

# WATCH 'EM GO! 57 Used Cars Put on the Block

As I must move Jan. 1, I'm in the position of the deceased millionaire—he couldn't take his money with him. The floor space of my new quarters for the Chevrolet agency will not permit my moving the 57 used cars I have on hand—so I'm going to sell them at what they cost me. All I want is my money out of them. I CAN MOVE THE MONEY, BUT NOT THE CARS—so watch 'em go!

### You've Never Seen a Sale Like This--You'll Never See Another

LISTEN! Erwin Greer, of the Erwin Greer Co., Chicago, who advertise that they are the largest used car dealers in the United States, was in Memphis the other day. He looked over my stock. This is what he said: "Mr. Pryor, next to my company, you have, unquestionably, the largest stock of used cars and the best used car values in the country."

What Would He Say If He Was To See These Values Now—Trimmed Down to Bare Chassis Prices?
