

FRIENDS WANTED  
THEIR IMPROVEMENT

After Taking Tanlac Mrs. Norman Feels Better Than in Five Years.

"When my friends tell me how much I have improved in health since I began to take Tanlac, I always say I owe it all to Tanlac," said Mrs. Margaret Norman, of 24th avenue, Oklahoma City. "Several years ago," she continued, "I had an attack of nervous prostration and afterwards I would suffer with cramps in my stomach after eating. I had palpitations of the heart and shortness of breath so bad that I would actually become unconscious at times and I would have such terrible headaches that I could hardly endure them. I became so weak that I was unable to attend to my household duties and everything was a torment to me. "Nothing seemed to help me at all. I began taking Tanlac on the advice of a friend. In less than a week the first week, and my stomach trouble was soon relieved. Now I can eat anything I want without it being followed with palpitations, headaches or sick spells. My nerves are in fine shape and I sleep well. I have gained several pounds in weight, my strength and energy are returning and I actually feel better than I have in five years. My husband has been taking Tanlac, too, and he thinks as highly of the medicine as I do. Tanlac is sold in Memphis exclusively by Weiss' Pharmacy and Warrick Drug Co."

White House Situation

Now, as to the White House. The most emphatic statements are made to the effect that the president would be useless, if indeed, and most thoughtless, if he permitted any argument or debate over questions in Paris to affect the admiration and friendship he has had for the colonel. The latter may not know it, but the reason why he hasn't been invited to the White House since his return from Europe is a simple one, and the responsibility for keeping not only Col. Wilson but the entire world from the president, lodges on the shoulders of Admiral Cary T. Grayson, the president's physician.

SUFFERING OF YOUNG WOMEN

This Letter Tells How it May Be Overcome—all Mothers Interested.

Fort Dodge, Ia.—"From the time my daughter was 13 years old until she was 16 she was suffering so badly each month, that sometimes I had to call in the doctor. She had headaches, backache, and such pains and cramps that she would have to stay in bed two or three days. She became terribly run down in health and at last a friend who had used Lydia E. Pinkham's Vegetable Compound told her about it and she has used six bottles, and we all ways have it in the house. She feels fine now and she has no trouble at all each month. We always praise it and advise any friends who suffer to use our wonderful medicine."—Mrs. MINNIE MANDELKO, 1065 S. 18th St., 10th Avenue, Fort Dodge, Iowa.

My back was the most troublesome symptom of my complaint and there would be a deep seated pain just over my kidneys for days at a time. My kidneys didn't act properly. I read of Doan's Kidney Pills being good for these troubles and I got two boxes at Ferrell's Drug Store. After using my trouble disappeared and I felt like a different man."

S. Third Street

Mrs. P. F. Parker, 654 South Third St., says: "I have used Doan's Kidney Pills several times when my kidneys did not act properly and they gave me quick relief on every occasion. I used to have bad pains across my back so that I couldn't walk. The way my kidneys acted showed they were disordered and I felt all out of sorts until I began taking Doan's Kidney Pills. This kidney medicine proved to be just as represented and I am pleased to recommend it, for I have never had any of that trouble since."

They seemed to tone up my system and give me new life." (Statement given November 29, 1914.) On April 27, 1918, Mrs. Turner said: "The cure I spoke of in my previous statement has lasted.
