Jenkins, presided over an interesting business session, during which it was decided that, contrary to custom, the members would continue the meetings throughout the summer. The members present contributed \$50 to be added to the fund for the furnishing of a room in the joy annex of the Elizabeth club. The card parties given for the benefit of that fund will be continued every two weeks, the next affair to be given in the home of the president, Mrs. Jenkins, on May 25, with Mrs. Harold Phillips as hostess.
