Systematic Steps Will Be Taken to Maintain Attendance During Hot Months.

Every Protestant denomination in the city has endorsed the summer Sunday school attendance campaign. For once the churches are united for the accomplishment of one definite aim, determined in so far as it is possible to do so, by an abundance of cool refreshing drinks, ice water, lemonade and plenty of fans. Great emphasis is being placed on the importance of keeping the church and class rooms as cool and comfortable as possible, and the local directors will each endeavor to provide some special plan for the comfort of the pupils and teachers of his school. The aim will be to make the class rooms cooler than the homes so that hot weather can not be given as an excuse for not attending Sunday school.

Interesting programs, with live lessons, talks, good music, bright songs, and happy fellowship are to feature the campaign. With comfortable surroundings and snappy programs, the leaders will try to make the Sunday school hour the brightest hour in the week. With such a start it will be easy to create the Sunday school spirit and arouse a winning morale, leaders believe, that will prove contagious and sweep the entire city.

The campaign director for each school will devise his own method of the campaign for getting out a full attendance. The entire membership of the church will be canvassed for available Sunday school material, as well as the neighborhood in the vicinity of the church. The entire school is to be kept fully informed as to what each department is doing and as to the schools' record in comparison with other schools.

On Saturday before the campaign begins, the superintendent of each school entering the contest is to file with the executive committee a certificate record of his school's attendance for months of July and August of 1916, to be used as a basis in figuring the per cents during the drive.

The campaign will close Sunday, Aug. 21, and on the first Sunday in September suitable awards will be made to the winning schools.

The general organization for the campaign has been completed. The Rev. Walter M. White, pastor of the Linden Avenue Christian church is director general of the drive. The Rev. W. L. Jackson, assistant pastor of the Second Presbyterian church, is associate director. The publicity end of the campaign, which is to be made a strong feature, will be ably handled by Dr. E. E. George, general secretary of the Y. M. C. A. and the Y. W. C. A. The executive committee is made up of some of the most efficient Sunday school workers in the city: J. R. Hyde, L. M. Stratton, H. M. Fisher, R. S. Keeler, E. A. Roper and Charles G. Dean.

ST. PAUL CHURCH MAKES GOOD START

Nearly Enough Money Pledged to Begin New Church Building.
More than one-fourth of the building fund for the St. Paul Methodist new church was subscribed Sunday afternoon. The Rev. H. E. Baker, pastor of the church, announced at the evening service that the teams making the canvass had taken 72 subscriptions for a total of \$3,100. The estimated cost of the new church is \$10,000.

On account of the address of William Jennings Bryan at the Goodwyn Institute Sunday afternoon at the time the canvass was made, many of the members of the church were not at home when the teams called, otherwise it is believed a much better showing would have been made.

Following an inspiring sermon by the pastor Sunday morning, the women of the church served a luncheon to the team captains and workers, who then started an active canvass of the entire membership.

A. C. Miller, chairman of the organization in charge of raising the building fund, stated that the drive will continue until the entire amount is subscribed. As soon as \$10,000 in cash is obtained the building will be started. There will be a rally at the St. Paul church Tuesday night. The Hunter Circle, Mrs. C. G. Stockey, president, will give an ice cream supper on the church lawn, and the entire campaign organization will be present and rally their forces for another effort.

The team captains and workers are: L. D. Smith, captain; J. P. Carter, Miss Katherine Haun, Miss Frances Hark, Clara Mahannah and Albert Kimbrough. W. H. Buck, captain; J. P. Matthews, Frank Maxwell, L. K. Fetheress, O. R. Cullins and Miss Lottie Blount. Mrs. Harry Deau, captain; Mrs. O. W. Wilkins, Mrs. Reba Covington and Miss May Wilkins. W. C. Walton, captain; J. J.
