“Home of Satisfaction” Southern Motor Co.

The Paige Co. of Memphis, Inc., will guarantee every used car we sell. We will assume responsibility for defective parts and give purchaser every assurance of satisfaction. This is something new in the automobile industry—a most radical change from the policy assumed by all dealers used cars. Hereafter the purchaser has assumed all risk. He has had to depend on his own judgment or “luck.” He could never be sure he would not have a big repair bill tacked on to the original purchase price. We are going to change this. We are going to insure you—guarantee you will be satisfied. We believe this is only fair—that the man who spends his money for a used car is entitled to the same attention and consideration that is given to the purchaser of a new car. These cars have been repainted and equipped with new tires. Come down and pick out your car. We will tell you everything we know about it.
