

TWO LITTLE GIRLS
LIVELY AS CRICKETS

Once Weak and Puny, Tania
Makes Them Look Like
Different Children.

"It makes me feel good to see how
bright and healthy my two little girls
are since we started them on Tania
Crisp," said H. P. Cornett, of 518 East
Handy street, Denison, Tex.
They were both weak and puny chil-
dren. They continued, "had no appetite
and suffered from indigestion and were
fully pale and thin and sallow look-
ing. They complained of having head-
aches and pains in their backs, they
were restless at night, had no life nor
energy during the day and wouldn't
play around like other children. Medi-
cines we gave them did not do them
any good and my wife and I were great-
ly worried about their condition."
"Since starting them on Tania my
two little girls are not like the same
children. Both have gained in weight
and are as lively as crickets, they eat
heartily meals, sleep well at night and
are as playful and happy as any other
healthy children of their ages. Tania
has simply done wonders for them and
is an only too glad to endorse such a
splendid medicine."
Tania is sold in Memphis by War-
lock Drug Co. and Weiss Pharmacy,
and all leading druggists in practically
every city, town and village in America.

Brings Vitality and Health.

"Some days ago I bought a bottle of
Pepsinol. Can't get the remedy any-
where. The remedy did me so much good
I thought I would write you myself.
Will you please send me a bottle of

This unsolicited testimonial was
written by Mr. W. A. Lee, of Okla-

beneficial effects of Pepsinol a few days
after he started taking the first bottle.
Falling to get a further supply locally,
Mr. Lee sends hundreds of miles to

REVISION OF
CONSTITUTION

Recent Attempts to Secure
Revision Have Failed--Last
Convention Held in 1870.
Little Time for Campaign.

The citizens of Tennessee will have
an opportunity next September to say
whether or not they believe there should
be a revision of the organic law of the
state as expressed in the state consti-
tution.
Twice within 20 years there has been
a vote on this subject and twice a ma-
jority of the voters have voted against
it. Yet, lawyers, almost without excep-
tion, and many leaders among the pro-
gressive business men of the state for
years have asserted that the progress
of Tennessee is hampered by the pro-
visions of the present constitution,
which is virtually that adopted in 1834,
with a few changes made after the con-
stitutional convention of 1870.
Fear that if any changes were made
they would be so far reaching that they
would react against progress, or fear
that the faces and emoluments of offi-
cials would be abolished, or the pow-
ers and dignity of the county courts
would be abridged, seem to have been
some of the reasons urged against any
change in past campaigns for a new
constitution.
The law now on the books provides
for an election the first Thursday in
September of this year on the question
of holding a constitutional convention,
for the revision, change or amend-
ment of the present constitution. If a favor-
able vote is recorded, delegates to the
convention will meet at Nashville on
the following Nov. 15.
The convention is to make its own
rules as to the time when, and the
form in which any proposed amend-
ments shall be submitted to the peo-
ple.
The law provides for the election of
211 delegates, at least one from each
county, and additional members for the
larger counties, eight in all, for example
from Shelby.
The bills providing for the convention
and the election were introduced by
Senators L. E. Gwin and A. D. Bur-
khalter during the first session.
In former campaigns a leading part
was taken by citizens of Memphis, not-
ably James H. Malone, and a group of
other forward-looking men. This year
no active campaign has yet been under-
taken, although a preliminary confer-
ence was held recently in Nashville
and a meeting of a number of men in-
terested in the movement has been
called for Saturday at the capital.
An executive committee was an-
nounced after the Nashville meet-
ing, the members being Finney
Carter of Chattanooga, chairman, T. F.
Peck, Malcomb, McDermott and George
F. Miller representing East Tennessee;
O. K. Holliday, W. C. Birtwright and
Joseph Campbell, Middle Tennessee; and
L. E. Gwin, H. Malone and C. A.
Miller, West Tennessee.
With only about a month for the pro-
posed campaign, the time seems short
in which to arouse any great amount
of enthusiasm or to interest voters in
the issue. It may be that the women
of the state may become interested in
the campaign, in view of the fact that one
of the proposed amendments would
probably deal with woman suffrage, and
it is apparently an open question wheth-
er women can vote in municipal elec-
tions even in Tennessee under a court
decision in Davidson county, although
they were supposed to have been given
a partial franchise by the last legisla-
ture.

BRITISH NAVY CANCELS
ORDERS FOR 526 SHIPS

LONDON, July 25.—Since the signing
of the armistice the British admiralty
has canceled orders for 526 ships, re-
sulting in a net saving of 42,000,000
pounds. This announcement was made
during the course of the naval debate
in the house of commons by T. J. Mc-
Namara, parliamentary secretary of the
admiralty.
The first lord of the admiralty had
previously announced that when the
armistice was concluded there were 302
warships and 806 auxiliaries under or-
ders, while at the present time there
were being completed 100 warships and
319 auxiliaries, mainly to replace old
ships or meet the ravages of war.
The announcement of these economies
in ships and men drew expressions of
surprise and gratification from some
of the members, including Sir Donald
Maclean, who welcomed such clear
signs that the navy was accommodat-
ing itself to the new situation.
Hon. George Lamb, lib-
eral, for the South Molton division of
Devonshire, expressed the hope
that there would never be a British
navy policy to build against the United
States.

