NEW YORK, Oct. 25.—A statement issued from the headquarters of the European relief committee of the National Lutheran council, 457 Fifth avenue, today, indicates that the Lutherans of the United States are rallying to the appeal to bring relief to the Lutherans of eastern Europe, Finland, Poland, Latvia and Estonia especially.

The appeal has been made for 2,000 tons of clothing and for \$1,500,000. Rev. O. H. Fankhore, in charge of the campaign for clothing and money, has just returned from a trip to North Dakota, Minnesota and Illinois. He reports that those states are already active in gathering clothing and money and about to begin shipping clothing in carload lots to the seacoast. Shipping centers have been established at Fargo, Minneapolis and Chicago for those states.

Reports by wire and letter indicate that other states are also active to do their part. Dr. L. Larsen, chairman of the relief committee, is leaving to cover Ohio, Wisconsin, Iowa, Kansas and Nebraska in the coming week.

It is believed that within a little more than two weeks at least 2,000 tons of clothing will be on the water to bring relief to the Lutherans of Eastern Europe. Clothing is being shipped directly
