Hillard in Germany she will be engaged in work for the Mississippi Children's Home society, at Jackson. CLUBDOM

CONSTITUTION ADOPTED BY CENTRAL COMMITTEE
 With the adoption of a constitution and by-laws, the Women's Central committee took a stride forward at a meeting held Monday afternoon at the Chamber of Commerce for the purpose of completing plans for the organization.
 A large gathering of women were present when the meeting was called to order by the chairman, Mrs. Percy Finlay. Minutes of the previous meeting were read by the acting secretary, Mrs. Walter Frazer, after which Mrs. Finlay called upon Mr. Elms Hutledge, chairman of the committee which had been appointed to draft a constitution and by-laws, to give the report of her committee.
 Dr. Rutledge read the articles of the constitution and by-laws and in a clear and concise manner presented this article for the approval of the audience.
 The only problem on which the organization as a whole was unable to agree was that concerning the admittance of the individual woman, who belonged to no other organization, as a member of the Women's Central committee. It was agreed by all present that the individual woman should be admitted, but no decision was reached concerning her voting strength or power in the organization, so the question was referred to a committee to work out a plan for discussion at the next meeting.
 The original plan of the central committee was that it be an organization for the enforcement of law and order and Mississippi boulevard; Doyle-Turley Drug company, 535 Poplar avenue; C. O. Manning, Thomas and Chalmers.
