, and an angel, and all of that rot? What's the matter with the truth?

If you are selling a spavined old horse, and you know it will fall to pieces before the purchaser can lead it home, why not tell him so?

If you owe the grocer, and the butcher, and the editor, and you never expect to pay them, why not tell them so when you place your next order?

If you drop a nickel in the collection box, and you expect your generosity to boost you into a choice seat in Heaven why hide your light under the cloak of modesty? Why not get up and tell the congregation so?

What's the use in telling a lie, anyway?

Isn't the truth good enough? Try it!

S. S. CONVENTION

Annual Gathering To Be Held In

Port Huron Sept. 26 and 27

The program committee of the St. Clair County Sunday School association met in the hall of the Public Library Friday evening, with the officers of the Port Huron District association and arranged for the annual convention which will be held in Port Huron, Monday and Tuesday, Sept. 26 and 27.

Business and general sessions will be held in the First Presbyterian church. The annual banquet and the addresses which will follow will be held in the First Methodist church on Monday evening.

E. K. Moore, a member of the staff of the State Sunday School convention, will be the principal speaker of the convention.

Delegates from distant Sunday schools who will remain in Port Huron over night will be entertained in the homes of members of the Port Huron schools.

The committee is planning to offer some prizes to the schools which have the largest attendance at the convention.

SIX WRITE FROM YALE

Civil service examinations were held in Port Huron on Saturday last and six applicants for the postmastership at Yale wrote. They are W. R. Bryce, Bert McDonald, Clarence Drake, Jay B. Weymouth, W. A. Cavanagh and N. B. Herbert.

Applicants from Sandusky, Brown City and Memphis also took the examination.

The results of the examination will not likely be announced until after the primaries, Sept. 12. Examinations were held at Lapeer and Caro on the same date. Selections will be made by Congressman Louis C. Cramton from the list of successful applicants to fill the several vacancies.
