Red Cheeks That Won't Wash Off

Healthy Blood Makes a Healthy Color.

When the blood is in bad condition, the skin plainly shows it and you cannot hide it with paint or powder. Lack of energy is another indication of poor blood.

Thin, Weak Blood does not supply the necessary nourishment and warmth to make strong bodies, powerful minds, bright eyes and good complexions.

Grove's Tasteless chill Tonic

restores Energy and Vitality by creating new healthy blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

It destroys the Malarial Germs and removes the Impurities in the Blood.

GROVE'S TASTELESS Chill TONIC is not a patent medicine. It is simply IRON and QUININE suspended in Syrup. So pleasant even children like it.

The Quinine and Iron does not dissolve in the syrup and, therefore, does not make the syrup bitter. You do not taste the bitter Quinine and you do not taste the Iron because both are completely covered with syrup when swallowed.

The Iron used in GROVE'S TASTELESS Chill TONIC does not discolor the teeth or injure the enamel and it agrees with the stomach better than other forms of Iron.

The Specially-Prepared Quinine used in GROVE'S TASTELESS Chill TONIC differs from the ordinary Sulphate of Quinine, in that it does not cause nervousness or ringing in the head and does not disturb the stomach, making it especially adapted to children and delicate adults who cannot retain anything of a nauseating nature.

Grove's Tasteless chill Tonic Purifies and Enriches the Blood.

Many Homes Robbed—Including C. W. Miller, Former Commissioner of Police.

Burglars and sneak thieves staged a series of one-act painful farces in the homes of Memphians who pay taxes for police protection, and Sunday morning found one a few corners with money and valuables missing. The thieves, unhindered, entered homes at random in several parts of the city.

Saturday night was spent in popular in the neighborhood of Wellington street and Gaston avenue, for four homes were entered within three blocks. Among those who suffered from the work of the thieves was Charles W. Miller, city finance commissioner. A thief entered a rear door of the Miller residence, passed on to the bedroom upstairs and left with the commissioner's trousers, and \$150 was the reward he received for the trouble.

A valuable watch was not taken from Mr. Miller's trousers, which were found at the side of the house Sunday morning.

Squire F. W. Davis, 261 Gaston avenue, whose home is only a few doors below Mr. Miller's, was entered and a pair of trousers taken to the party arrested of \$25.

James C. High, 1131 South Wellington, reported that a thief had entered his home through a window within five feet of where he was sleeping and carried away a diamond watch and a pair of earrings.

A hungry burglar went to the home of George W. Adams, 293 Gaston avenue, took some sables from the refrigerator, ate them on the back porch, and went his way refreshed and rejoicing.

Phillip Rosen reported to the police that a diamond locket bearing the initials "H. B." had been stolen very recently from his home.

Here is a thief who used a system. John Shanley, 529 High street, stated that a negro called at his home while he was away and got a suit of clothes from someone there under the pretense of carrying it to a pressing shop.

Phillip Rosen, 1259 Overton Park avenue, reported that someone entered his residence and took two brooches, one pearl and one diamond set. Entrance was gained by lifting the screen on one of the windows.

A diamond brooch was stolen from the home of A. Lobach, 878 North South, very recently, and reported to the police Saturday night.

The Stratton automobile company reported the loss of four Goodroad tires from a car which had been stored in the garage of Tony Curritto on Madison avenue.

Highwayman Resume.

Three men were held up Sunday night by stick-up men and relieved of about \$200 while burglars were busy entering homes in the residential section of the city.

J. M. Davis, 614 Robeson, was held up at Canella street and Madison street at 8:30 o'clock and relieved of \$50. Davis is a driver for Hurlbut Bros. Two negroes committed the robbery.

M. F. Wilson, 215 Leath street, was held up and robbed of \$35 in cash on Wright street by two negroes. Wilson stated that the negroes fired at him twice, the pistol being held so close to him that the powder burned his chest.

Charles Hemphill, negro, Pauline street, was held up at the corner of Kane avenue and Decatur street and \$19 was taken from his person about 9 o'clock Sunday night. Two negroes are claimed to have held Hemphill up.

C. F. Jamison, 1819 Forrest avenue, reported that thieves had entered his residence and stolen \$90 in cash and a valuable watch and chain.

Pickpockets were busy also, for Ed Scott, 876 Latham street, reported that his pockets were picked while on a suburban street car. A check for \$58, a \$20-bill and a \$50-Liberty bond were taken.

William Buchanan, negro, 273 East Butler street, told the police that his room had been entered and that as a result he was \$119 short.

NEWBURGER BACK FROM HIS SUMMER VACATION

Joseph Newburger, president of the Newburger Cotton company, returned to Memphis Sunday from Atlantic City, N. J., to attend the annual meeting of his cotton company, at the Hotel Gayoso Monday night.

Mr. Newburger spent two months in Atlantic City and returned greatly improved in health, though he declared that he did more cotton business while "resting" in Atlantic City than he does in Bluegrass two months of the year.

Mr. Newburger will go to New York the end of the week on a four-day trip.

WOODARD-TILLER IS NOT MOLESTED

Went to France as 'Y' War Worker—No Job on His Return

Action of a definite character doubtless will be requested Monday night when patrons of the A. B. Hill school gather at the regular meeting of the board of education in their right to have W. G. Deen, former principal of Hill school, reinstated. More than 500 patrons of the school held a mass meeting on the school campus Saturday evening, at which time tentative agreements were made that patron of the school would not permit their children to register as a protest against the action of the board of education in electing Mrs. Landis as principal of the school during the absence of Prof. Deen in Y. M. C. A. work in France.

The contention of the board of education is that Prof. Deen absented himself from his work without leave of the board. Prof. Deen declares that he secured the oral consent of three members of the board and that one of the three was advising a fourth member. His call was urgent, he avers, and appearing before the board and requesting permission to enter Y. M. C. A. overseas work would have caused an unwelcome delay in his departure for France.

Prof. Deen told patrons of the school that he had secured the oral consent of the board, and that he departed for France where his work was engaged in teaching illiterate American soldiers to read and write.

Upon his return to Memphis recently he was advised that his place had been filled and that there was no vacancy. A majority of parents whose children attend the Hill school signed a petition requesting the reinstatement of Prof. Deen as principal.

The board of education did not comply with the request and a preliminary meeting was held last Friday night at which time Mrs. Landis was elected to hold a mass meeting of all patrons of the school. This meeting was held on Saturday night when the board recommended and the action of the board in disqualifying him as principal was condemned.

In addition to reaching an agreement not to allow their children to register for entrance at the opening of the school, the parents appointed a committee to wait on the school board in reference to the matter. The committee will present its request Monday night.
