

# B. Lowenstein & Bros

INCORPORATED

# Month-End Inventory Sale

These sales are small editions of our great clearance sales—they represent a disposal of the accumulations of odds and ends for the period of a month. The volume of business during the month of June taxed our capacity to the utmost—it was tremendously large, and far in excess of what we believed possible. Of necessity, the odds and ends resulting from such volume must be greater than usual. Here they are, all standard Lowenstein merchandise and all sold with our guarantee that the prices are the lowest obtainable anywhere. (Remember this guarantee, it is good insurance for the thrifty.)
