**HELENA JUDGE DEMANDS
GAMBLERS' INDICTMENT**

HELENA, Ark., Nov. 21. (Sp.)—When circuit court convened this morning Judge J. M. Jackson gave special instructions to the grand jury to investigate the claims of reported gambling which is said to exist here in Helena.
Judge Jackson said:
"It is said and has been reported, and seems to be a matter of common knowledge that gambling houses are wide open in Helena, and I ask you as members of the grand jury to take this up, and where evidence permits, to return indictments against the offenders."
It is probable that the grand jury will return at least 12 more indictments against members of the Ratio lodge of the Progressive Farmers and Household union for night-riding.