SAYS DEMOCRATS MUST
HIT BACK AT G. O. P.

OMAHA, Neb., July 25.—Homer S.
Cummings, chairman of the Democratic
national committee, speaking at a meet-
ing of Nebraska Democrats, leaders
last night, declared that the time had
come for Democrats to strike "blow
for blow" and to resent criticism of
President Wilson "on petty grounds."
Speaking of what he termed the ob-
structive tactics of partisan Republi-
cans in the senate to regulate the league
of nations covenant, Mr. Cummings
said:
"No man and no nation intentionally
placing obstacles in the way of a league
of nations will survive long enough to
outlive the memory of such an offense
against humanity and civilization."

OPPOSE KENYON BILL

NASHVILLE, Tenn., July 25.—The
Middle Tennessee Farmers' institute in
session at Columbia, Tenn., Thursday,
adopted resolutions asking their con-
gressmen to oppose the Kenyon-Ken-
dricke bill to regulate the packers, ex-
pressing the belief that it would pre-
vent the establishment of packing
houses in the South.

Lift off Corns!

Doesn't hurt a bit and Freezone
costs only a few cents.

With your fingers! You can lift off
any hard corn, soft corn, or corn be-
tween the toes, and the hard skin cal-
luses from bottom of feet.
A tiny bottle of "Freezone" costs lit-
tle at any drug store; apply a few drops
upon the corn or callus. Instantly it
stops hurting, then shortly you lift
that bothersome corn or callus right off,
root and all, without one bit of pain or
soreness. Truly! No humbug!

EX-KAISER MAY NOT
FACE LONDON TRIAL

LONDON, July 25. (By the Associated
Press.)—It is possible that former
Emperor William may not be tried in
London, according to an announce-
ment made in the house of lords by
Earl Curzon of Kedleston, govern-
ment leader in the upper house.
The lords passed the treaty and the
Anglo-French treaty through all stages.
In the course of the discussion Vis-
count Bryce, former ambassador at
Washington, deprecated holding a
trial of the former German emperor at
London.
Baron Buckmaster said there were
grave reasons why the government
ought not to pursue any further the
project of trying the German war lord.
It was certainly unfitting, he declared,
to ask an English judge to sit on such
a tribunal to administer a law he does
not know by procedure and has never
been defined in a court he does not
control.
In his reply Earl Curzon said he
thought the Kaiser in exile in no way
comparable with Charles I or Napo-
leon. He was unable to imagine that
a man who had leniently fled his
country could be turned into a martyr
or a hero by a trial while his continual
presence near the German emperor at
London might be a political danger.

TO PEN FOR TWO YEARS

LITTLE ROCK, Ark., July 25.—Sec-
ond Lieut. Chester A. Wells of New Or-
leans has been convicted by a general
court-martial of desertion, burglary and
obtaining money on worthless checks.
It was announced at Camp Pike today
he will be reduced to the ranks and
must serve two years at hard labor at

TENNESSEE SOLDIER IS
HONORED BY ITALY

KNOXVILLE, Tenn., July 25.—In re-
cognition of his meritorious service with
the American expeditionary forces,
Brig-Gen. Robert E. Callan of Knoxville
has been awarded the distinguished
service medal and the cross of the
order of crown of Italy. The news of
his citation was received by his father,
Frank J. Callan of this city today.
At the outbreak of the war Gen. Callan,
a colonel at that time, was in the
Philippine Islands, but was transferred
to the United States and assigned to the
Pacific coast, where he was to recruit
a regiment of heavy artillery. Later he
sailed for France via the Panama canal
and New York as commander of the
5th Artillery.
Shortly after his arrival in France his
regiment was sent into action in the
Marne sector and did excellent work.

AUSTRIAN ENVOY GETS
SAFE U. S. PASSAGE

WASHINGTON, July 25.—Former
Austrian minister to Mexico, Knaut von
Kanya, who is about to return home,
has been granted safe conduct through
the United States. It is learned at the
state department. He is expected to
cross the border at Laredo Saturday.
Although recall orders were sent to
Von Kanya more than two months ago,
he has hesitated to return to Austria,
it is believed here, because of the dis-
order in the former empire.
Exports to the state department dur-
ing the war show that Von Kanya co-
operated with Von Eckhard, former
German minister, who was connected
with the famous Zimmermann plot to
align Mexico against the United States.

Maryland, and the memorial oration by
Representative Campbell, of Kansas. A
service flag showing 6,479 members
were in service during the war was un-
veiled.
